A poor command of English is a considerable obstacle in almost every walk of life,

from conducting business to dealing with everyday problems. This book takes you back to the basics; the simple rules and tricks that will help anyone to master the language. Rather than a guide to everything you would ever want to know about the English language, it is a basic companion to the nuts and bolts - designed to help native and non-native speakers alike

to speak and write correct and unambiguous English in any situation, business or personal. The book offers advice on many different areas including the writing of letters, reports and other texts, where it is often vital to convey meaning and purpose simply and clearly. It also includes sections on sentences, parts of speech, punctuation, and common pitfalls to

avoid.

Research & Education Assoc. What is the hardest challenge you've faced as a student of the Dutch language? You can work hard

on your grammar, vocabulary and pronunciation, but being able to communicate naturally isn't easy. In fact, the toughest part of learning Dutch is knowing how to speak like a native. Most textbooks are made to teach you the traditional rules and structures of a language and are great for getting around the grammar and spelling questions you may have. However, how many of them

provide you the tools necessary to have a common conversation with a best friend or someone you've just met? Not many at all. Language learners often complain about this - a lack of material that can help you familiarize yourself with the most common phrases used in everyday conversation and in native surroundings. For this reason, we at Lingo Mastery have

developed Easy Dutch Phrase Book: Over 1500 Common Phrases for Everyday Use and Travel for you, our favorite language-learner, so that you may find the best expressions for common usage in Dutch and communicate with your Dutch friends, colleagues and client without any issue! In this book: - An introduction with a detailed guide on how to pronounce vowels and consonants

(as well as their combinations) in the Dutch tongue. - A list of over 1,500 common phrases in Dutch, with an accurate translation in English for your understanding . - A phonetics pronunciation guide of each and every word in the phrases, included after every translation. - Finally, a conclusion to make sure you've learned and supply you with a final list of tips.
