Autobiography of the KING of PORN In the world of adult cinema, one name stands out above all others: John Holmes. For nearly 20 years, from 1967 to 1987, Holmes reigned as the undisputed king of X-rated films, having appeared in a record 2,200 plus productions, from the landmark Johnny Wadd movies (one of which became the first adult motion picture to gross over \$1 million) to the legendary Insatiable with Marilyn Chambers. To a legion of fans world-wide, he was known as "Mr. Big." To industry insiders, he was "Mr. Nice Guy." Yet for all of his fame and notoriety, Holmes remained an intensely private person and a mystery man. - that is, until now. In a startlingly frank autobiography, PORN KING was written in large part prior to his death (with new material added by his widow, Laurie). Holmes tells the story of his incredible life. This is not a typical celebrity story, filled with bright lights and glamor, giant sound stages and movie moguls. It is, instead, a rare portrait of a young man drawn into an unknown Hollywood, a secret, forbidden Hollywood, and the parallels between his astounding career and the sexual revolution in American films. Holmes knew his subject better than anyone. Holmes candidly tells of a lucrative but often harrowing "other" life as a male prostitute to the rich and famous, a shattering fall into drugs and his side of the grisly Wonderland Murders and his desperate cross-country right afterwards. From start to finish, in this newly revised edition, complete with

never-before-seen candid photos of Holmes in his private life, PORN KING is a sizzling, sensuous, fast-paced story laced with controversy. If ever there was an untold story, PORN KING is it. Website address: [www.johnholmes.com](http://www.johnholmes.com)

Arab cultural discourse has been slow to respond to changing sexual behaviour. The contributors to this collection pick up the slack, ranging across such disciplines as literature, history, sociology and psychology. Is Damascus the 'chastity capital' of the Middle East, where perceptions of wealth and class fuel female rivalries? How do gay men cruise in Beirut? How do young women in Tunis cope with both social pressures to become thin and family pressures to gain weight? What do Lebanese creative-writing students write about sexual practices versus public behaviour? The fresh, compelling research topics covered include masculinity and migration; colonialism and sexual health; fantasy

and violence; and domestic workers and sexual tensions. 'Other people's sex lives have always been a source of fascination, and nowhere more so than in the Middle East ... Ground-breaking.'

Everything you wanted to know about sex and love in Islam, but were hesitant to ask about: polygamy, contraception allowed by Sharia, oral and group sex, homosexual marriages and also the relationship with jinns, masturbation and mysteries of martial relations - all that is allowed and all that is prohibited in sexual relations in this noble and pure religion. Many people both in the West and Russia continue to have a mistaken illusion that love, sex and variability of relations between man and woman are either suppressed in Islam or in contrary exceed all norms of decency. The book is an insight into this matter. The Muslim man is perceived as an ideal type of an always ready sexual partner. Love and Sex in Islam lifts the veil covering the delicate theme, in which the phenomena seeming incompatible turn out to be good neighbors.

Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. “The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.”—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their

whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.
