Training to Teach in the Learning and Skills Sector Axzo Press

Herea s a card almost everyone can use, given the countless Windows XP computers in use. Basic topics teach you to use keyboard shortcuts and the Start menu, search for files, manage the desktop, and use the taskbar. Advanced topics cover managing files, managing user accounts, using System Restore, using the Internet, and working with images. The quick reference describes many of the shortcut (right-click) menus, as well as the Start menu, grouped taskbar buttons, My Computer window, and the task links for the printer, My Pictures, and My Network Places. Top

Productivity Tips and Solutions provide steps for several other common tasks. Need a Custom Solution? All of our quick-reference guides can be branded or customized to meet your organization's needs. We can add your company logo, corporate colors, help desk information, or tailor the content to meet your requirements. The process is simple and easy. Minimum order 1000 guides. This CourseCARD is also available in the following languages: - French - German - Spanish All Axzo Press localized CourseCARDS can be purchased in printed form or licensed in PDF format. And like our English-language cards, they can be customized to create the perfect quick-reference solution for your organization. For more information about customized and localized CourseCARDS, please contact your sales representative or call customer service at 888-534-5556.

Course Ilt A+ Certification Crisp Pub Incorporated

This book covers the psychology of teaching and learning and focuses on applying up-to-date, as well as traditional, theory in the classroom. It covers a range of issues that most concern the new teacher, written clearly and at an appropriate level. Highly accessible and contemporary, The Psychology of Learning and Teaching covers newer modular theories and their implications for learning styles.
