Examines Katherine Mansfield's engagement with the First World War and its impact on her

writings. This special issue of *Katherine Mansfield Studies* is in remembrance of the centenary of one of the most significant events of the modernist period. Like the reclamation of women's war writings that we have already seen in relation to Virginia Woolf and others, Mansfield's literary response to the key political event of her time is fundamental to our understanding of her developing writerly style. It is in her responses to the war that we find a 'political Mansfield', and the articles in this volume provide us with a greater appreciation of Mansfield in her socio-historical context. In offering new readings of Mansfield's explicit and implicit war

stories, the contributions to this volume refine and extend our knowledge of particular stories and their genealogy. They illuminate the specific and more general influences of the war on Mansfield's evolving technique and, jointly, they reveal the importance of the war on her literary language, as well as for her own particular brand of modernism. This volume helps develop our ideas of what constitute war writings and, in so doing, expands the scope of Mansfield scholarship and the field of First World War studies. *The Collected Stories of Katherine Mansfield* Edinburgh University Press

A brilliant modernist classic--now available for the first time in a stand-alone edition This dreamy, formally audacious story of a summer's day in the life of one family is a small masterpiece by Katherine Mansfield, hailed as "one of the great modernist writers. Virginia Woolf said of Mansfield, hers was "the only writing I have ever been jealous of." A modernist master of cool precision and extraordinary delicacy, Mansfield wrote about family life with a sharp

radicalism, and *At the Bay* is one of her greatest works. Told in thirteen parts, beginning early in the morning and ending at dusk, *At the Bay* captures both the Burnell family's intricate web of relatives and friends, and the dreamy, unassuming natural beauty of Crescent Bay. Haunting but ever understated, *At the Bay* is as timeless novella, and a testament to Mansfield's remarkable powers.

Mansfield with Monsters G Pearce Henry is naive and has never experienced love. When he meets golden-haired Edna in a train carriage, however, his world changes forever. But the intensity of their feelings threatens their

innocence, and Edna knows she is too young to leave her childhood behind. United by the theme of love, the writings in the *Great Loves* series span over two thousand years and vastly different worlds. Readers will be introduced to love's endlessly fascinating possibilities and extremities: romantic love, platonic love, erotic love, gay love, virginal love, adulterous love, parental love, filial love, nostalgic love, unrequited love, illicit love, not to mention lost love, twisted and obsessional love...

This book attempts to analyze a major part of Mansfield's fiction, concentrating on an analysis of the various textures, themes, and issues, plus the point of view virtuosity that she accomplished in her short lifetime (34 years). Many of her most famous works, such as "Prelude" and "Bliss," are explicated, along with many of her

less famous and unfinished stories.

The Stranger Read Books Ltd

A revisionist study of Mansfield as a profoundly colonial yet daringly experimental writer, at the forefront of modernism. The essays in this volume draw on the complete journals, letters and stories, to reveal Mansfield as a modernist who transcended her artistic influences through a supreme understanding of voice, being and subjectivity.

'Although Bertha Young was thirty she still had moments like this when she wanted to run instead of walk, to take dancing steps on and off the pavement, to bowl a hoop, to throw something up in the air and catch it again, or to stand still and laugh at - nothing - at nothing, simply.'

Katherine Mansfield's perceptive and resonant writing helped to define the modern short story, observing apparently

trivial incidents to create quietly devastating revelations of inner lives. In these three tales, aglow with light and colour, Mansfield describes an exultant epiphany, fading memories and the unspoken, half-understood emotions that make up everyday existence. This book includes *Bliss*, *The Daughters of the Late Colonel* and *The Doll's House*.

Focusing on the unsolved murder of teenage girl, this literary novel offers insights into gender, class and privilege in Seoul, and marks the English-language debut for award-winning Korean author, Kwon Yeo-sun. The Garden Party & The Fly Popular Press Innovative, startlingly perceptive and aglow with colour, these

fifteen stories were written towards the end of Katherine Mansfield's tragically short life. Many are set in the author's native New Zealand, others in England and the French Riviera. All are revelations of the unspoken, half-understood emotions that make up everyday experience - from the

blackly comic 'The Daughters of the Late Colonel', and the short, sharp sketch 'Miss Brill', in which a lonely woman's precarious sense of self is brutally destroyed, to the vivid impressionistic evocation of family life in 'At the Bay'. 'All that I write,' Mansfield said, 'all that I am - is on the borders of the sea. It is a kind of playing.'
