Simulation Modelling Practice And Theory Simulation Modelling Practice And Theory The journal Simulation Modelling Practice and Theory provides a forum for original, high-quality papers dealing with any aspect of systems simulation and modelling. The journal aims at being a reference and a powerful tool to all those professionally active and/or interested in the methods and applications of simulation. Submitted papers will be peer reviewed and must significantly contribute ... Simulation Modelling Practice and Theory | Journal ... Special Issue on "Modeling and Simulation of Hybrid Clouds" The scope of this Special Issue is to present state-of-the-art research covering a variety of concepts in hybrid clouds, particularly focused on modelling, simulation and performance evaluation of such platforms.
