Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

The Survivalist

FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

Field and Stream

The Survivalist tells the life story of author Larry Hager. In 1939, his family moved from Kansas to Idaho, and then to Oregon. Twelve years later they moved to a small logging community in southern Oregon and a whole new life for a little farm boy. Larry encountered a lot of interesting moments as a young man that he would have been far better off avoiding. Eventually, he wound up in the penitentiary as a result of one of these incidents. At first, however, he did not take his

incarceration seriously. When he finally realized how serious the situation was, he started doing things with his life much differently. He has been a sailor, a logger, and a head saw filer in mills across the Northwest for the last 30 years. He has written songs and poetry, exploring the process of creative writing. Now he tells his story. The Survivalist takes an in-depth look at the life and times of Larry Hager. After all of the ups and downs, he finally got it right!
