All four skills are developed in context. Universal topics are selected from a wide variety of material. There is in-depth treatment of grammar, with clear presentations, self-check exercises in the 'Grammar Spot', and detailed explanations in the 'Grammar Reference' followed by extensive practice activities. A systematic vocabulary syllabus includes dictionary training and work on systems such as collocations. Pronunciation work is integrated at appropriate points. An 'Everyday English' section practises functional language and social situations.
