 Health Economics Jay Bhattacharya
 Jay Bhattacharya is a professor of medicine and a CHP/PCOR core faculty member. His research focuses on the constraints that vulnerable populations face in making decisions that affect their health status, as well as the effects of government policies and programs designed to benefit vulnerable populations. FSI | CHP/PCOR - Jay Bhattacharya
 Review. A very thorough introduction to health economics, combining the important theoretical literature from economics, including neighboring fields, with an account of the actual systems which allocate

medical care in its various dimensions. – Kenneth J. Arrow, Stanford University, USA, and Nobel Prizewinning economist
