Girls save the day in these ten entertaining and inspiring stories from around the world. Owl at Home Henry Holt Welcome to Owl's Cozy home in this classic Arnold Lobel I Can Read! Owl lives by himself in a warm little house. But whether Owl is inviting Winter in on a snowy night or welcoming a new friend he meets while on a stroll, Owl always has room for visitors! Arnold Lobel's

beloved Level 2 I Can Read classic was created for kids who read on their own but still need a little help. Whether shared at home or in a classroom, the engaging stories, longer sentences, and language play of Level Two books are proven to help kids take their next steps toward reading success. The classic Frog and Toad stories by Arnold Lobel have won numerous awards and honors,

including a Newbery Honor, a Caldecott Honor, ALA Notable Children's Book, Fanfare Honor List (Horn Book), School Library Journal Best Children's Book, and Library of Congress Children's Book. *Memoirs of an Imaginary Friend* HarperCollins Esperanza Rising joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive

bonus content! Esperanza thought she'd always live a privileged life on her family's ranch in Mexico. She'd always have fancy dresses, a beautiful home filled with servants, and Mama, Papa, and Abuelita to care for her. But a sudden tragedy forces Esperanza and Mama to flee to California and settle in a Mexican farm labor camp. Esperanza isn't ready for the hard work, financial struggles brought on by	the Great Depression, or lack of acceptance she now faces. When Mama gets sick and a strike for better working conditions threatens to uproot their new life, Esperanza must find a way to rise above her difficult circumstances -because Mama's life, and her own, depend on it. <u>The Silence of the Lambs</u> Historias Cortas Para Noches L En Historias de Bruja, Gnomo y Duende,	Tomás Adrián narra seis graciosas y ocurrentes aventuras de estos tres simpáticos personajes que se parecen mucho a ti. Descubre junto a ellos el valor de la amistad, la tolerancia, el reconocimient o y la paciencia de una forma poco convencional. Acompáñalos en sus aventuras y disfrutas con ellos el encanto de ser niños. En esta ocasión, se incluyen las historias: Gato

--	--	---

Portraits and Observations, and The Complete Stories Truman Capote's masterpiece, In Cold Blood, created a sensation when it was first published, serially, in The New Yorker in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events. Poems Open Road Media A literary sensation and runaway bestseller, this brilliant debut novel tells with seamless authenticity and exquisite

lyricism the true confessions of one of Japan's most celebrated geisha. Nominated as one of America's best-loved novels by PBS's The Great American Read Speaking to us with the wisdom of age and in a voice at once haunting and startlingly immediate, Nitta Sayuri tells the story of her life as a geisha. It begins in a poor fishing village in 1929, when,

as a nine-year-old girl with unusual blue-gray eyes, she is taken from her home and sold into slavery to a renowned geisha house. We witness her transformation as she learns the rigorous arts of the geisha: dance and music; wearing kimono, elaborate makeup, and hair; pouring sake to reveal just a touch of inner wrist; competing with a jealous rival for men's solicitude and the money

that goes with it. In *Memoirs of a Geisha*, we enter a world where appearances are paramount; where a girl's virginity is auctioned to the highest bidder; where women are trained to beguile the most powerful men; and where love is scorned as illusion. It is a unique and triumphant work of fiction—at once romantic, erotic, suspenseful—and completely unforgettable.

## City of the Beasts

Penguin  
Another sweet, classic bedtime tale from Arnold Lobel, the beloved author and illustrator of the Newbery Honor and Caldecott Honor award-winning Frog and Toad books. When Papa's seven little mouse boys ask for a bedtime story, Papa does even better than that—he tells seven stories, one for each boy! Arnold Lobel's Mouse Tales is a Level Two I Can Read

book, geared for kids who read on their own but still need a little help. Whether shared at home or in a classroom, the engaging stories, longer sentences, and language play of Level Two books are proven to help kids take their next steps toward reading success. Transformatio ns Vintage "You might have trouble imagining life without your social media accounts, but virtual reality pioneer Jaron Lanier insists

that we're better off without them. In Ten Arguments for Deleting Your Social Media Accounts Right Now, Lanier, who participates in no social media, offers powerful and personal reasons for all of us to leave these dangerous online platforms"-- *Historias de Bruja, Gnomo Y Duende: Libro de Cuentos* ABDO THE DEFINITIVE EDITION • Discovered in the attic in which she

spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. “The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.” —The New York Times Book Review In 1942, with Nazis occupying

Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined

quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

<p><u>Microbe Hunters</u> Penguin UK First published in 1927. <u>The House of Ulloa</u> Courier Dover Publications This rich and unforgettable story of sexual intrigue and political scheming, written by the Spanish feminist and intellectual Emilia Pardo Bazan, deserves recognition as one of the great nineteenth-century novels. The House of Ulloa follows pure and pious Father Julián</p>	<p>Alvarez, who is sent to a remote country estate to put the affairs of the marquis, an irresponsible libertine, in order. When he discovers moral decadence, cruelty and corruption at his new home, Julián's well-meaning but ineffectual attempts to prevent the fall of the House of Ulloa end in tragedy. The House of Ulloa is the finest achievement of Emilia Pardo Bazán, a prolific writer,</p>	<p>feminist, traveller and intellectual, and one of the most dynamic figures of her time. Fans of Zola or Hardy will enjoy the novel's rich naturalism, which combines gothic elements with evocative descriptions of Spanish customs and the countryside. At the same time, the novel evokes the social comedy of a Dickens or Thackeray with its biting social satire, frank exposure of</p>
--	--	--

sexual mores, and gentle mockery of its innocent hero-priest.

### **Birds**

**without a Nest** Harper Collins George Orwell's Nineteen Eighty-Four is unquestionably the most famous dystopian novel of all times. Written in the year of 1948, the author swapped the last two digits while describing a future totalitarian society where the minds, attitudes and actions of the

subjects are thoroughly scrutinized by the "Thought Police", suspected dissidents tracked down and where the worship of the mythical party leader Big Brother is forced upon the masses. The low-ranking party member Winston Smith begins secretly to question the whole system and initiates a forbidden love affair with another party member. [Sophie's World](#) Knopf Books for Young Readers

White Fang is a novel by American author Jack London and the name of the book's eponymous character, a wild wolf-dog. Much of White Fang is written from the viewpoint of the titular canine character, enabling London to explore how animals view their world and how they view humans. White Fang examines the violent world of wild animals and the equally violent world of humans.

The book also explores complex themes including morality and redemption. The story begins before the three-quarters wolf-dog hybrid is born, with two men and their sled dog team on a journey to deliver a coffin to a remote town named Fort McGurry in the higher area of the Yukon Territory, Canada. The men, Bill and Henry, are stalked by a large pack of starving wolves over the course of

several days. Finally, after all of their dogs and Bill have been eaten, four more teams find Henry trying to escape from the wolves; the wolf pack scatters when they hear the large group of people coming. The story then follows the pack, which has been robbed of its last prey. When the pack finally brings down a moose, the famine is ended; they eventually split up, and the story now

follows a she-wolf and her mate, One Eye. The she-wolf gives birth to a litter of five cubs by the Mackenzie River, and all but one die from hunger. One Eye is killed by a lynx while trying to rob its den for food for the she-wolf and her cub; his mate later discovers his remains near the lynx's den. The surviving cub and the she-wolf are left to fend for themselves. Shortly afterward, the she-wolf kills all the lynx

kittens, prompting the lynx to track her down, and a vicious fight breaks out. The she-wolf eventually kills the lynx but suffers severe injury; the lynx carcass is devoured over a period of seven days.

**Abuela Sophia No Puede Dormir** Anaya Editores  
Un manual es una publicación escrita que aborda aspectos fundamentales sobre un tema. En este manual, el tema

fundamental es: cómo enfrentar las criaturas mágicas que viven a nuestro alrededor. Una criatura mágica, debes saberlo, es un ser vivo como tú y como yo. Algunos son muy inteligentes y en sus pensamientos habitan todo tipo de malas intenciones. En ellas hierve la maldad. Son nocivas y peligrosas. En otras, muy pocas, existe el deseo incontrolable de pasar desapercibidas. Sin importar

cual tipo de criatura mágica quieras enfrentar, en este manual hallarás todo tipo de estrategias para reconocerlo y protegerte. Consulta las divertidas páginas de este manual diseñado para ti. Y toma, con tiempo, las previsiones necesarias antes de que sea muy, muy tarde, y una criatura mágica te tome desprevenido. La Colección Canela & Chocolate, Historias

cortas para noches largas, está dedicada en exclusiva a lectores entre los 7 y 11 años de edad. La misma resume los primeros trabajos escritos por este autor entre 2000 y 2016. Para conformar la selección de títulos de esta primera etapa, Tomás Adrián ha revisado y ampliado aquellos libros que hasta hace poco permanecían inéditos y en busca de editor. Los mismos representan el

esfuerzo inicial de todo escritor por definir el ritmo y estilo que habrán de caracterizarlo y materializar su sello personal. En sus páginas encontrarás personajes únicos, traviesos e inteligentes tan comunes como tú o como yo viviendo situaciones inesperadas y fascinantes. Todo condimentado con una fina dosis de humor, argumentos excitantes, gran imaginación y

respeto por la buena literatura. La colección presenta todos los títulos disponibles en un único formato de diseño simple, maquetado en color blanco y sin ilustraciones. Con la compra de cualquiera de los títulos impresos en tapa blanda podrás solicitar completamente gratis la versión del mismo título en digital. Estos son los títulos de la Colección Canela & Chocolate, en
