If you had a giraffe and he stretched another half ... you would have a giraffe and a half. And if you glued a rose to the tip of his nose ... And ... if he put on a shoe and then stepped in some glue ... And if he used a chair to comb his hair ... And so it goes until ... but that would be telling. Children will be kept in stitches until the very end, when the situation is resolved in the most riotous way possible. Shel Silverstein's incomparable line drawings add to the hilarity of his wildly funny rhymes.

The Missing Piece Meets the Big O HarperCollins

As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the

tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. When Sargent Singer discovers that the paintings in his father's gallery are alive, he is pulled into a captivating world behind the frame that he never knew existed. Filled with shady characters, devious plots, and a grand art heist, this inventive mystery-adventure celebrates art and artists and is perfect for fans of *Night at the Museum* and *Blue Balliett's Chasing Vermeer*. There's one important rule at the Beaverbrook Gallery—don't let anyone know the paintings are alive. Mona Dunn, forever frozen at thirteen when her portrait was painted by William Orpen, has just broken that rule. Luckily twelve-year-old Sargent Singer, an aspiring artist himself, is more interested in learning about the vast and intriguing world behind the frame than he is in sharing her secret. And when Mona and Sargent suspect shady dealings are happening behind the scenes at the gallery, they set out to find the culprit. They must find a way to save the gallery—and each other—before they are lost forever. With an imaginative setting, lots of intrigue, and a thoroughly engaging cast of characters, *The Frame-Up* will captivate readers of *Jacqueline West's The Books of Elsewhere*.

MAY I FEEL SAID HE is the third installment in Welcome's Art and Poetry Series, which celebrates the passions of life through unique pairings of words and art. Not intended for the immature, Cummings's poem is a sensually ecstatic tribute to love and the often humorous mating rituals of

men and women. When coupled with Chagall's dreamlike images of floating lovers, circus performers, and mythical animals, this erotically charged ode achieves a visual and physical dimension that reinforces its underlying themes of expression, joy, and fulfillment.
