Cobalt Blue is a tale of rapturous love and fierce heartbreak told with tenderness and unsparing clarity. Brother and sister Tanay and Anuja both fall in love with the same man, an artist lodging in their family home in Pune, in western India. He seems like the perfect tenant, ready with the rent and happy to listen to their mother's musings on the imminent collapse of Indian culture. But he's also a man of mystery. He has no last name. He has no family, no friends, no history, and no plans for the future. When he runs away with Anuja, he overturns the family's lives.

Translated from Marathi by acclaimed novelist and critic Jerry Pinto, Sachin Kundalkar's elegantly wrought and exquisitely spare novel explores the disruption of a traditional family by a free-spirited stranger to examine a generation in transition. Intimate, moving, sensual, and wry in its portrait of young love, Cobalt Blue is a frank and lyrical exploration of gay life in India that recalls the work of Edmund White and Alan Hollinghurst—of people living in emotional isolation, attempting to find long-term intimacy in relationships that until recently were barely conceivable to them.

When Lizzie's parents are granted their freedom from slavery, Mama says its time for Lizzie and her brother Paul to go to a real school--a new one, built just for them. Lizzie can't wait. The scraps of learning she has picked up here and there have just made her hungry for more. The walk to school is long. Some days it's rainy,

or windy, or freezing cold. Sometimes there are dangers lurking along the way, like angry white folks with rocks, or mysterious men on horseback. The schoolhouse is still unpainted, and its very plain, but Lizzie has never seen a prettier sight. Except for maybe the teacher, Mizz Howard, who has brown skin, just like her. They've finally made it to Freedom's School. But will it be strong enough to stand forever? Praise for *Light in the Darkness* "In this tale, [Cline-Ransome] makes the point that learning was not just a dream of a few famous and accomplished men and women, but one that belonged to ordinary folk willing to risk their lives. Ransome's full-page watercolor paintings-in beautiful shades of blue for the night and yellow for the day-are a window, albeit somewhat gentle, into a slave's life for younger readers. A compelling story about those willing to risk "[a] lash for each letter." -Kirkus Reviews "Told from the perspective of Rosa, a girl who makes the dangerous nighttime journey to the lessons with her mother, the story effectively conveys the urgent dedication of the characters to their surreptitious schooling and their belief in the power of literacy...Solid text and soft, skillful illustrations combine for a poignant tribute to the power of education and the human spirit."-School Library Journal

From Newbery Medalist Avi comes the thrilling and suspenseful story of an ordinary American family who falls under suspicion during the 1950s Red Scare. It's 1951, and twelve-year-old Pete Collison is a regular kid who loves detective stories and radio crime dramas. When an FBI agent shows up at Pete's doorstep, accusing Pete's father of being a Communist, Pete is caught in a real-life mystery. Could there really be Commies in his family? PRAISE FOR CATCH YOU LATER, TRAITOR: "Suspenseful . . . Authentic period details--such as popular radio programs and the ongoing rivalry between the Dodgers and the Giants--add a colorful backdrop to Pete's quest as he navigates the murky gray area between truth and fiction. An excellent introduction to the frenzy of the McCarthy era." —Publishers Weekly, starred review "Avi, a master of historical fiction, vividly recreates not only the neighborhoods and pop culture of period Brooklyn, but the runaway paranoia that dominated daily life in the early years of the Cold War. With each clue Pete uncovers, the tension picks up, engaging readers in solving the dual mystery of his father's past and identifying his accuser whose name is kept a well-concealed surprise until the last moment . . . As a mystery, historical fiction, and love letter to 1950s Brooklyn, this novel succeeds on every level." —School Library Journal, starred review "Avi's tale of one Brooklyn family living in a time of intolerance effectively explores the natures of suspicion, loyalty, and freedom, following a young protagonist who comes to learn the importance of freedom of speech and 'staying true to your own thoughts.'" —The Horn Book Magazine "An involving, twisty mystery, grounded by the palpable emotional threat of Pete's father being taken away. An accomplished historical mystery by one of kid lit's most reliable craftspeople." —Booklist "Thought-provoking . . . Avi builds Pete's story, told in the first person, with page-turning tension and memorable characters that will leave readers with a strong sense of the insidious power wielded by the FBI and McCarthyites." —Kirkus Reviews A Spring 2015 Kids' Indie Next List Pick A Junior Library Guild Selection

Devraj to Jyoti Taylor & Francis

Sadhana is a beautiful young girl born to two opposites -a saintly

mother and a materialistic father. Thanks to her parents' self-centered indifference towards their only child, Sadhana becomes wayward and precocious. Then one day she is confronted by a sadistic teacher called Damayanthi who catches her off guard and gives her a treatment that develops a devious kink in the beautiful young girl. Years later Sadhana, now a school dropout, gets an opportunity to apply the same kink to her advantage. She uses it to become the most loved and admired actress in tinsel town, with a new identity and name - Anamika. Hailed as an epitome of womanhood, Anamika cruises to the top in her profession and achieves superstardom. And then her past catches up with her.

Most motherhood books tell you how to be the perfect mom and how to raise the perfect kid. This is not one of those books. This is a collection of light-hearted, true stories about the bizarre experience of pregnancy, attempting to avoid public tantrums, making it through the terrible twos (and ones, threes and fours) and trying not to punch the husband while he is trying to be "helpful". Jasmine Han & Shelly Holly, both moms with three young kids between them, regale us with their humorous collective experiences about surviving, and not perfecting, motherhood.

'The Whispering Star', a collection of short stories by Pamarty Venkataramana, is dedicated to the rich heritage of Sanatana Dharma, appreciating the finer nuances of life, existence, and self-actualisation. Each story is a lesson in the philosophy of life as distilled across ages of ancient Indian culture, applied to life in the modern era, with both personal and universal appeal. This is an eye-opening collection of eternal thoughts on the mystical connection of Man and Universe.

Climbing the Stairs ABC-CLIO

This prize-winning novel of a fugitive priest in Mexico is quite simply "Graham Greene's masterpiece" (John Updike, The New York Review of Books). In the Mexican state of Tabasco in the 1930s, all vestiges of Catholicism are being outlawed by the government. As churches are razed, icons are banned, and the price of devotion is execution, an unnamed member of the clergy flees. He's known only as the "whisky priest." Beset by heretical vices, guilt, and an immoral past, he's torn between self-

destruction and self-preservation. Too modest to be a martyr, too stubborn to follow the law, and too craven to take a bullet, he now travels as one of the hunted—attending, in secret, to the spiritual needs of the faithful. When a peasant begs him to return to Tabasco to hear the confessions of a dying man, the whisky priest knows it's a trap. But it's also his duty—and possibly his salvation. Named by Time magazine as one of the hundred best English-language novels written since 1923, *The Power and the Glory* is "a violent, raw" work on "suffering, strained faith, and ultimate redemption" (The Atlantic).

"A rare and exquisite story . . . Transports you out of time, out of place, into a world you can feel on your very skin." —Elizabeth Gilbert The New York Times bestseller Janice Y.K. Lee's latest novel, *The Expatriates*, is now available from Penguin In the sweeping tradition of *The English Patient*, Janice Y.K. Lee's debut novel is a tale of love and betrayal set in war-torn Hong Kong. In 1942, Englishman Will Truesdale falls headlong into a passionate relationship with Trudy Liang, a beautiful Eurasian socialite. But their affair is soon threatened by the invasion of the Japanese as

World War II overwhelms their part of the world. Ten years later, Claire Pendleton comes to Hong Kong to work as a piano teacher and also begins a fateful affair. As the threads of this spellbinding novel intertwine, impossible choices emerge—between love and safety, courage and survival, the present, and above all, the past.

Catch You Later, Traitor Shens Books

Little is known about the Tamil liberation cause and struggle, as it has been widely dismissed by global powers of all persuasions—the USA, Russia, China and India—each driven by their own realpolitik concerns and self-interests. This book, written by a Diaspora Tamil engaged in human rights work in the Tamil-controlled area of Vanni up until it was overrun by Sri Lankan forces, provides a compelling insider's look at the motivations, issues and complexities of this largely secret civil war; the entire text is based on first hand observation and includes sociological insights based on these first hand observations. Isolated in their struggle and condemned by world opinion, the Liberation Tigers of Tamil Eelam (LTTE) nonetheless proved capable of withstanding all external forces for a period of decades, drawing large numbers of Tamils, both inside Sri Lanka and outside in the Tamil Diaspora, to support their cause. The LTTE created a progressive internal movement that succeeded in breaking down ancient caste barriers that had resisted the political inducements and leadership of figures such as Gandhi, and inculcated a climate of social justice and equality. This book describes what life was like on the ground inside Tamil-controlled territory where the forces of war were held at bay—what the author has referred to in the title of this book as "The Fleeting Moment...". What followed was a process of the destruction of everything that she described when it was overrun by the Sri Lankan army and the Tamil genocide began.

The Pandavas and the Kauravas are returning to modern world in a different outlook but with same powers in this book "Barbarika". While the Hindu Mythology says it is because of the boon Krishna gave to the "greatest warrior of the Dwapara Yuga" - Barbarika, Science says it is because of an epigenetics experiment conducted by "Master of Epigenetics" - Vishaka. The Kurushetra War begins here between Shyam and Dr. Meghvarna to attain the power every man wants.

R. K. Narayan (1906—2001) witnessed nearly a century of change in his native India and captured it in fiction of uncommon warmth and vibrancy. The title character in *The English Teacher*, Narayan's most autobiographical novel, searches for meaning when the death of his young wife deprives him of his greatest source of happiness. This pioneering novel, luminous in its detail and refreshingly free of artifice, is a gift to twentieth-century literature.

Today, it often seems as though Assisted Reproductive Technologies (ARTs) have reached a stage of normalization, at least in some countries and among certain social groups.

Apparently some practices – for example in vitro fertilization (IVF) – have become standard worldwide. The contributors to *Assisted Reproduction Across Borders* argue against normalization as an uncontested overall trend. This volume reflects on the state of the art of ARTs. From feminist perspectives, the contributors focus on contemporary political debates triggered by ARTs. They examine the varying ways in which ARTs are interpreted and practised in different contexts, depending on religious, moral and political approaches. *Assisted Reproduction Across Borders* embeds feminist analysis of ARTs across a wide variety of countries and cultural contexts, discussing controversial practices such as surrogacy from the perspective of the global South as well as the

global North as well as inequalities in terms of access to IVF. This volume will appeal to scholars and students of anthropology, ethnography, philosophy, political science, history, sociology, film studies, media studies, literature, art history, area studies, and interdisciplinary areas such as gender studies, cultural studies, and postcolonial studies.
