This comprehensive bilingual student dictionary includes 26,000 Word-to-Word dictionary entries, and is approved for ESL/ELL students to use for standardized testing. Amharic is the official working language of Ethiopia, with approximately 30 million speakers. The language has been used in courts, trade and everyday communications, within the military, and in the Ethiopian Orthodox Tewahedo Church since the 13th century. Amharic is the second most widely spoken Semitic language in the world after Arabic. Unlike Arabic, however, Amharic is written left-to-right and uses a distinct script called Ge'ez script. The two-way format makes it useful for both English and Amharic speakers. Ethiopian ELL students can look up the meaning of English words they don't recognize, and also translate their thoughts and writing in Amharic to English.  
 English-Tigrinya-Amharic Dictionary French & European Publications  
 This trilingual book has 8,000 word entries with transliteration. It is a vocabulary powerhouse, with the 5,000 most commonly used English words (written and/or spoken), plus a combined total of 3,000 Tigrinya and Amharic word entries. In order to help with

phonetic pronunciation, English words are written in Geez scripts ( ), while Tigrinya and Amharic word meanings are Romanized. Thus, it is a great reference book for ESL/ELL students to use for standardized testing. It is equipped with a concise yet informative introduction of the Tigrinya and Amharic languages. Both Tigrinya and Amharic are Semitic (Afro-Asiatic) languages derived from an ancient Ethiopian language, Geez; moreover, both languages share the same unique Geez alphabet, albeit with some pronunciation differences. Both languages are written from left to right. The quantity and uniqueness of the letters in the alphabet might be intimidating at the beginning, but there are some easy patterns that enable learning them faster. Once you have mastered the alphabet, it is rare to misspell words of Tigrinya or Amharic. Tigrinya and Amharic are official languages in Eritrea and Ethiopia respectively; Tigrinya is spoken in both countries. The total population who speak the two languages in the two countries, including those who speak them as a second language, is estimated to be about 55 million people.

Engelsk-amharisk ordbog. De engelske ords betydning forklares ved hjælp af eksempler, hvor de optræder i hele sætninger

**Amharic-English** Amharic-English, English-Amharic Dictionary  
This book closes the gap for beginners who want to study the Amharic language and had difficulties in finding the right grammar for this purpose: The first grammar of Amharic, the national language of Ethiopia, was published by Hiob Ludolf in 1698. The Amharic grammar published by Praetorius in 1879 is based on Amharic religious texts and on scattered material, usually composed by missionaries. A milestone in the study of Amharic is Marcel Cohen's *Traite de langue amharique* (1936), but this grammar, too is not completely suited for beginners since the author's generalizations are at times aimed at linguists. The grammar that comes closest to the concept of a beginner's grammar is that of C.H. Dawkin (1960), yet this grammar is extremely short, does not give examples and does not introduce the student to the intricacies of the language. The new book gives all the grammatical forms and the sentences of the present grammar in Amharic script and in phonetic transcription. The illustrative examples have a free and a literal translation. This procedure should likewise prove to be useful for the Semitist as well as for the general linguist.

Amharic for children! My First Amharic Dictionary is a picture book for introducing your multilingual child to Amharic and English. It has over 50 every day objects to point at and share with your baby. Daddy can teach in Amharic and Mummy in English. Each every day object is also illustrated to help make the connection with the real world. You can let toddlers colour in the illustrations too. Older children can practice their writing skills by filling in the included workbook. Discover the world in Amharic and English together with your multilingual child. Suitable for children 0 to 7 years old.

**Amharic-English, English-Amharic Dictionary** Createspace Independent Pub  
Contains over 1,500 entries in both Bosnian and English along with a pronunciation guide. Includes essential phrases for typical tourist and business situations.

English-Amharic Dictionary Hippocrene Books

The eighth campaign of the Cross Language Evaluation Forum (CLEF) for - ropean languages was held from January to

September 2007. There were seven distinct evaluation tracks in CLEF 2007, designed to test the performance of a wide range of multilingual information access systems or system components. CLEF is by now an established international evaluation initiative and, in 2007, 81 groups from all over the world submitted results for one or more of the di?erent evaluation tracks. Full details regarding the design of the tracks, the methodologies used for evaluation, and the results obtained by the participants can be found in the di?erent sections of these proceedings. As always the results of the campaign were reported and discussed at the annual workshop, held in Budapest, Hungary, 19-21 September, immediately following the eleventh European Conference on Digital Libraries. The workshop plays an important role by providing the opportunity for all the groupsthat have participated in the evaluation campaign to get together to compare approaches and exchange ideas.

Learn Amharic with new picture dictionary series from trusted publisher of foreign language study guides, Hippocrene Books  
Amharic is the official working language of Ethiopia, with approximately 30 million speakers. It is the second most widely spoken Semitic language in the world after Arabic. Unlike Arabic, however, Amharic is written left-to-right and uses a distinct script called Ge'ez script. With colorful, eye-catching illustrations to stimulate imagination and curiosity, My First Amharic Dictionary is specially designed for children ages 5 to 12. It contains more than 1,000 everyday words (from colors, animals, household items, foods and more)--each illustrated and translated into Amharic with accompanying phonetic pronunciation. The illustrations are arranged alphabetically by English so even young readers can easily search for words. Each one is labeled with clear, bold type and the commonsense pronunciation makes it easy to begin speaking Amharic right away! Recent studies suggest that children should begin learning a foreign language before age 10 for best results. This dictionary is a fun, engaging way for parents or grandparents to introduce Amharic to young children. Teachers will also find the dictionary useful for students who are learning Amharic from Kindergarten and up.

*English-Amharic Context Dictionary* Indie Writer

This combination Tigrinya phrasebook and two-way Tigrinya-English dictionary is an essential reference while traveling in Eritrea and Ethiopia. The Hippocrene Dictionary & Phrasebook series allows you be a traveler, not a tourist, by connecting with the local culture and people in their native language. Tigrinya (also written as Tigrigna) is an Afro-Asiatic language spoken by about 7 million people, primarily in Eritrea and Ethiopia. Tigrinya is written in the same Ge'ez script used for the Ethiopic language Amharic, but Tigrinya grammar and usage differs significantly from Amharic. This unique, two-part resource provides travelers to Eritrea and Ethiopia with the tools they need for daily interaction. The bilingual dictionary has a concise vocabulary for everyday use, and the phrasebook allows instant communication on a

variety of topics. Ideal for businesspeople, travelers, students, and aid workers, this guide includes: 4,000 dictionary entries  
 Phonetics that are intuitive for English speakers  
 Essential phrases on topics such as transportation, dining out, and business  
 Concise grammar and pronunciation sections  
[Beginner's Shona \(ChiShona\)](#) Hippocrene Books  
 The Essential Guide to Amharic is a 150+ pages of grammar, phrases, and vocabulary for the national language of Ethiopia. All translations are spelled phonetically, as well as in the Amharic alphabet. The vocabulary section is organized by topic; greetings, foods, furniture, politics, occupations etc. There are over 200 verb definitions with simple conjugation. The grammar section includes in-depth information on how to conjugate verbs in the past, present and future; using adjectives, pluralizing words, asking questions, punctuation, and much more.  
[English\]\[Amharic\], Amharic\]English](#) Univ of California Press  
 This is not your typical tourist phrasebook. It contains over 75 categories of terms in Basque and English with over 4,000 terms, phrases and sample sentences. Also included is a guide to the English and Basque alphabet and pronunciation. Basque is also known as euskara batua or simply batua. The English / Basque Phrasebook is designed to be used by the English speaker to learn the basics of the Basque language or for a Basque speaker to learn the basics of English. If you are intending to learn any new language, you'll need to get a phrasebook. The purpose of the phrasebook is to give you practice in real-life situations. Memorizing phrases ahead of time is the BEST way to use a phrasebook. Your grammar book, and sometimes even your course, does not give you the "Which room is mine?" kind of phrases. Yes, you will need to flip through the book to find responses or the next question on a different topic, but that is only if you do not practice a bit ahead of time. You can't beat this book - for the price and the small, yet concise and relevant content. Learn how to tell time, order food, go through customs, as well as greetings and social conversations. Proper names may or may not be translated between languages. Generally country names are translated, but personal names, place names, and trade names (products) are not. Some words may provide an alternate translation or transliteration, others may not. This phrasebook is derived from our Words R Us system, a derivative of WordNet. English Wordnet, originally created by Princeton University is a lexical database for the English language. It groups words in English into sets of synonyms called synsets, provides

brief definitions and usage examples, and records a series of relationships between these sets of synonyms. WordNet can be viewed as both a combination dictionary and thesaurus.  
*My First Amharic Dictionary* Springer  
 Dictionaries can be something of a personal matter; people become very attached to their favorite. In the above context Endale Zenawi's dictionary is archetypal; this is a much used and loved dictionary. The first edition had been out of print since 1975. Simon Wallenberg's Second 2007 edition of this invaluable reference book is bound to be welcome. The editors of Simon Wallenberg have included a brand new introduction to the Amharic language and a history of the Ethiopian People. Cultural notes have been added along with useful information on contemporary Ethiopia. A section on the Rastafarian religion has been added. The new edition has been expanded with over 660 pages of definitions making this dictionary the most comprehensive on the Amharic language. True to form, the Simon Wallenberg's editors have carried forward Endale Zenawi's work and have lived up to their tradition of creating some of the most widely used and respected dictionaries and reference books in the world. Definitions continue to be organized around the "core" meanings that is, "the one that represents the most literal use that the word has in ordinary modern Amharic usage. The dictionary is ideal for person looking for a quick answer while on a business trip as well for journalists and writers for whom it makes the perfect desktop companion. Portable, compact, and affordable, this Amharic Dictionary is ideal for school, the office, and lower university level The dictionary has been revised and updated to cover all the latest vocabulary. Words are tools for life and the Wallenberg dictionaries make them work for you. Acclaimed by Amharic Academics, Wallenberg Dictionaries has led the way in bilingual lexicography for many years. They have proved to be reliable dictionaries and have been compiled for a large number of languages.  
[Kemantisa-Amharic-English Dictionary](#) Hippocrene Books  
 The English-Tigrinya Dictionary is meant to be a bridge between Tigrinya and English languages. It enhances basic communication skills by pronouncing and describing English terms in Tigrinya. It can be a road leading towards understanding and using the English language. It helps those in need of using English in their daily activities. It has included basic English words with their Tigrinya pronunciation and meaning. Therefore; it is very helpful to those who can read and understand Tigrinya and want to learn English.
