DECKER ARTHUR

Malala's Magic Pencil Farrar, Straus and Giroux (BYR)

The definitive translation by Dick Davis of the great national epic of Iran—now newly revised and expanded to be the most complete English-language edition A Penguin Classic Dick Davis—“our pre-eminent translator from the Persian” (The Washington Post)—has revised and expanded his acclaimed translation of Ferdowsi’s masterpiece, adding more than 100 pages of newly translated text. Davis’s elegant combination of prose and verse allows the poetry of the Shahnameh to sing its own tales directly, interspersed sparingly with clearly marked explanations to ease along modern readers. Originally composed for the Samanid princes of Khorasan in the tenth century, the Shahnameh is among the greatest works of world literature. This prodigious narrative tells the story of pre-Islamic Persia, from the mythical creation of the world and the dawn of Persian civilization through the seventh-century Arab conquest. The stories of the Shahnameh are deeply embedded in Persian culture and beyond, as attested by their appearance in such works as The Kite Runner and the love poems of Rumi and Hafiz. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Speak: The Graphic Novel Philomel Books

A culturally informed book that never loses sight of its fundamental purpose, PUBLIC SPEAKING: CONCEPTS AND SKILLS FOR A DIVERSE SOCIETY, 8e trains readers to be effective public speakers and listeners in a world filled with monumental cultural, political, and technological changes. It combines 2,500-year-old principles with up-to-date research into concepts, skills, theories, applications, and critical-thinking proficiencies essential for listening and speaking well. Discussions of classic public speaking topics are grounded in an awareness of the impact of cultural nuances that range from gender differences to co-cultures within the United States to the traditions of other nations-giving readers a heightened awareness of and sensitivity to their audience. Reflecting the latest research and practices, it includes new coverage of listening competencies, online courses, legacy journalism and native digital news outlets, MAPit, powerful language forms, and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Speak Up, Molly Lou Melon HarperCollins

The New York Times bestselling graphic memoir from actor/author/activist George Takei returns in a deluxe edition with 16 pages of bonus material! Experience the forces that shaped an American icon -- and America itself -- in this gripping tale of courage, country, loyalty, and love. George Takei has captured hearts and minds worldwide with his magnetic performances, sharp wit, and outspoken commitment to equal rights. But long before he braved new frontiers in STAR TREK, he woke up as a four-year-old boy to find his own birth country at war with his father's -- and their entire family

forced from their home into an uncertain future. In 1942, at the order of President Franklin D. Roosevelt, every person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation centers," hundreds or thousands of miles from home, where they would be held for years under armed guard. *THEY CALLED US ENEMY* is Takei's firsthand account of those years behind barbed wire, the terrors and small joys of childhood in the shadow of legalized racism, his mother's hard choices, his father's tested faith in democracy, and the way those experiences planted the seeds for his astonishing future. What does it mean to be American? Who gets to decide? George Takei joins cowriters Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a lifetime.

Speak UpAn Illustrated Guide to Public SpeakingMacmillan

Speak Up Penguin

The author of *Self-Compassion* follows up her groundbreaking book with new ideas that expand our notion of self-kindness and its capacity to transform our lives, showing women how to balance tender self-acceptance with fierce action to claim their power and change the world. Kristin Neff changed how we talk about self-care with her enormously popular first book, *Self-Compassion*. Now, ten years and many studies later, she expands her body of work to explore a brand-new take on self-compassion. Although kindness and self-acceptance allow us to be with ourselves as we are, in all our glorious imperfection, the desire to alleviate suffering at the heart of this mindset isn't always gentle, sometimes it's fierce. We must also act courageously in order to protect ourselves from harm and injustice, say no to others so we can meet our own needs, and motivate necessary change in ourselves and society. Gender roles demand that women be soft and nurturing, not angry or powerful. But like yin and yang, the energies of fierce and tender self-compassion must be balanced for wholeness and wellbeing. Drawing on a wealth of research, her personal life story and empirically supported practices, Neff demonstrates how women can use fierce and tender self-compassion to succeed in the workplace, engage in caregiving without burning out, be authentic in relationships, and end the silence around sexual harassment and abuse. Most women intuitively recognize fierceness as part of their true nature, but have been discouraged from developing it. Women must reclaim their power in order to create a healthier society and find lasting happiness. In this wise, caring, and enlightening book, Neff shows women how to reclaim balance within themselves, so they can help restore balance in the world.

Writing & Speaking at Work Little, Brown Books for Young Readers

The beloved modern classic character, Molly Lou Melon, is tackling the timely topic of speaking up for yourself and others. Molly Lou Melon's mother taught her to use her big voice for good--to speak up for what's right, for those who can't, and even when it's hard. So she does. When school starts and a bully begins teasing everyone, including a new student, Molly Lou knows just what to do. From standing up for a friend to admitting when you've made a mistake, Molly Lou shows us how speaking up is always the right choice. The beloved classic character has another important message to share, and David Catrow's vibrant and spunky illustrations continue to expand Molly Lou's larger-than-life personality.

How Women Leaders Find Their Voices and Break Barriers Clarion Books

'This extraordinarily lucid book demonstrates that women from all walks of life get the short end of the stick because of their gender. From welfare mothers to corporate executives, Albelda and Tilly show and why the powers-that-be benefit from scapegoating and marginalizing women.' Professor Mimi Abramowitz, author, *Regulating the Lives of Women*A cogent analysis of the economic and social realities for women in the United States, across class lines. In an age when the right wing manipulates the dialogue around women's issues to separate middle- and upper-class women from their poorer sisters this book's facts, figures, and analysis provide a much needed antidote.

A Skills Approach Top Shelf Productions

A lyrical picture book debut from #1 New York Times bestselling author and presidential inaugural poet Amanda Gorman and #1 New York Times bestselling illustrator Loren Long "I can hear change humming in its loudest, proudest song. I don't fear change coming, and so I sing along." In this stirring, much-anticipated picture book by presidential inaugural poet and activist Amanda Gorman, anything is possible when our voices join together. As a young girl leads a cast of characters on a musical journey, they learn that they have the power to make changes—big or small—in the world, in their communities, and in most importantly, in themselves. With lyrical text and rhythmic illustrations that build to a dazzling crescendo by #1 New York Times bestselling illustrator Loren Long, *Change Sings* is a triumphant call to action for everyone to use their abilities to make a difference.

An Illustrated Guide to Public Speaking Courier Corporation

A wonderful new book is coming from Random House Children's Books.

The Professional Woman's Guide to Confidence and Success Cengage Learning

Provides information on the concepts and theories of public speaking along with a variety of real-life examples and visual explanations.

How Women Can Harness Kindness to Speak Up, Claim Their Power, and Thrive Random House Books for Young Readers

This book introduces business-government relations in the institutional context of the United States from a practitioner's perspective. It provides the historical, descriptive, and comparative accounts of the public and private sectors, the different roles government plays with business, including several conceptual models to understand the social interactions between the two sectors, and various economic policies associated with business. Business-government relations are framed into three different social economic contexts: The sociopolitical arena, in which government's role as agent of business, interest groups, and government's limited role as social architect, are introduced. The local economic development, in which government acts as a promoter of, partner with, and buyer from, business. The global market, where government mainly plays a role as promoter of domestic business. In the course of discussion, a set of skills, such as searching government jobs, starting a business, analyzing stakeholders, ethical reasoning, advancing a business agenda, leveraging public resources, contracting with government, interpreting global trends, doing business abroad, and leveraging international resources, are introduced and exercised.

Building Business-Government Relations Storey Publishing

Unlock the mysteries! What does it mean to dream about a doll? Perhaps your inner child needs to come out and play. Or what if you find yourself

flying high above the earth? It's your sleeping mind urging your waking mind to look to the future and think about your deepest aspirations. Richly illustrated in watercolor and with explanations and intuitive prompts throughout, *How Dreams Speak* is a unique visual dream interpretation guide that demystifies over 150 universal symbols and themes. With this book in hand, you'll learn the history of dream interpretation and the science of dreaming and be guided through the practice of remembering—then untangling—your nightly adventures. Our dreams speak to us, and within these pages lies the gifts of being able to listen to what our subconscious mind is saying.

The Everything Public Speaking Book Kingdom Publishing LLC

In the age of multiple equity movements, it is critical to explore an unspoken nuance—the silencing of women leaders. Carrie Lynn Arnold calls attention to the history and complex dynamics that can suppress a leader's voice while offering solutions for change. Women are taught to speak up, develop confidence, leverage their strengths, polish their interpersonal skills, widen their competencies, and fight to sit at the table. But once they make it to that executive chair, they rarely examine the unspoken dynamics that impact their success. The silencing of female voices is an all too common epidemic, preventing women from harnessing their full capabilities and leading with maximum potential. This phenomenon of isolating women by subduing their voices is a decades-old tradition. It can be impossible to avoid encounters, organizational cultures, and even feelings of self-suppression that all foster silencing. It is no longer about questioning competency or confidence. It is about understanding the complex factors and biases that are deeply embedded in relationships between men and women, amongst women, and within the dynamics of systems and the self that allows for this trend to continue despite growing successes in equity. Carrie Lynn Arnold examines silencing, which is essential to name and recognize, as a pre-requisite to effective leadership. By understanding where we have been before, we may fully appreciate and call attention to where we need to go. Regardless of your gender or whether you are an emerging leader or a CEO of a large corporation, the silencing virus is capable of infecting everyone. *Silenced and Sidelined* explores what it means to feel suppressed, giving words to the experience so that leaders can begin different types of conversations about voice and leadership. There are no shortcuts or simple, easy steps; this call to leadership is a call for courage. It requires the ability to communicate with a voice that carries currency—one, people will not just hear, but follow. Given the complexity of our world and the challenges society faces, we can no longer afford leaders with silenced voices.

Speak Up Pearson Higher Ed

Let's Communicate is everything you want in a human communication text--substantive, engaging, and fun. Created by communication scholars Douglas Fraleigh, Joseph Tuman, and Katherine Adams, Let's Communicate takes their combined 100 years' worth of research and teaching experience to present all the basic human communication concepts with unique attention paid to technology, culture, gender, and social justice. The authors provides provocative, real-life examples and a special focus on skills that together make communication meaningful for students both in and out of the classroom--all at an affordable price. Let's Communicate is also the first human communication text to use hundreds of hand-drawn illustrations that help students understand and retain important concepts. These unique and often humorous illustrations present concepts in graphic form (especially helpful for visual learners), make complex ideas easier to understand, provide hooks to help students remember material, extend concepts, and generate discussion.

An Illustrated Guide to Human Communication Simon and Schuster

This best-selling brief introduction to public speaking offers practical coverage of every topic typically covered in a full-sized text, from invention, research and organization, practice and delivery, to the different speech types. Its concise, inexpensive format makes it perfect not only for the public speaking course, but also for any setting across the curriculum, on the job, or in the community. This newly redesigned full-color edition offers even stronger coverage of the fundamentals of speechmaking, while also addressing the changing realities of public speaking in a digital world. It features fully updated chapters on online presentations and using presentation software, and a streamlined chapter on research in print and online.

Bedford/st Martins

A NEW YORK TIMES BESTSELLER Written and designed by the staff of The Washington Post and illustrated by artist Jan Feindt, *The Mueller Report Illustrated: The Obstruction Investigation* brings to life the findings of special counsel Robert S. Mueller III in an engaging and illuminating presentation. When it was released on April 18, 2019, Mueller's report laid out two major conclusions: that Russia's interference in the 2016 presidential election had been "sweeping and systematic" and that the evidence did not establish that Trump or his campaign had conspired with the Kremlin. The special counsel left one significant question unanswered: whether the president broke the law by trying to block the probe. However, Mueller unspooled a dramatic narrative of an angry and anxious president trying to control the criminal investigation, even after he knew he was under scrutiny. Deep inside the 448-page report is a fly-on-the-wall account of the inner workings of the White House, remarkable in detail and drama. With dialogue taken directly from the report, *The Mueller Report Illustrated* is a vivid, factually rigorous narrative of a crucial period in Trump's presidency that remains relevant to the turbulent events of today.

An Illustrated Guide to Life on Two Wheels Macmillan Higher Education

"Author Catherine Newman provides supportive guidance and instruction to help kids establish or and maintain meaningful relationships and effective communication with friends, teachers, family members, and others in their communities"--

What Can I Say? Routledge

Written by professors with 40+ combined years' experience teaching the course, *Speak Up!* connects with students through lively writing, compelling real-life examples, practical guidance, and hundreds of custom-drawn illustrations that bring public speaking concepts to life. Instructors appreciate the book's serious coverage of concepts and theories, fascinating examples, and unique and often humorous illustrations that help students understand and retain concepts from the text. The new edition features a brand new case study feature that guides students through all steps of the public speaking process. The *Speech Choices* boxes follow Mia and Jacob as they make choices that affect the final outcome of their speech—and show students what to do, and what not to do. They culminate in two brand-new, full-length speech videos on cutting edge topics. The feature expands further online in LaunchPad with video clips from the speeches, case study questions, and case study activities that instructors can use in the classroom or assign as homework. *Speak Up* contains other powerful digital tools accessible through LaunchPad, a learning platform that that

contains hundreds of videos, LearningCurve (our adaptive quizzing program), various assessment options, video assignment tools, instructor supplements, and a full e-book.

The World Needs More Purple People Bloomsbury Publishing

The critically acclaimed, award-winning, modern classic *Speak* is now a stunning graphic novel. "Speak up for yourself—we want to know what you

have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's *Speak: The Graphic Novel* comes alive for new audiences and fans of the classic novel. This title has Common Core connections.
