A Rose in Winter Simon and Schuster
In this personal book from the star of many beloved and classic film comedies -- from *The Producers* to *Young Frankenstein*, *Blazing Saddles* to *Willy Wonka and the Chocolate Factory* -- Gene Wilder writes about a side of his life the public hasn't seen on the screen. *Kiss Me Like a Stranger* is not an autobiography in

the usual sense of the word, and it's certainly not another celebrity "tell-all." Instead, Wilder has chosen to write about resonant moments in his life, events that led him to an understanding of the art of acting, and -- more important -- to an understanding of how to give love to and receive love from a woman. Wilder writes compellingly about the creative process on stage and screen, and divulges moments from life on the sets of some of the most iconic movies of our time. In this book, he talks about everything from his experiences in psychoanalysis to why he got into acting and later comedy (his first goal was to be a Shakespearean actor), and how a Midwestern childhood with a sick mother changed him. Wilder explains why he became an actor and writer, and about the funny, wonderful movies he made with Mel Brooks, Woody Allen, Richard Pryor, and Harrison Ford, among many others. He candidly reveals his failures in love, and writes about the overwhelming experience of marrying comedienne Gilda Radner, as well as what finally had to happen for him to make a true and lasting commitment to another woman. A thoughtful, revealing, and

winsome book about life, love, and the creative process, the New York Times bestseller *Kiss Me Like A Stranger* is one actor's life in his own words. *The Flame and the Flower* Harper Collins From New York Times bestselling author Kathleen E. Love as a Stranger Avon

From the Man Booker Prize-winning author of *The Line of Beauty*: a magnificent, century-spanning saga about a love triangle that spawns a myth, and a family mystery, across generations. In the late summer of 1913, George Sawle brings his Cambridge schoolmate—a handsome, aristocratic young poet named Cecil Valance—to his family's modest home outside London for the weekend. George is enthralled by Cecil, and soon his sixteen-year-old sister, Daphne, is equally besotted by him and the stories he tells about Corley Court, the country estate he is heir to. But what Cecil writes in Daphne's autograph album will change their and their families' lives forever: a poem that, after Cecil is killed in the Great War and his reputation burnished, will become a touchstone for a generation, a

work recited by every schoolchild in England. Over time, a tragic love story is spun, even as other secrets lie buried—until, decades later, an ambitious biographer threatens to unearth them. Rich with Hollinghurst's signature gifts—haunting sensuality, delicious wit and exquisite lyricism—*The Stranger's Child* is a tour de force: a masterly novel about the lingering power of desire, how the heart creates its own history, and how legends are made.
