Business Result Second Edition offers business professionals more communication and language practice than ever before, helping students develop relevant communication skills they can use immediately in the workplace.

Macmillan Elt

La 4e de couverture indique : "Business Benchmark Second edition is the official Cambridge English preparation course for BULATS. A pacy, topic-based course with comprehensive coverage of language and skills for business, it motivates and engages both professionals and students preparing for working life."

Student's book. / Mark Powell

MacMillan
Including work on email, fax and paper correspondence, this fourth edition is useful for those studying or working in business, commerce or administration who needs to correspond in English. It is also useful for learners at the lower-intermediate and intermediate levels, but more advanced learners who are unfamiliar with

business correspondence.

Cambridge University Press

"In Company is a fast-paced four-level business English course for professional adults who need to communicate in everyday business situations. It has established itself as the English course for professionals because of its immediate results through topic-based content, active skills, and real-world tasks that are instantly relevant to everyday business life development. In Company recognizes that students need to go beyond talking about their work in English: they need English skills that are immediately transferable to their day-to-day routine. Each lesson is a stand-alone fast-track unit to competence in a particular skill that students will need in their working life."--Editor.

Business Benchmark Second edition is the official Cambridge English preparation course for Cambridge English: Business Preliminary, Vantage and Higher (also known as BEC), and BULATS. A pacy, topic-based course with comprehensive coverage of language and skills for business, it motivates and engages both professionals and

students preparing for working life. The Business Preliminary Student's Book contains authentic listening and reading materials, including interviews with business people, providing models for up-to-date business language. Grammar and vocabulary exercises train students to avoid common mistakes, identified using Cambridge's unique collection of real exam candidates' answers. 'Grammar workshops' practise grammar in relevant business contexts. A BULATS version of this Student's Book is also available.
