YOUNG FERNANDA

A Guide to Healing our Lives Simon and Schuster

Rae Beth, author of the bestselling Hedge Witch, here blends the ancient traditions of hedge witchcraft with our modern concerns for the natural world. Working in liminal places and with wild spirits, she shows how we can both help to heal the human relationship with the natural world and cast spells of increase for threatened species. The Green Hedge Witch is based in the knowledge that we are part of nature, not apart from Her, and that this gives us our power and potential as well as our responsibilities. And therefore, by the use of rites, spirit journeys, and elven help, we can work heartfelt healing magic. This is a book for the budding spellcaster as well as the experienced hedge witch.

The Way of the Hedge Witch Hedge WitchA Guide to Solitary Witchcraft

"The world I was looking at defied description. If it weren't for the haunting voice describing everything to me, I would have regarded it all as nothing more than a fluke; just another strange dream that I would probably forget. But this was no ordinary dream. I was being shown another world in an intentional and purposeful manner. The imagery before me did not change or shift as in a regular dream and when I had questions in my mind, the strange, calm voice would answer me in simple yet shockingly sophisticated ways. Then I suddenly found myself kneeling on the ground directly

facing a thick hedge. I turned my head to the left and there she was, also kneeling and facing the hedge. She was looking at me, smiling warmly and knowingly. It was her turn for a question and my answer would change things for me forever."For the Hedge Witch who develops the ability to ride the Hedge, they can straddle worlds at will and the advantages are many. The Hedge Witch's magic is based on seamlessly shifting themselves into the twilight plane, where miracles are commonplace and their magic flows freely.- As a newer amalgam emerging from and within the traditional paths, Hedge Craft draws from the most pragmatic aspects of witchcraft and shamanism, giving the witch a deeper understanding of their power and practical methods to access their potential.

A Modern-Day Guide to Making Magick Llewellyn Worldwide

Hedge Witch is a modern guide to the ancient path of the village wisewoman or wiseman.Written in the form of letters from an experienced witch to her two apprentices, solitary witchcraft is offered, not as a substitute for coven worship, but as a fulfilling lifestyle in its own right. Rae Beth explains the importance of the Goddess and her consort, the Horned God, as sources of spiritual strength and worship. The author extols the feminine principles of healing and regeneration as well as attacking greed and self-interest which jeopardize the planet's very future.Rae Beth provides spells for all the key festivals of the witch's calendar; describes and outlines the Pagan approach to finding a partner. Her lyrical letters, accompanied by delicate pen-and-ink sketches, bring the reader towards a deeper understanding of the solitary witch's lifestyle and beliefs.

This practical guide to modern witchery offers advice on bringing magic to your daily life with wisdom, spells, recipes, and rituals throughout the year. Once upon a time the witch held a place of esteem in her village. She was a healer with knowledge of local plants and herbs; her wisdom and empathy made her the village matchmaker and marriage counselor. Her ability to commune with nature and animals gave her a place of revelry and wisdom. She was the Hedgewitch. *Hedgewitch Book of Days* revives the spirit of the Hedgewitch with a month-to-month guide for busy modern witches who want to fill their lives with wisdom and magic. This book demonstrates how daily tasks can become magical rituals that enrich your life. Author Mandy Mitchell covers everything from relationships with families and friends to cooking, cleaning, and healing. Journey through the wheel of the year with one eye on the kettle and the other on the moon!

At the dawn of a new era we are drawn to modern Goddess spirituality. Rae Beth feels the world can change by sharing our personal spiritual experiences with each other. She has gone within herself for this book of recollections, inner guidance and ancient teachings (which was originally published as *Reincarnation and the Dark Goddess*). She explains individual reincarnation as a microcosm of Earth's great cycles of existence and as a means of developing the love and wisdom needed to manifest the true beauty of the spirit realm. Along with instructions for recalling past lives and

developing psychic skills, she gives descriptions of the Otherworld (where we go between lives) as the land of the Dark Goddess - the Queen of the Dead. This is not a fearsome place, but a joyful spirit land where healing flows, whether we approach it from its peripheries in dreams, in meditation, or between incarnations. Rae Beth also includes thoughtful interpretations of various myths of the Goddess in her many aspects - Isis, Kali, Mary Magdalene, Persephone and Tiamat - to name but a few. *Lamp of the Goddess* looks at reincarnation from the viewpoint of a present-day priestess who honours the Deep Feminine, or the Goddess, as Mother of Souls, as well as the Earth Mother of physical existence. This sharing vision is relevant to us all, in our process of discovery and rebirth.

Village wisewomen and men, the community's witches, have always helped to heal wounded lives. When disaster strikes, such as serious illness or some kind of abuse or loss, or when we're struggling through things such as divorce or family conflict, today's hedge witchcraft can still give us the means to help ourselves or others. There are, for example, spells to banish the spirits of cruelty or injustice. There are ways of countering the ill effects of spiteful thoughts which others may hold about us. We can rebuild our sense of ourselves by magic that holds us true to our real life purpose, throughout any crisis. What is presented here is not superficial and not a shortcut. Rather, it is a powerful process, a method which can be adapted to any situation where help may be needed.
