**Or, The Passion-
prophecy of Scripture
Analysed and
Elucidated** Wm. B.
Eerdmans Publishing
In *The Message of the
Prophets*, author J. Daniel
Hays offers a scholarly,
yet readable and student-
friendly introductory

survey of the Old
Testament prophetic
literature that presents
the message of each
prophet in both its
historical and its biblical
context, tracking that
message through the NT
to discuss what it means
for believers today.

The Pivotal Moments in
the Old Testament Series

helps readers see
Scripture with new eyes,
highlighting short, key
texts—"pivotal
moments"—that shift our
expectations and invite us
to turn toward another
reality transformed by
God's purposes and
action. The book of
Exodus brims with
dramatic stories familiar
to most of us: the burning
bush, Moses' ringing
proclamation to Pharaoh

to "Let my people go," the parting of the Red Sea. These signs of God's liberating agency have sustained oppressed people seeking deliverance over the ages. But Exodus is also a complex book. Reading the text firsthand, one encounters multilayered narratives: about entrenched socioeconomic systems that exploit the vulnerable, the mysterious action of the divine, and the giving of a new law meant to set the people of Israel apart.

How does a contemporary reader make sense of it all? And what does Exodus have to say about our own systems of domination and economic excess? In *Delivered out of Empire*, Walter Brueggemann offers a guide to the first half of Exodus, drawing out "pivotal moments" in the text to help readers untangle it. Throughout, Brueggemann shows how Exodus consistently reveals a God in radical solidarity with the powerless. *Pivotal Moments in the*

Book of Exodus, Part One Zondervan William Barclay brings to these "best-known stories in the world" new force and significance for the modern reader. Each chapter analyzes an individual parable-- identifies its theme, explains it in the light of the language and customs of the ancient world, and clearly interprets its meaning for us today. The William Barclay Library is a collection of books addressing the great issues of the Christian faith. As one of the

world's most widely read interpreters of the Bible and its meaning, William Barclay devoted his life to helping people become more faithful disciples of Jesus Christ.

Book of Mormon

Canongate Books

A fresh look at the earliest Christian movement reveals what made the new faith so compelling...and what we need to change today to make it so again. Once upon a time there was a version of the Christian faith that was practically irresistible. After all, what

could be more so than the gospel that Jesus ushered in? Why, then, isn't it the same with Christianity today? Author and pastor Andy Stanley is deeply concerned with the present-day church and its future. He believes that many of the solutions to our issues can be found by investigating our roots. In *Irresistible*, Andy chronicles what made the early Jesus Movement so compelling, resilient, and irresistible by answering these questions: What did first-century Christians know that we

don't—about God's Word, about their lives, about love? What did they do that we're not doing? What makes Christianity so resistible in today's culture? What needs to change in order to repeat the growth our faith had at its beginning? Many people who leave or disparage the faith cite reasons that have less to do with Jesus than with the conduct of his followers. It's time to hit pause and consider the faith modeled by our first-century brothers and sisters who had no official

Bible, no status, and little chance of survival. It's time to embrace the version of faith that initiated—against all human odds—a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen. This is a version of Christianity we must remember and re-embrace if we want to be salt and light in an increasingly savorless and dark world.

Gospel Principles

Clements Pub.

Will we ever know what

the mighty prophets of God truly sounded like to his people? The answer, of course, is no, but esteemed author James Vasquez tells their stories in classical poetry, presenting their messages in a clear and memorable tone. There is strength in well-rhymed verse, and Vasquez has created words of comfort and consolation, as well as denunciations when addressing God's wayward people. Journey through the Bible with some of the most classic characters and glean

deep insight from their thoughts and feeling through scripture in Prophets of the Old Testament.

The Old Testament Prophets Inter-Varsity Press
 It is easy to think of Christian ministry as an exercise of our gifts or even finding fulfillment for ourselves. In God's Prophet, God's Servant, John Goldingay examines the portrait of a prophet's ministry found in Jeremiah

and the portrait of a servant's ministry in Isaiah 40-55, showing us that in both cases, God calls us to a deeper and more demanding view of ministry.

The Parables of Jesus
 Franklin Classics Trade Press

Hard Truths and Amazing Grace Isaiah, Jeremiah, Ezekiel, and Daniel spoke words of warning, comfort, and punishment to the people of Israel in Judah and during the Babylonian Captivity. Though they faced incredible loss and

persecution as they grieved the choices the Israelites made, these major prophets of the Old Testament fulfilled their role as God's voice to a rebellious people. In this highly respected commentary, Dallas Theological Seminary scholars explore the historical and cultural background of the prophets, the literary devices they used, and what these books teach us about God's call to us to follow Him today. *A Series of Sermons Preached in the Chapel of*

Lincoln's Inn Wipf and Stock Publishers
 God's Servants, the Prophets covers the Israelite and Judean prophetic literature from the preexilic period. It includes Amos, Hosea, Isaiah, Micah, Zephaniah, Nahum, Habakkuk, Jeremiah, and Obadiah. All The Bible is an 8-volume basic biblical survey series that nurtures a better understanding of the message and background of the biblical writings. The general editor of the series is R. Alan Culpepper, Dean of

the McAfee School of Theology, Mercer University, Atlanta, Georgia.

The Prophets of Israel

Westminster John Knox Press

"Magisterial. . . . A learned, brilliant and enjoyable study."—Géza Vermès, Times Literary Supplement
 In this exciting book, Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message

in light of the delay of the Kingdom he had preached. This edition includes an introduction reviews the most recent scholarship on Jesus and its implications for both history and theology. "Brilliant and lucidly written, full of original and fascinating insights."—Reginald H. Fuller, *Journal of the American Academy of Religion* "This is a first-rate work of a first-rate historian."—James D. Tabor, *Journal of Religion* "Fredriksen confronts her documents—principally

the writings of the New Testament—as an archaeologist would an especially rich complex site. With great care she distinguishes the literary images from historical fact. As she does so, she explains the images of Jesus in terms of the strategies and purposes of the writers Paul, Matthew, Mark, Luke, and John."—Thomas D'Evelyn, *Christian Science Monitor*
An Introduction to the Old Testament Prophetic Books Tate Publishing
 The prophets of the Old

Testament include such well-known characters as Isaiah, Jeremiah, Amos, and Hosea. There are, however, many other prophets, both in the biblical books that bear their names and in the other histories and stories of ancient Israel. Carolyn Sharp offers a brief introduction to each of the Bible's prophets and their prophetic books, developing the theological themes present in each with an eye toward how the prophetic message is relevant today. The For Today series was

designed to provide reliable and accessible resources for the study and real life application of important biblical texts, theological documents, and Christian practices. The emphasis of the series is not only on the realization and appreciation of what these subjects have meant in the past, but also on their value in the present--"for today." Thought-provoking questions are included at the end of each chapter, making the books ideal for personal study and

group use. *Keys to Unlock and Declare the Secrets of God* The Church of Jesus Christ of Latter-day Saints Speak forth Heavens secrets! Since the beginning of time, Gods desire has been to share Heavenly secrets with His friends. These hidden truths are freely given to every believer as they operate in the gift of prophecy! The prophetic anointing allows you to hear Gods voice, speak forth His words, and release His power into the world. Prophet Naim

Collins offers a unique perspective on this biblical gift of the Spirit: every believer can and should walk in the full power of prophetic communication every day. Isaiah Westminster John Knox Press
 The various forms of prophecy found in the Old Testament are examined in depth in this book written by a 19th-century Scottish professor of Hebrew. The product of 40 years of scholarship, this book evolved from a series of lectures used in classroom instruction and traces the rise and

development of Hebrew prophecy as found in the Old Testament. Written in an accessible style for general readers, the book serves as a fine introduction to the prophets of the Old Testament.

The Origins of the New Testament Images of Jesus (Second Edition)

Zondervan
 This critically informed and theologically sensitive introduction to the Prophets considers the often-misunderstood prophetic books of the Old Testament, including an

exploration of their historical context, their artful use of language, and their place within the chorus of Old Testament voices.

Exploring the Old Testament Oxford University Press, USA

The writings of the prophets make up over a quarter of the Old Testament. But perhaps no other portion of the Old Testament is more misunderstood by readers today. For some, prophecy conjures up knotted enigmas, opaque oracles and terrifying

visions of the future. For others it raises expectations of a plotted-out future to be reconstructed from disparate texts. And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future - nations streaming to Zion, a lion lying with a lamb, and endlessly fruiting trees on the banks of a flowing river. We might view the prophets as stage directors for Israel's unfolding drama of redemption. Drawing

inspiration from past acts in that drama and invoking fresh words from its divine author, these prophets speak a language of sinewed poetry, their words and images arresting the ear and detonating in the mind. For when Yahweh roars from Zion and thunders from Jerusalem, the pastures of the shepherds dry up, the crest of Carmel withers, and the prophetic word buffets those selling the needy for a pair of sandals. The Dictionary of the Old Testament:

Prophets is the only reference book of its kind. Not only does it focus exclusively on the prophetic books; it also plumbs their imagery of mountains and wilderness, flora and fauna, temple and Zion. It maps and guides us through topics such as covenant and law, exile and deliverance, forgiveness and repentance, and the Day of the Lord. Here the nature of prophecy is searched out in its social, historical, literary and psychological dimensions

as well as its synchronic spread of textual links and associations. And the formation of the prophetic books into their canonical collection, including the Book of the Twelve, is explored and weighed for its significance. Then too, contemporary approaches such as canonical criticism, conversation analysis, editorial/redaction criticism, feminist interpretation, literary approaches and rhetorical criticism are summed up and assayed. Even the afterlife of these great

texts is explored in articles on the history of interpretation as well as on their impact in the New Testament.

The Threshing Floor

Westminster John Knox Press

The Threshing Floor takes a look at current events through the lens of Bible prophecy. The Bible instructs us many times to watch and be ready for the Lord's return. In this book I attempt to identify the signs that we are to watch for, as well as the ways we are to prepare ourselves for the Lord's

return. In addition, I look at how we are to act and react towards a government system that is stripping Christian believers of their freedoms to worship and obey God in sharing the gospel of Christ. I interpret prophecy primarily through three methods. First, I look at past precedents for how ancient prophecies have been fulfilled. The literal fulfillment of prophecies pointing to Christ's first coming indicate there will be a literal fulfillment of end time prophecies. In

this book I link Old Testament prophecies with New Testament prophecies in a logical way so that they are relevant and understandable today. Secondly, I interpret prophecy by looking at the big picture of history from God's view point. The Bible reveals the witnesses of God from the beginning of time to the establishment of His eternal kingdom. I identify the different groups through history and the process which God uses in choosing His servants.

God follows a three step process where He identifies His servants, prepares them to serve, and finally commissions His servant to go out into the world. Through this process, God always gives His servants promises with conditions attached. In this book, I identify the promises and the conditions of God along with when they will be fulfilled in God's time frame. The third way that I interpret prophecy is by understanding the main message behind the imagery in the writings of

the prophets. Future events depicted through imagery always reveal the fulfillment of the past promises to the servants of God. When we don't understand what the imagery of a passage of scripture is revealing, we must search for the past promises in the word of God. By using this three step process, we can understand what the message of Bible prophecy is for us today as we near the fulfillment of many of the promises of God. As God's servant witnesses, I invite you to

open your Bible and your mind as we journey through the maze of Biblical prophecies and discover how they relate to us in these turbulent times.

Prophecy and the Prophets of the Old Testament David C Cook
The Old Testament prophets spoke to Israel in times of historical and moral crisis. They saw themselves as being a part of a story that God was weaving throughout history--a story of repentance, encouragement, and a

coming Messiah. In this updated introductory book, each major and minor prophet and his writing are clustered with the major historical events of their time. Our generational distance from the age of the prophets might seem to be a measureless chasm. Yet we dare not make the mistake of assuming that passing years have rendered irrelevant not only the Old Testament prophets, but also the God who comprehends, spans, and transcends all time. In these pages, C.

Hassell Bullock presents a clear picture of some of history's most profound spokesmen--the Old Testament prophets--and the God who shaped them.

Understanding the End of the Age God's Servants, the Prophets God's Servants, the Prophets covers the Israelite and Judean prophetic literature from the preexilic period. It includes Amos, Hosea, Isaiah, Micah, Zephaniah, Nahum, Habakkuk, Jeremiah, and Obadiah. All The Bible is an 8-volume

basic biblical survey series that nurtures a better understanding of the message and background of the biblical writings. The general editor of the series is R. Alan Culpepper, Dean of the McAfee School of Theology, Mercer University, Atlanta, Georgia. Gospel Principles Fully grasp how every part of Scripture fits together to point to and reveal the glory of Christ Jesus. From beginning to end, the Bible reveals the glory of Jesus. But for many Bible readers, it

doesn't seem that simple. We're often unsure how the Bible's many stories, characters, events relate together and connect to Jesus. Some are tempted to force the pieces of the Bible together, making superficial jumps to him. Others give up trying to understand the Bible altogether. Christ from Beginning to End is written to help Christians understand just how the different stories and parts of Scripture fits together to reveal the glory of Christ Jesus. In Part 1, Wellum and Hunter

reintroduce us to the Bible—what it is, how it comes to us, and what it's centrally about. Then, in Part 2, they walk from one side of the Bible's story to the other, carefully tracing its storyline from Genesis to Revelation. As readers see how our triune God's plan unfolds through his covenants, they will be equipped for a lifetime of seeing Christ's glory in Scripture. From this book, you'll learn how to: Read the Bible according to the three biblical contexts: the immediate context,

the context of the unfolding story, and the context of the whole story centered in Christ. Recognize how different parts of the Bible connect together as part of a unified story. Embrace the story of the Bible as our own, to live this story out, and to share this story with our neighbors and the nations. You will also see the Bible's multi-layered story and how it is held together by the one plan of God to glorify himself in salvation. You'll come away with a greater awareness of our need as

sinners, of the triune God in all of his grace, and of Jesus as the incarnate Son in all of his glory.

Dictionary of the Old Testament: Prophets Yale University Press

The Major Prophets includes the writings of Isaiah, Jeremiah, Ezekiel, and Daniel. They warned of doom to the Jewish people because of unfaithfulness. They recorded that God would restore the Jewish nation in Judah. They told of coming political kingdoms and one spiritual kingdom.
