Loyalty in Death Penguin
"Sometimes brotherhood can be another word for conspiracy. ... Dennis Mira just had two unpleasant surprises. First he learned that his cousin Edward was secretly meeting with a real estate agent about their late grandfather's magnificent West Village brownstone, despite the promise they both made to

keep it in the family. Then, when he went to the house to confront Edward about it, he got a blunt object to the back of the head. Luckily Dennis is married to Charlotte Mira, the NYPD's top profiler and a good friend of Lieutenant Eve Dallas. When the two arrive on the scene, he explains that the last thing he saw was Edward in a chair, bruised and bloody. When he came to, his cousin was gone. With the

mess cleaned up and the security disks removed, there's nothing left behind but a few traces for forensics to analyze. As a former lawyer, judge, and senator, Edward Mira mingled with the elite and crossed paths with criminals, making enemies on a regular basis. Like so many politicians, he also made some very close friends behind closed--and locked--doors. But a badge and a billionaire husband can

get you into places others can't go, and Eve intends to shine some light on the dirty deals and dark motives behind the disappearance of a powerful man, the family discord over a multimillion-dollar piece of real estate ... and a new case that no one saw coming"--

Enchanted Penguin
 #1 New York Times bestselling author J. D. Robb takes us to the New York City of 2060, where Lieutenant Eve Dallas faces down a cop killer...
 Amaryllis Coltraine may have recently transferred to the New York City police force from Atlanta, but she's been a cop long enough to know how to defend herself against an assailant. When she's taken down just steps

away from her apartment, killed with her own weapon, for Eve the victim isn't just "one of us." Eve starts questioning everyone while her husband, Roarke, digs into computer data on the dead woman's life back in Atlanta. To their shock, they discover a connection between this case and their own painful, shadowy pasts. The truth will need to be uncovered one layer at a time, starting with the box

that arrives at Cop Central addressed to Eve, containing Coltraine's guns, badge, and a note from her killer: "You can have them back. Maybe someday soon, I'll be sending yours to somebody else." But Eve Dallas doesn't take too kindly to personal threats, and she is going to break this case, whatever it takes. And that's a promise.

Apprentice in Death
Penguin Investigating

the untimely murder of a narcissist personal trainer who left a string of broken hearts in his wake, Lieutenant Eve Dallas sorts through a long list of suspects while juggling seasonal demands, including her husband's upcoming holiday bash. Includes teaser. By the #1 best-selling author of *Concealed in Death*. Reprint.

An Eve Dallas Novel Penguin Echoes in Death, the chilling new

suspense novel from #1 New York Times bestselling author J.D. Robb is the perfect entry point into the compelling In Death police procedural series featuring Lieutenant Eve Dallas. As NY Lt. Eve Dallas and her billionaire husband Roarke are driving home, a young woman—dazed, naked, and bloody—suddenly stumbles out in front of their car. Roarke slams on the brakes and Eve

springs into action. Daphne Strazza is rushed to the ER, but it's too late for her husband Dr. Anthony Strazza. A brilliant orthopedic surgeon, he now lies dead amid the wreckage of his obsessively organized town house, his three safes opened and emptied. Daphne would be a valuable witness, but in her terror and shock the only description of the perp she can offer is repeatedly

calling him “the devil”... While it emerges that Dr. Strazza was cold, controlling, and widely disliked, this is one case where the evidence doesn't point to the spouse. So Eve and her team must get started on the legwork, interviewing everyone from dinner-party guests to professional colleagues to caterers, in a desperate race to answer some crucial questions: What does the devil look like? And where will

he show up next?

Brotherhood in Death

Penguin

In "Naked in Death," Eve Dallas is in over her head when she breaks the rules and falls in love with Roarke, an Irish billionaire and a suspect in her most recent case, and in "Glory in Death," Eve Dallas suspects there is a link between the murders of two beautiful and highly successful women.
