MADELYNN ABBEY

Pimps Up, Ho's Down St. Martin's Press

From Eric Jerome Dickey comes the New York Times bestselling book that stirred up controversy with its bold portrayal of racial identity and subtle understanding of sexual intimacy. Jordan Greene is in culture shock when he arrives in Manhattan from his Tennessee hometown. Still, he manages to keep the pace and stay in the race, with a Wall Street job, a Queens apartment, and a very sexy girlfriend named J'nette. But when Jordan meets Kimberly Chavers, what starts as a shared cab ride turns into something more. This girl is funny, fiesty, fine...and white. And for a man with Malcolm X's picture hanging on his office wall, that's a definite problem.... This brightly entertaining and emotionally complex novel demonstrates why Eric Jerome Dickey was "one of the most successful Black authors of the last quarter-century" (The New York Times).

It's No Secret Penguin

From a fresh new voice with talent to burn comes this brash bitter sweet novel about Tracy Ellison,

a young girl with knockout looks, slanted hazel eyes, tall hair, and attitude, as she comes of age during the hip-hop era. Motivated by the material life, Tracy, her friends, and the young men who will do anything to get next to them are plunged into a world of violence, gratuitous sex, and heartbreak. Slowly, Tracy begins to examine her life, her goals, and her sexuality—as she evolves from a Flyy Girl into a woman. A captivating tale, written with fluid narrative and contemporary dialect, Flyy Girl captures the complete feel and sounds of the streets and is destined to become an urban classic.

Game Over Harper Collins

A liberating journey through the life and times of Brittany Renner. This book details the experiences of a woman whom some love and others love to hate. It's a behind-the-scenes look into her life. Some may categorize and prejudge without knowing her story, but here is her truth. Written in a raw and real voice with wittiness and humor, Brittany allows you to walk a mile in her shoes. Depending on your appetite for truth and reality, this book may make you laugh, cry, cringe, or all of the above. You should never judge a book by its cover.

Lament for a Nation BenBella Books, Inc.

Ja Rule, actor, singer, songwriter, and one of the most multi-dimensional rap artists of his time, tells his compelling story—from his youth to his rise to international fame to his transformative two years in Federal prison—and reveals the man beneath the legend. Unruly is two stories that offer one complete picture of a man and his world: the angry, fatherless rapper, Ja Rule who was "raised by the streets"; and Jeffrey Atkins, the insightful, reflective father and loyal husband who learned the hard way how to be a good man. Filled with never-before-revealed anecdotes and sixteen pages of black-and-white photos, Unruly shows the determination that it takes to become a man in today's society. Ja Rule considers the lack of role models for many young black men today—a void that leads to bad choices and the wrong paths. Recalling his youth, he illuminates the seductive pull of the streets and the drug dealers who were his earliest role models. Jeffrey Atkins offers practical wisdom—reflection, growth and hope learned first-hand as an inmate, father, husband, and community role model. He speaks fondly of men who inspired Unruly—the inmates he met in prison whose misguided ideas of masculinity landed them behind bars—and Louis Farrakhan who mediated the televised encounter with Ja Rule's adversary, 50 Cent. Unruly is a compelling, personal look at the duality and conflicts that arise in the African-American male psyche from a

man who has enjoyed breathtaking fame and suffered heartbreaking misfortune.

The Vixen Diaries Simon and Schuster

Like many political revolutions, the sexual revolution of the 1960s began with a euphoric feeling of liberation. But when utopian programs clash with dissenters--and with reality itself--the result is chaos, which revolutionaries seek to quash with repression and terror. In *Sexual Utopia in Power*, F. Roger Devlin explores today's sexual dystopia, with its loose morals and confused sexual roles; its soaring rates of divorce, celibacy, and childlessness; and the increasingly arbitrary and punitive attempts to regulate and police it. Devlin shows that the breakdown of monogamy results in promiscuity for the few, loneliness for the majority, and unhappiness for all. Every revolution gives rise to a reaction. Devlin, however, is very critical of mainstream conservative responses to the sexual revolution, which often eerily echo feminist complaints about innocent women being preyed upon by wicked men who must be scolded and punished. The most controversial aspect of Devlin's work is his argument that today's sexual dystopia is rooted just as much in women's nature as men's, exploring such taboo topics as female hypergamy (mating up), narcissism, infidelity, deceptiveness, and masochism. By showing their biological basis, F. Roger Devlin offers a non-traditional defense of traditional sexual morals and institutions and shows us the way out of today's sexual dystopia.

Unruly Lennex

Since she exploded on the scene with her two juicy and impossible-to-put-down tell-alls, readers have wanted to know even more about what makes Karrine Steffans tick. How was she able to meet all the high profile politicians, movie stars, and other celebrities that are her close acquaintances? What skills does she possess to keep men wanting more? Finally, Karrine lays it all out and explains exactly what a woman must do to win over the man of her dreams. With chapters like "Never Let Him See You Sweat," "Flirting," "Encouraging His Manhood," and "Give Him What He Wants," this hot and sexy manual is a must-have for every woman's bookshelf.

Every Little Step HarperCollins

The New York Times Bestseller! After decades of silence, Robyn Crawford, close friend, collaborator, and confidante of Whitney Houston, shares her story. Whitney Houston is as big a superstar as the music business has ever known. She exploded on the scene in 1985 with her debut album and spent the next two decades dominating the charts and capturing the hearts of fans around the world. One person was there by her side through it all—her best friend, Robyn Crawford. Since Whitney's death in 2012, Robyn has stayed out of the limelight and held the great joys, wild adventures, and hard truths of her life with Whitney close to her heart. Now, for the first time ever, Crawford opens up in her memoir, *A Song for You*. With warmth, candor, and an impressive recall of detail, Robyn describes the two meeting as teenagers in the 1980s, and how their lives and friendship evolved as Whitney recorded her first album and Robyn pursued her promising Division I basketball career. Together during countless sold-out world tours, behind the scenes as hit after hit was recorded, through Whitney's marriage and the birth of her daughter, the two navigated often challenging families, great loves, and painful losses, always supporting each other with laughter and friendship. Deeply personal and heartfelt, *A Song for You* is the vital, honest, and previously untold story that provides an understanding of the complex life of Whitney Houston. Finally, the person who knew her best sets the record straight.

A Hustler's Wife Simon and Schuster

The shocking, gripping, and at times darkly hilarious bestselling memoir of Nikki Sixx's yearlong war with a vicious heroin addiction, featuring exclusive new content. When Mötley Crüe was at the height of its fame, there wasn't any drug Nikki Sixx wouldn't do. He spent days—sometimes alone, sometimes with other addicts, friends, and lovers—in a coke- and heroin-fueled daze. The highs were high, and Nikki's journal entries reveal some euphoria and joy. But the lows were lower, often ending with Nikki in his closet, surrounded by drug paraphernalia and wrapped in paranoid delusions. Here, Nikki shares the diary entries—some poetic, some scatterbrained, some bizarre—of those dark times. Joining him are Tommy Lee, Vince Neil, Mick Mars, Slash, Rick Nielsen, Bob Rock, and a host of ex-managers, ex-lovers, and more. Brutally honest, utterly riveting, and surprisingly moving, *The Heroin Diaries* follows Nikki during the year he plunged to rock bottom—and his courageous decision to pick himself up and start living again.

God Don't Like Ugly Anchor

Karrine Steffans has been on an incredible journey since birth. Infamous for chronicling her tumultuous youth, her questionable life choices, and her rise as a New York Times and international best selling author, this cultural icon, this vixen, started with prose. Writing since the age of five, Steffans was inspired when discovering Edgar Allan Poe at that impressionable age. Motivated by her grandfather, later that year, she aimed for the coveted New York Times best sellers list. Twenty years later, she made it and it all started with poetry. In this booklet, the author shares some of her autobiographical poetry, once lost, and the origin of the inspiration to share them.

Tell-All Harper Collins

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Confessions of a Video Vixen." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

Woman Simon and Schuster

A behind-the-scenes memoir by the woman associated with the notorious Nas and Jay-Z hip-hop feud describes her career at Def Jam and Capitol Records, her shared parenting experiences with Nas, and her secret relationship with Jay-Z. Reprint.

How to Be a Bad Bitch Grand Central Publishing

Part tell-all, part cautionary tale, this emotionally charged memoir from a former video vixen nicknamed 'Superhead' goes beyond the glamour of celebrity to reveal the inner workings of the hip-hop dancer industry—from the physical and emotional abuse that's rampant in the industry, and which marked her own life—to the excessive use of drugs, sex and bling. Once the sought-after video girl, this sexy siren has helped multi-platinum artists, such as Jay-Z, R. Kelly and LL Cool J, sell millions of albums with her sensual dancing. In a word, Karrine was H-O-T. So hot that she made as much as \$2500 a day in videos and was selected by well-known film director F. Gary Gray to co-star in his film, *A Man Apart*, starring Vin Diesel. But the film and music video sets, swanky Hollywood and New York restaurants and trysts with the celebrities featured in the pages of *People* and *In Touch* magazines only touches the surface of Karrine Steffans' life. Her journey is filled with physical abuse, rape, drug and alcohol abuse, homelessness and single motherhood—all by the age of 26. By sharing her story, Steffans hopes to shed light on an otherwise romanticised industry and help young women avoid the same pitfalls she encountered. If they're already in danger, she hopes to inspire them to find a way to dig themselves out of what she knows first-hand to be a cycle of hopelessness and despair.

North American New Right Simon and Schuster

Enjoying fast-paced lives at the sides of some of society's wealthiest men, Celess and Tina share a dangerous secret that puts their street smarts to the test. A first novel. Reprint.

Creating Black Americans Penguin

This titillating exposé chronicles the personal and professional adventures of this tabloid-laden socialite, dispelling some rumors, while confirming others. *Diaries* unveils the heavily shrouded Hollywood backrooms and its coveted secrets. Offering her ardent fans answers to burning questions and presenting lessons learned, this book will surely not disappoint. Karrine Steffans continues to dish out juicy gossip and the much sought after details of her star studded lifestyle and the celebrity men that helped her get where she needed to be. Karrine draws you in to get an up-close and personal look at the Hollywood life of fast money and sex; all the things that make for a great movie. She discusses her interactions with people after the release of *Confessions of a Video Vixen* and how she copes with it all.

The Master's Sacred Knowledge Simon and Schuster

Winter Ramos, one of the new faces on VH1's hit reality television show, *Love and Hip Hop New York* Season 3 delivers a brazen and unabashed memoir of her life in the world of hip hop. In *Game Over*, Winter puts all of her emotions on the page leaving no experience, emotional abuse, or former lover uncovered. From her days as assistant to rapper, Fabolous and friend to, Jada Kiss, to

appearing on *Love and Hip Hop* and being Creative Costume Designer for Flavor unit Films, Winter delivers a tell-all book on her famous ex-lovers and experiences in the music industry. As the chick that was always in the mix and cool with everyone, Winter was privy to the cray beyond the videos, private flights, and limos that the cameras caught for us. Her reality and theirs was no game. *Game Over* is Winter's cautionary tale for the next generation of young women who believe that the fabulous lives of celebrities unveiled in blogs and on reality television shows are all FIRE! Stay tuned, because this GAME is about to get real.

[Thong on Fire](#) Confessions of a Video Vixen

The hyperactive love child of Page Six and Whatever Happened to Baby Jane? caught in a tawdry love triangle with The Fan. Even Kitty Kelly will blush. Soaked, nay, marinated in the world of vintage Hollywood, *Tell-All* is a Sunset Boulevard-inflected homage to Old Hollywood when Bette Davis and Joan Crawford ruled the roost; a veritable Tourette's syndrome of rat-tat-tat name-dropping, from the A-list to the Z-list; and a merciless send-up of Lillian Hellman's habit of butchering the truth that will have Mary McCarthy cheering from the beyond. Our Thelma Ritter-ish narrator is Hazie Coogan, who for decades has tended to the outsized needs of Katherine "Miss Kathie" Kenton—veteran of multiple marriages, career comebacks, and cosmetic surgeries. But danger arrives with gentleman caller Webster Carlton Westward III, who worms his way into Miss Kathie's heart (and boudoir). Hazie discovers that this boulder has already written a celebrity tell-all memoir foretelling Miss Kathie's death in a forthcoming Lillian Hellman-penned musical extravaganza; as the body count mounts, Hazie must execute a plan to save Katherine Kenton for her fans—and for posterity. *Tell-All* is funny, subversive, and fascinatingly clever. It's wild, it's wicked, it's bold-faced—it's vintage Chuck.

True You Beyond Words/Atria Books

Five essays address feminist issues relating to the women of the hip-hop generation, covering topics ranging from strip clubs and groupie culture to the idealization of white beauty and light skin color.

HussleNomics is a book dedicated to the legacy and teachings of Nipsey Hussle with a step by step guide on how to implement each money and business principle in your life.

100 Opinions You Can Trust on Confessions of a Video Vixen Xlibris Corporation

NOW A NEW YORK TIMES, USA TODAY, AND PUBLISHER'S WEEKLY BESTSELLER "Dyson writes with the affection of a fan but the rigor of an academic. ... Using extensive passages from Jay-Z's lyrics, 'Made in America' examines the rapper's role as a poet, an aesthete, an advocate for racial justice and a business, man, but devotes much of its energy to Hova the Hustler." —Allison Stewart, *The Washington Post* "Dyson's incisive analysis of JAY-Z's brilliance not only offers a brief history of hip-hop's critical place in American culture, but also hints at how we can best move forward."

—Questlove JAY-Z: *Made in America* is the fruit of Michael Eric Dyson's decade of teaching the work of one of the greatest poets this nation has produced, as gifted a wordsmith as Walt Whitman, Robert Frost and Rita Dove. But as a rapper, he's sometimes not given the credit he deserves for just how great an artist he's been for so long. This book wrestles with the biggest themes of JAY-Z's career, including hustling, and it recognizes the way that he's always weaved politics into his music, making important statements about race, criminal justice, black wealth and social injustice. As he enters his fifties, and to mark his thirty years as a recording artist, this is the perfect time to take a look at JAY-Z's career and his role in making this nation what it is today. In many ways, this is JAY-Z's America as much as it's Pelosi's America, or Trump's America, or Martin Luther King's America. JAY-Z has given this country a language to think with and words to live by. Featuring a Foreword by Pharrell
