The Work of the Pastor

Baker Publishing Group
Modern worship
leaders are restless.
They have inherited a
model of leadership
that equates leading
worship with being a
rock star. But leading
worship is more than a
performance, it's about
shaping souls and
making disciples. Every
worship leader is really
a pastor. The Worship
Pastor is a practical
and biblical
introduction to this
essential pastoral role.
Filled with engaging,
illustrative stories it is
organized to address
questions of theory
and practice, striving
to balance
conversational
accessibility with
informed instruction.
Part One presents a
series of evocative
"vignettes"--intriguing
and descriptive titles
and metaphors of who

a Worship Pastor is and
what he or she does. It
shows the Worship
Pastor as Church-
Lover, Disciple Maker,
Corporate Mystic, and
Doxological
Philosopher. Part Two
covers specific roles
related to ministry
within the worship
service itself--the
Worship Pastor as
Theological Dietician,
Caregiver, Mortician,
Emotional Shepherd,
War General, Prophetic
Guardian, Missional
Historian, and
Liturgical Architect.
Part Three looks at
ministry beyond the
worship service--the
Worship Pastor as
Visionary Teacher,
Evangelist, Artist
Chaplain, and Team
Leader. While some
worship leaders are
eager to embrace their
pastoral role, many are
lost and confused or

lack the resources of time or money to figure out what this role looks like. Pastor Zac Hicks gives us a clear guide to leading worship, one that takes the pastoral call seriously.

InterVarsity Press
Old, Mohler, Clowney, Godfrey, Horton, and others write on the Bible and worship, elements of worship, preparing for worship, and worship, history and culture. "This book," Phil Ryken writes in the introduction, "is for everyone who loves to worship God."

The Worship Pastor

Is it singing? A church service? All of life? Helping Christians think more

theologically about the nature of true worship, Rhythms of Grace shows how the gospel is all about worship and worship is all about the gospel. Mike Cosper ultimately answers the question: What is worship?

Christ-Centered Worship Letting the Gospel Shape Our Practice
Highly regarded preacher and teacher Bryan Chapell shows readers how he has prepared expository sermons according to the principles he developed in his bestselling Christ-Centered Preaching. This companion volume provides concrete examples of how a redemptive approach to Scripture is fleshed out in

various types of sermons and various genres of the Bible. The example sermons not only demonstrate different approaches but also are analyzed for pedagogical purposes, helping readers move from theory to practice. In essence, the book allows students and preachers to look over Chapell's shoulder as he prepares these messages to learn how to construct their own expository sermons that communicate grace and truth from both the Old and New Testaments.

*Christ-Centered
Conflict Resolution*

Wipf and Stock

Through careful exegesis in both Old and New Testaments, David Peterson unveils the total life-

orientation of worship that is found in Scripture. Rather than determining for ourselves how we should worship, we, his people, are called to engage with God on the terms he proposes and in the way he alone makes possible.

**Leading Others to
Encounter the
Greatness of God**

Baker Academic
Is God missing from our worship? Obstacles to true worship are not about contemporary or traditional music, electronic gadgetry or seeker sensitivity. Rather it is the habits of mind and heart, conditioned by our surrounding culture, that hinder our faith in the real presence of the transcendent God among his people. Sensing a real need for renewal, John Jefferson

Davis offers a theology of worship that uncovers the most fundamental barriers to our vital involvement in the worship of our holy God. His profound theological analysis leads to fresh and bracing recommendations that will be especially helpful to all those who lead worship or want to more fully and deeply encounter the glory and majesty of God. *Rejoicing in the Gospel on Your Big Day* InterVarsity Press

Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for

you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life. Created for Worship Crossway

Insightful and heart-warming, this classic book is written for

those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

The Hardest Sermons You'll Ever Have to Preach Crossway

The church's worship has always been shaped by its understanding of the gospel. Here the bestselling author of Christ-Centered Preaching brings biblical and historical perspective to discussions about worship, demonstrating that the gospel has shaped key worship traditions and should shape today's worship as well. This accessible and engaging book provides the church with a Christ-centered

understanding of worship to help it transcend the traditional/contemporary worship debate and unite in ministry and mission priorities. Contemporary believers will learn how to shape their worship based on Christ's ministry to and through them. The book's insights and practical resources for worship planning will be useful to pastors, worship leaders, worship planning committees, missionaries, and worship and ministry students.

Drawing on a lifetime of pastoral experience, *The Care of Souls* is a beautifully written treasury of proven wisdom which pastors will find themselves turning to again and

again. Harold Senkbeil helps remind pastors of the essential calling of the ministry: preaching and living out the Word of God while orienting others in the same direction. And he offers practical and fruitful advice—born out of his five decades as a pastor—that will benefit both new pastors and those with years in the pulpit. In a time when many churches have lost sight of the real purpose of the church, *The Care of Souls* invites a new generation of pastors to form the godly habits and practical wisdom needed to minister to the hearts and souls of those committed to their care.

Cancer. Suicide. The death of a child. As much as we wish we could avoid tragedies like these, eventually they will strike your church community. When they do, pastors must be ready to offer help by communicating the life-changing message of the gospel in a way that offers hope, truth, and encouragement during these difficult circumstances. Those asked to preach in the midst of tragedy know the anxiety of trying to

say appropriate things from God's Word that will comfort and strengthen God's people when emotions and faith are stretched thin. This indispensable resource helps pastors prepare sermons in the face of tragedies by providing suggestions for how to approach different kinds of tragedy, as well as insight into how to handle the theological challenges of human suffering. Each topic provides a specific description of the context of the tragedy, the key concerns that need to be addressed in the message, and an outline of the approach taken in the sample sermon that follows. Topics addressed include: abortion; abuse; responding to national and community tragedies;

the death of a child; death due to cancer and prolonged sickness; death due to drunk driving; drug abuse; and suicide. Bryan Chapell, author of Christ-Centered Preaching, has gathered together messages from some of today's most trusted Christian leaders including: John Piper, Tim Keller, Michael Horton, Jack Collins, Dan Doriani, Jerram Barrs, Mike Khandjian, Robert Rayburn, Wilson Benton, Bob Flayhart, and George Robertson. Each chapter provides you with the resources you need to communicate the life-giving hope of the gospel in the midst of tragedy. In addition, the appendices provide further suggestions of biblical texts for addressing various

subjects as well as guidance for conducting funerals.

How the Church's Worship Tells the Story of the Gospel

Baker Books

In *Let the Little Children Come*, Scott Aniol strives to convince church leaders and parents that children best grow into faithful, mature worshipers of Jesus Christ when they are led to Jesus by their parents in the context of intergenerational church gatherings and in daily worship at home. In Part 1, Scott presents biblical and theological reasons

families should worship together both on Sundays and the other six days too, addressing common objections and suggesting some practical ways family worship might be recovered. In Part 2, Scott then offers practical tips and myriads of resources for engaging children in church worship as well as family worship at home.

Sitting Beneath the Gospel's Joyful Sound

Wipf and Stock Publishers

With the many models of worship available, choosing a style to worship God can be a bit overwhelming. Is it better to go with traditional or contemporary models? Christians may find themselves asking how early believers

worshiped and whether they can provide insight into how we should praise God today. Rooted in historical models and patristic church studies, Ancient-Future Worship examines how early Christian worship models can be applied to the postmodern church. Pastors and church leaders, as well as younger evangelical and emerging church groups, will find this last book in the respected Ancient-Future series an invaluable resource for authentic worship.

Have you ever noticed that conflict is absolutely everywhere? Though we all want harmony in our relationships and our world, peace seems so hard to come

by. Maybe for you, conflict looks like the latest culture war that relentlessly screams at you to pick a side, and you're tired of all the fighting. Or perhaps it takes another shape, like a hot-tempered spouse, rebellious child, passive-aggressive friend, difficult church member, withdrawn roommate, or angry social media comment. No matter its form, conflict always finds us. And often, we let it overtake us. In this short, biblical, and practical book, pastor and author Tony Merida shows us that it doesn't have to be this way. Merida not only paints a stunning picture of Christ our Peacemaker, he also shows us how to stop wishing for peace and go make it. In these

pages, Tony will help you: Discover where conflicts come from Realize conflicts don't have to define you, scare you, or undo you Stop allowing your relationships simmer in a place of division, anger, or strife Understand the pattern and power of Christ as the ultimate Peacemaker Tap into the Spirit's supernatural ability to change you in the midst of your conflicts Learn how to overcome evil with good Anticipate conflicts and resolve them in biblical, Christ-centered ways Stop waiting for peace to "hopefully" come to your doorstep. Instead, in the power and strength God provides, become a person who can make the peace you so deeply desire,

and watch your relationships transform.

Rediscovering the

Drama of God-Centered Worship
Baker Academic
Worship is dialogue. It is more than that, but it is not less than that. The way Baptists have worshiped for three and a half centuries demonstrates this consistently, in spite of their penchant for freedom and autonomy. No one tells Baptists how to order their worship services. They don't have a common liturgy that they must follow, and yet their services look remarkably similar. This is largely due to two controlling factors in their worship: The Bible that they embrace as inspired, inerrant, authoritative, and sufficient; and the Christ-revealing gospel that is contained within its pages. When the word of God is followed

closely, a shape for worship order begins to emerge. It is the same "gospel-shape" that is found throughout the Bible. When the word of God is applied to a worship service in which God and his people are engaged in a worship conversation, a consistent contour of gospel elements and content begins to emerge that reveals the glory of the Christ we gather to worship. He is so glorious that when we behold him, we are transformed into the same image from one degree to another. This is the power of corporate worship (2 Cor 3). [A Christ-Centered Wedding](#) Inter-Varsity Press
This resource redirects the debate over worship styles to the

core issue: a biblical understanding of what corporate worship really is. In three sections, the author examines elements necessary to genuine worship, the biblical definition and examples of worship, and practical strategies for planning corporate worship. It also includes a timeline of the history of corporate worship and a list of resources.

Cultivating a Pastor's Heart

Lulu.com

Why do you lead worship? Often the motives are mixed. You find yourself wanting to point people to Jesus but also feeling a desire to be noticed and praised, to make yourself the center of attention. Stephen Miller is the worship pastor for a large

church of young, energetic Christians. He and his band record albums and lead worship for conferences all over the country. He knows the temptation to make himself the show, to pursue fame, to seek the applause of other people. And he has learned to want nothing to do with it. In this book, Miller exhorts his fellow worship leaders to make Jesus the center of all their efforts. He teaches how to do this with Scripture, teaching, prayer, story, and song. In all, Miller's call for worship leaders is to lead worship, whole-hearted and whole-minded exalting of God, rather than making a spectacle out of it. *Worship Leaders, We're Not Rock Stars* will encourage and

challenge worship
leaders by clarifying
their purpose and

identity, and by doing
so will bless those they
lead.
