This is an abridgment of the standard New Testament Greek theological dictionary written for those with only a limited knowledge of biblical Greek.

A Catalogue of near twenty thousand volumes ... on sale ... by T. Payne Paternoster

In a world where both the interior and exterior peace of its inhabitants is under constant threat by one form of chaos or the other, is there any hope for lasting peace? This reflection explores the impact of Jesus' gift of peace to his disciples during his post-resurrection visits in John 20:19""31. Importantly, it carefully evaluates the relevance of this visit to all living in today's challenging and chaotic world. This work reveals that peace is a gift from God and that Jesus' salutation ("Peace be with you"), which communicates much peace and liberates every troubled soul, is still very much re-echoed to all today. Hence, it is still relevant for the continuous restoration and sustenance of peace in both the individual and our entire world. Faith and humility are prerequisites for receiving the peace that Christ offers. Also, the Holy Spirit is a principal agent in humankind's search for lasting peace, and peace is not primarily a characteristic of happenings in the world but also a human attitude and a characteristic of all who have received it. The title of this little book speaks for itself. The peace that Christ offers is still very much needed in every soul and in our world at large. It is what our world lacks and needs most today, and this is what I present to you in this little book. This book consists of five chapters. Chapter one is the general introduction. Chapter two is a broad overview on peace. Chapter three is a brief analysis of John 20:19""20. The fourth chapter contextualizes Jesus' post-resurrection visit and the peace he offered. The final chapter is a brief summary and conclusion of the reflection. Peace be with you all. Amen!

A catalogue of books Christian Faith Publishing, Inc.

Jay P. Green Sr., Editor The Interlinear Bible is the only Bible to include all the Hebrew and Greek texts of the Bible along with a literal translation below each Hebrew and Greek word. This edition has added a Lexicon with all the Hebrew and Greek words of the Bible showing you the translation given and also cross-reference other possible translations for that Hebrew or Greek word in the lexicon, all in one binding. The Strong's numbers enable any user of this Bible to do extensive research using any of the Bible study tools now numbered to Strong's Dictionary. New Testament volume was revised in 2000 to update it and add the KJV text in a third column. The included lexicons are page cross referenced to; 1) B-D-B Hebrew Lexicon, and Arndt Gingrich and Thayers Greek Lexicons, Kittel's Theological Dictionary. The Hebrew and Greek texts are the same texts used for the KJV. The cheaper and outdated Hendrickson edition does not include the lexicon or any revisions since 1985.
