All choices have consequences. A werewolf hunter experiences a broad spectrum of future outcomes based on his present day decisions. At times he questions what is real and what is fantasy. Eventually, Buck Lanark makes one critical decision that catapults him into an alternative reality-one that changes his destiny forever. [draganvujic1205@gmail.com](mailto:draganvujic1205@gmail.com)

### **Rose's Brief History of Werewolves**

Jodi Vaughn

Sal and Josh are well on their way to having a little one of their own, but now they have to contend with Lucas and his son Reginald. Lucas has a bone to pick with Josh and this time he doesn't mind getting his own hands dirty.

Josh will have to face a man that he called friend at one time, but then things change drastically when he took on the proposition of saving his friends life. Unfortunately, things did not go as planned and his decline in health is rapidly getting closer to his own demise. This is Lucas' way of evening the score, but just how far is he willing to go? Does Josh have it in him to kill his best friend or will he have to sacrifice his one true love and the baby?

The days grow colder. The nights grow longer. And every time the moon rises, the wolf inside her grows a little stronger. Cheyenne Clark—a woman whose hatred for werewolves has turned her into the very beast she most despises—prowls the Arctic Circle on the trail of an ancient secret, hunting for the one thing that could remove the lycanthropic curse and make her human again. Yet standing between Chey and her goal are a werewolf hunter armed with a diabolically brilliant weapon, a centuries-old werewolf with her own mysterious agenda...and Chey's own complicated feelings for the man who doomed her to

this existence but on whom her life now depends. Worse, with every hour that passes, the wolf inside Chey becomes more powerful. It won't be long before the woman disappears completely, and only the beast is left.

When things go bump in the night, the government calls Psi-Mechs, Inc. With a combination of technology and psi powers, they alone have the tools and training required to bump back. Geoff Ringer was a police detective, who never wanted to be more than that. Although he knew he had a telekinetic talent, it wasn't something he wanted anyone to

know about. Even though his reticence made him a loner, he hid his power from his friends and colleagues. Using it also reminded him of that night, which he never wanted to think about again. When a werewolf attack in the police station forces him to expose his talent to save the lives of his colleagues, Ringer is forced to flee to Psi-Mechs to hide. The company is at war, though, and Ringer finds himself on the losing side of a battle to the death. Will Ringer and the Psi-Mechs team be able to defeat the ancient evil, or will it claim the Earth for all time? One thing is certain for Ringer—the time to hide is past. As Ringer learns to embrace his powers, only one

question remains—will they be enough to turn the tide? Psi-Mech, Inc. Because things do go bump in the night. Llewellyn Worldwide It takes more than silver bullets to kill a werewolf. This is an omnibus edition of the three books in the Autobiography of a Werewolf Hunter trilogy. Sylvester James knows what it is to be haunted. His mother died giving birth to him and his father never let him forget it—until the night he was butchered by a werewolf. Alone in the world, Sylvester is taken in by Michael Winterfox, a Cheyenne mystic. Winterfox, once a werewolf hunter, trains the boy to be a warrior—teaching him how to block out pain, stalk, fight, and kill. Bit by bit all that makes Sylvester human is

sacrificed to the hunt. Now, Sylvester's hatred has become a monster all its own, robbing him of conscience and conviction as surely as the Beast's bite. As he follows his vendetta into the outlands of the occult, options become scarce. And he learns it takes more than silver bullets to kill a werewolf—to kill a werewolf, it takes a hunter with a perfect willingness to die. This edition features the previously published Autobiography of a Werewolf Hunter, Heart of Scars, and The Lineage in Brian P. Easton's Autobiography of a Werewolf Hunter trilogy. Dreamspinner Press Bones: Book One Skinny, quiet hipster Dylan Warner was the kind of guy other men

barely glanced at until an evening's indiscretion with a handsome stranger turned him into a werewolf. Now, despite a slightly hairy handicap, he just wants to live an ordinary--if lonely--life as an architect. He tries to keep his wild impulses in check, but after one too many close calls, Dylan gives up his urban life and moves to the country, where he will be less likely to harm someone else. His new home is a dilapidated but promising house that comes with a former Christmas tree farm and a solitary neighbor: sexy, rustic Chris Nock. Dylan hires Chris to help him renovate the farmhouse and quickly discovers his assumptions about his

neighbor are inaccurate--and that he'd very much like Chris to become a permanent fixture in his life as well as his home. Between proving himself to his boss, coping with the seductive lure of his dangerous ex-lover, and his limited romantic experience, Dylan finds it hard enough to express himself--how can he bring up his monthly urge to howl at the moon?

*The Last Werewolf*

iUniverse

Mama is home and the Undead Uprising has been grounded.

Hallelujah! Hey, it's me, feisty freshman, Evangeline Midnight here. Good news, I'm still a badass and I'm still tattooing the life into people only now I'm off to New York to

finish up my magical training at the Academy of Arcanum. I'm specializing in tracking and forensics to join my boyfriends on the elite supernatural tracking unit: The Monster Squad. Sadly, I've barely cracked a spell book when I'm met with another hairy situation. My only friend on campus, a troubled young werewolf is murdered in the dorm room next to me. The thing is, I know who did it--the academy's shiny, flappy, cheerleading squad of killers who have been bullying her from the start. With the help of my trackers, I decide I'm going to solve the mystery while proving I'm just the witch for the tracking unit job. Hang onto your designer

purses, girls. I'm coming for you. Revenge 101 is about to be in session. There's only one problem: I may not be a witch after all, and I may not be exactly right about who did it. Our investigation has uncovered a secret war between Werewolves and Fae, and low and behold, my pain-in-the-butt-family appears to have everything to do with it. Welcome to the Academy of Arcanum where the Fae rule and their drugs make you drool. Thank the goddess, I have my boys. Warning: This is book one in a steamy reverse harem paranormal romance series where there are six guys--well, five guys and one demon, and no choosing required! Expect laughter, sexy

polyamorous situations (mmmf), kick-ass action, an ongoing storyline, and everything from faeries, vamps and dragons, to demons, zombies and witches. Med-burn, med angst, vivid sexual content and language. Scroll up and click that button! [Bone Gnawers](#) [Tribebook](#) Penguin  
The legacy he must obey... The child she must save... The man who threatens to fulfill her every fantasy... and break her heart. Alpha wolf Ridge Addison left his wife in Las Vegas, vowing to put their one reckless night of passion behind him and return to his clan. Thirteen years later he needs a divorce so he can become pack leader. Yet he's never forgotten the sensuous

witch whose life he saved...or the knee-buckling kisses he still craves. After they parted, Abigail tried banishing Ridge from her memory. Now her heart belongs only to her son. But when the boy is kidnapped, she knows she alone can't save him. Though Abigail's body still aches for Ridge, she's willing to give him his freedom in exchange for his help. But who will shield her heart from the only man she's ever let claim her, body and soul?

**ALTERNATIVE  
REALITY FOR A  
WEREWOLF HUNTER**

Henry Holt and Company (BYR)  
BY THE LIGHT OF THE MOONHell on Wheels... Werewolf Guardian, Damon Trahan lives by a Code: Protect the Pack with his life.

Damon has experienced death and betrayal, now all he wants is the freedom of his Harley and the loyalty of the men he rides with, the only family he has left. Those are the things he knows and believes in. Love and the hurt that comes with it has no place in his world...Until he receives new orders: Rescue female werewolf, Ava Renfroe from a Pack of rogue wolves. Hell on Heels... Bartender Ava Renfroe is tired of Alpha males running her life. Being raised as the daughter of a Military General made her want independence more than air—and she has it! Until she’s kidnapped. Damon Trahan, her alpha male rescuer and bossy pain-in-the-ass, is

exactly the kind of man she doesn’t want, but try telling that to her libido. His brooding good looks are panty-dropping hot. Too bad he’s bat-shit crazy and thinks he’s a werewolf. Worse, he claims she’s a werewolf too. But when Damon shifts in front of her, she begins to doubt everything she’s known to be true. Hell to pay... On the run from the rogues, Ava and Damon can’t ignore the red hot passion between them. But Damon knows it can’t last. Will he sacrifice everything he’s ever known to have the one thing he’s never meant to have? Or will the war between the Packs destroy them before love is given a chance?  
BENEATH A BLOOD  
LUST MOONMurder brought them

together...will destiny tear them apart? Werewolf Braxton Devereaux would do anything to protect his mother from his abusive father, even commit murder. Or so everyone assumes. Pack Law justice is swift and unforgiving when it comes to bloodshed, and soon werewolf Assassins are out to balance the scales - Braxton's life for his father's. On the run, Braxton flees on his Harley to the anti-extradition state of Missouri, but before he crosses the border, he is felled by an Assassin's bullet, and an unsuspecting blonde. Kate Wolph is in a legal battle to avoid losing her Bed and Breakfast to foreclosure. The last thing she needs is an injured wolf to care for,

let alone a gorgeous man with blank eyes and a deadly smile. But the supernatural world of danger that surrounds him threatens to swallow more than just her life. Can Braxton track down the real killer before the Assassins find him, or will Pack Justice cost him not only his life but the life of the only woman he's ever loved? DESIRES OF A FULL MOON Some scars run too deep. Werewolf Jayden Parker tried to leave his personal demons behind in Louisiana when he joined the Guardians in the Arkansas Pack. But when his Pack Master puts him on a mission to stop a stalker that's targeting a female, Jayden comes face to face with his haunted past and the woman he

once failed to protect. Shamed and abandoned by her family, werewolf Haley Guthrie is forced to start over in Arkansas. Instead of a fresh start, she finds herself in danger and has to rely on Guardian, Jayden to protect her. In a twist of fate Jayden and Haley are reunited, only to discover an undeniable passion that refuses to be ignored. Jayden refuses to fail Haley again and vows to catch the stalker before he can harm her. Will Jayden lay down his life for the one woman who can set his soul and heart free? Or will they both lose everything before love is given a second chance?

Vacationing with his

relatives, an affluent businessman discovers that his perceptions of beauty and tranquility of the north are mere illusions. Although fully cognizant of the evil reality within their community, none of the relatives disclose the fact that the dark shadow of the werewolf chokes the land. A devastating supernatural event changes one man's destiny forever. His opulent world shatters like a delicate crystal glass falling upon an unforgiving marble floor. Destiny offers him a new profession. Out of the murky depths, a werewolf hunter emerges. Vengeance burns bright in a heart filled with acrimony. In his valiant efforts to purge the countryside, Buck Lanark must murder

foes, friends and family members. He cannot afford the luxuries of discretion and discrimination. All who have become werewolves must die. In the course of his killing spree, Buck discovers the origins and evolution of werewolves.

Werewolves don't have

a how-to manual nor do men embarking on a new life together. It's been a few weeks since Dylan Warner wolfed out and killed Andy, the crazed werewolf who originally turned him and later tried to murder Chris Nock. Architect Dylan and handyman Chris are still refurbishing Dylan's old house as they work out the structure of their relationship. They come from very different backgrounds, and neither has had a long-term lover before, so negotiating their connections would be challenge enough even if Dylan didn't turn into a beast once a month. To make matters worse, Dylan's house is haunted, and events from both men's pasts are catching up with them. Dylan has to

cope with the aftermath of killing Andy, and Chris continues to suffer the effects of a difficult childhood. In his quest to get rid of the ghost, Dylan rekindles old friendships and faces new dangers. At the same time, Chris's father makes a sudden reappearance, stirring up old emotions. If Dylan and Chris want to build a lasting relationship, they'll have to meet these challenges head-on.

Series Order: Book #1 The Werewolf Wears Prada Book #2 Beauty and the Werewolf Book #3 What a Werewolf Wants A Manual for the Newly Bitten Orchard Books Buck and Billy Jo are initiated into the Brotherhood of the Silver Bullet. As part of a cohesive team, the werewolf hunters fight several brutal battles with their formidable foes. Both sides suffer heavy losses. The casualties of an ongoing confrontation mount up. Despite the fact that the

brotherhood has access to advanced technology, this war with the werewolves must be fought with conventional weapons and silver bullets. In the interim, the secret organization's scientists work relentlessly to discover an effective cure for lycanthropy. Each new day brings a new ray of hope. One sunny April morning, Buck and Billy Jo announce that they plan to depart for beautiful British Columbia. The couple has had its fill of killing the dark demons of the night. It is time for a fresh start somewhere else. Wishing his friends all the best, Steven Cervi, the commander of the elite unit, informs Buck and Billy Jo of recent werewolf activity in their former homeland.

They are persuaded to join the brotherhood for one last duel to the death with the werewolves. An unexpected situation erupts. Catastrophic consequences follow. Buck Lanark experiences first hand the crimson tears of a werewolf.
