Book Three in the Galaxy X Trilogy

Harper Collins

Bestselling author, entrepreneur, speaker, and life and business coach Romi Neustadt has a message for women: You CAN have it all--just not at the same damn time. Romi Neustadt is a mom of two, a wife, a daughter, bestselling author, speaker, entrepreneur, and coach.

What's more, she's achieved these things without a staff of 10, the ability to sleep two hours a night or driving herself batsh*t crazy. She's figured out the key to having it all: Priorities, babe. In her second book, Romi provides a no-BS blueprint for women to figure out what to focus on and what not to. She explains why saying YES to everything and everyone really means saying NO to the things that matter -- to your goals, your dreams, and your true self. The key to achieving your wildest dreams isn't to downsize them. It's to embrace them more fully, and discard everything that isn't serving them. This book will teach you how to: • Zone in on what

really matters to you, so you can ditch everything that isn't serving your dreams. • Recognize and embrace your true worth as a provider, partner, and all-around kickass human. • Say no to the millionth request from your kid's school for home-baked goods--without experiencing mom guilt. • Establish boundaries that stick with coworkers, friends, and family. • Ditch toxic relationships and the soul-sucking drama that accompanies them. • Stop feeling like an imposter in your own life. • Create habits that protect your time and energy. • Kick fear (of not being lovable, pretty, or good enough) to the curb once and for all. Written in the same down-to-earth, accessible style that made her first book, *Get Over Your Damn Self*, a beloved bestseller, this book is for every woman who wants to live a fulfilled, authentic life without feeling stressed and exhausted. Romi is living proof that it's possible, and you will be too.

And What You Can Do About It

Simon and Schuster

This special 10th anniversary edition of an enduring classic provides a crystal clear picture of

why focus is even more vital today in determining future success.

The Bridge from Your Dreams to Your

Destiny Simon and Schuster

Free yourself from self-limiting beliefs and fears that keep you stuck. This book lays out a blueprint for how to take control of your life and begin living your dreams. We all dream. We all imagine. And we all want to live our best life. But why is it that 90 percent of people admit that if they got to live their life over, they would live it differently? What keeps us comfortable with the status quo and unable to get beyond "What if"? In part 1 of this book, Dr. Shirley Davis addresses these and other questions by guiding the reader through a personal journey of self-discovery, a search for significance, and an examination of the self-imposed limitations that can hijack our purpose, power, and possibilities. In part 2, she details the readers' journeys toward realizing their dreams by reimagining their lives, identifying their "why," and developing a life plan to stay focused and accountable. She describes the right

questions to ask, the right mindset to adopt, and the right relationships to build that will enable everyone to live the life he or she has always imagined. Dr. Davis reveals the necessary steps for releasing the limits we place on ourselves as a result of life's tests, wrong thinking, and bad decisions. She helps readers overcome paralyzing fears that keep dreams on pause and inspires the confidence to jump first and grow wings on the way down.

There's nothing better than a book you can't put down—or better yet, a book you'll never forget. This book puts the power of transformational reading into your hands. Jack Canfield, cocreator of the bestselling Chicken Soup for the Soul® series, and self-actualization pioneer Gay Hendricks have invited notable people to share personal stories of books that changed their lives. What book shaped their outlook and habits? Helped them navigate rough seas? Spurred them to satisfaction and success? The contributors include Dave Barry, Stephen Covey, Malachy McCourt, Jacquelyn Mitchard, Mark

Victor Hansen, John Gray, Christiane Northrup, Bernie Siegel, Craig Newmark, Michael E. Gerber, Lou Holtz, and Pat Williams, to name just a few. Their richly varied stories are poignant, energizing, and entertaining. Author and actor Malachy McCourt tells how a tattered biography of Gandhi, stumbled on in his youth, offered a shining example of true humility—and planted the seeds that would help support his sobriety decades later. Bestselling author and physician Bernie Siegel, M.D., tells how William Saroyan's *The Human Comedy* helped him realize that, in order to successfully treat his patients with life-threatening illnesses, "I had to help them live—not just prevent them from dying." Actress Catherine Oxenberg reveals how, at a life crossroads and struggling with bulimia, a book taught her the transforming difference one person could make in the life of another—and why that person for her was Richard Burton. Rafe Esquith, the award-winning teacher whose inner-city students have performed Shakespeare all over the world, recounts his deep self-

doubt in the midst of his success—and how reading *To Kill a Mockingbird* strengthened him to continue teaching. Beloved librarian and bestselling author Nancy Pearl writes how, at age ten, Robert Heinlein's science fiction book *Space Cadet* impressed on her the meaning of personal integrity and gave her a vision of world peace she'd never imagined possible. Two years later, she marched in her first civil rights demonstration and learned that there's always a way to make "a small contribution to intergalactic harmony." If you're looking for insight and illumination—or simply for that next great book to read—*You've Got to Read This Book!* has treasures in store for you. Ask! Lindsay Buroker Outlines a revolutionary approach to building wealth rapidly, counseling readers on how to make the most of limited starting resources while overcoming fear-based obstacles to risk taking, in a guide that also provides recommendations for enjoying and sharing one's wealth ethically. Do you dream of winning? Are you In It To Win It? There is an old saying that states: "To the victor go the spoils." This saying originated from wars fought in ancient days - and meant that the victor got all the goodies! In today's competitive society, our desires and intentions are to be the best at what we do to win the prize - tangible or intangible. In fact, even the US Army used the slogan "Be all that you can be" as a motivator for recruits to join and excel. Tom Hopkins, Author of "How To Master The Art Of Selling" states that if you're going to do anything-small or large-why not do it to the best of your ability? The Success Principles Workbook Berrett-Koehler Publishers

After ten years at war, Jev Dharrow looks forward to hanging up his sword, relaxing with a cool mug of ale, and forgetting that the love of his life married another man while he was gone. But when his ship sails into port, a beautiful woman wearing the garb of an inquisitor from one of the religious orders waits to arrest him. His crime? He's accused of stealing an ancient artifact with the power to start another war. Jev would gladly hand over the artifact to stop more suffering, but he has no idea where it is or even what it looks like. The inquisitor woman definitely has the wrong person. Inquisitor Zenia Cham grew up with nothing, but she has distinguished herself as one of the most capable law enforcers in the city,

and she's next in line to become archmage of the temple. All she has to do is find the Eye of Truth, and her superiors are certain that Jev has it. He tries to charm her with his twinkling eyes and easy smile, but she's not letting any man get between her and her dreams. Especially not a thief. If Jev can't convince Zenia they're on the same side, find the artifact, and clear his name, his homecoming will turn into a jail sentence. Or worse.
