This is one of the many inspiring books from the renowned "Motivator" Dr. G. Francis Xavier. Evidently, this harvest of stories has been gleaned from lands he visited and books he read. Xavier, who conducts full-house personal growth courses has brought out this compendium in an interactive form, making the reader give the answers at the end of the story, which is a novel approach. Stories and examples are the best way to inspire, and this volume can be gifted to anyone. It is useful for preachers, speakers and teachers. The book appeals to readers of all ages except the morose and irredeemable negaholics (negative thinking addicts) and anti-reading teenagers. It has stories to inspire and promises uninterrupted chuckles till the end. There are also quotations on success.

MAHATMA JYOTIRAO PHULE- english All India Radio (AIR),New Delhi

"..... It is a very difficult task to write a biographical novel. In order to ensure the right balance of facts with creative liberty, the author needs to have the skills of a good biographer, as well as, a novelist. A biographer is a researcher and collector of memories; whereas, a novelist is mainly a dreamer who can spin stories out of nothingness. But, the author of a biographical novel needs to be an amalgamation of both, creativity and fact-finding, both. S/he needs to diligently record all the facts related to the protagonist's life. Even though s/he may take creative liberty while writing the novel, it cannot be forgotten that finally it is a 'biography', which must do justice to the happenings in the protagonist's life. Dates, timelines, family members, enemies, relations, important incidents etc., need to be mentioned properly, without taking them into the ambit of creative liberty. Only after doing so much preparation does a novelist become set to write a good biographical novel. What prompts a biographer to turn a person's life account into a novel, instead of taking the easy

route and narrating his/her story in a straight way? It is the excitement of interspersing an author's gift of imagination and ingenuity with the actualities of the protagonist's life. However, it is a tightrope walk to be able to exercise one's creative abilities, while staying true to the researcher within. Only the perfect alchemy of both these factors can result in an excellent biographical novel." - M.W. Dhond An inspirational biographical novel about the life, times, personality, and revolutionary thoughts of the great man, Jyotirao Phule: 'MAHATMA'

Stories, Fictional stories, Fictional love stories, Freindship stories, Friendship story books, True girlfriend stories, True friendship stories, *Inspiration & Motivational Short Stories for Your Success (Part II Wiesbaden : Harrassowitz* It was my intention to publish this third volume of the 'Knit India through Literature' project, compiling works from Konkani, Marathi, Gujarati and Sindhi languages which are spoken in Western India, in the year 2002. There are three primary reasons why this did not happen. The first reason was that I was actively involved in serialising my novels on Madras Doordarshan and Sun TV, which were received very well by the public and even won the Best Serial awards. With a view to adding to the glory of the Tamil language, I went about the task of compiling the best short stories of sixty senior Tamil writers, the unique feature of which was that the short stories were selected as their best by the respective writers themselves, and publishing them in two volumes. This is the second reason. There is yet another reason, which I shall come to later. Although both the earlier mentioned tasks were accomplished in a most satisfactory manner, I was really unhappy because my attention was diverted and that resulted in the progress of the 'Knit India through Literature' project being delayed. Anyway, the last two years events have proved to me that my decision not to write fiction, which would certainly divert and occupy my time, for the past ten years, ever since I started work on the 'Knit India through Literature' project, is indeed right. However, at this juncture when this volume compiling the Western languages is ready for release, it heartens me that I have already finished my interviews with the Punjabi writers and begun preliminary work on the Kashmiri language as well. This gives me hope that my volume on the North Indian languages will be released as per schedule. As I sit down to write the preface for this volume, my thoughts go back to the pain of a loss - the sad and sudden demise of Sri. G.K. Moopanar - that I suffered two years ago. It was the Late G.K. Moopanar who was a great source of encouragement to me and proclaimed at the launch of the 'Knit India through Literature' project, that my victory was his own. His support was not merely verbal and in fact he supported the publishing of the first volume of 'Knit India through Literature' financially and also bought three hundred copies of the volume and distributed them to school libraries at free of cost. I wish to acknowledge his contribution at this stage and also pray that his blessings will help me bring out the fourth volume successfully too. I have already elaborated in the prefaces to the earlier volumes, the difficulties encountered in going and meeting the different language writers in their own homes, interviewing them and then transcribing the tapes. Differences in pronunciation and other problems caused a few factual errors to creep in when the volume on the eastern languages was published and this was pointed out by the concerned writers. In order to avoid this. I made it a point to send the compiled interviews to the concerned writers requesting them to check for factual errors. Most of the writers were gracious enough to respond to the request immediately and sent back the corrected interviews at the earliest. This is the most important third reason for the delay in this volume being published. Of the writers whom I met in Western India, the affection and care displayed by the Konkani and the Gujarati writers is truly unique. Having realised that it was quite expensive to have to travel to each state atleast thrice or four times, the Konkani writers invited me to attend a literary meet organised at Goa and address the gathering. Senior Oriya writer 'Manoj Das' information filled foreword lends to the quality of this volume. I would like to express my heartfelt thanks to him and all others who have supported me and extended their co-

operation in the publication of this volume. - Sivasankari CHENNAI August 2003

Inspiring Accounts of Fearless Revolutionaries Laxmi Book Publication

The gripping story of an explosive turning point in the history of modern India On the night of June 25, 1975, Indira Gandhi declared a state of emergency in India, suspending constitutional rights and rounding up her political opponents in midnight raids across the country. In the twenty-one harrowing months that followed, her regime unleashed a brutal campaign of coercion and intimidation, arresting and torturing people by the tens of thousands, razing slums, and imposing compulsory sterilization on the poor. *Emergency Chronicles* provides the first comprehensive account of this understudied episode in India's modern history. Gyan Prakash strips away the comfortable myth that the Emergency was an isolated event brought on solely by Gandhi's desire to cling to power, arguing that it was as much the product of Indian democracy's troubled relationship with popular politics. Drawing on archival records, private papers and letters, published sources, film and literary materials, and interviews with victims and perpetrators, Prakash traces the Emergency's origins to the moment of India's independence in 1947, revealing how the unfulfilled promise of democratic transformation upset the fine balance between state power and civil rights. He vividly depicts the unfolding of a political crisis that culminated in widespread popular unrest, which Gandhi sought to crush by paradoxically using the law to suspend lawful rights. Her failure to preserve the existing political order had lasting and unforeseen repercussions, opening the door for caste politics and Hindu nationalism. Placing the Emergency within the broader global history of democracy, this gripping book offers invaluable lessons for us today as the world once again confronts the dangers of rising authoritarianism and populist nationalism.

The most fundamental subject of music scholarship provides the common focus of this volume of essays: music itself. For the distinguished scholars from the field of musicology and related areas of the humanities and social sciences, the search for music itself—in its vastly complex and diverse forms throughout the world—characterizes the lifetime of reflection and writing by Bruno Nettl, the leading ethnomusicologist of the past generation. This *Thing Called Music: Essays in Honor of Bruno Nettl* salutes not only a great scholar and beloved teacher, but also a thinker whose search for the meaning and ontology of music has exerted a global influence. Editors Victoria Lindsay Levine and Philip V. Bohlman have gathered essays that represent the many dimensions of musical meaning, addressing some of the most critically important areas of music scholarship today. The social formations of musical communities play counterpoint to analytical studies; investigations into musical change and survival connect ethnography to history, offering a collection of essays that can serve as an invaluable resource for the intellectual history of ethnomusicology. Each chapter explores music and its meanings in specific geographic areas—North and South America, Europe, Asia, and the Middle East—crossing the boundaries of genre, repertory, and style to provide insight into the aesthetic zones of contact between and among the folk, classical, and popular musics of the

world. Readers from all disciplines of music scholarship will find in this collection a proper companion in an era of globalization, when the connections that draw musicians and musical practices together are more sweeping than ever. Chapters offer models for detailed analysis of specific musical practices, while at the same time they make possible new methods of comparative study in the twenty-first century, together posing a challenge crucial to all musicians and scholars in search of “this thing called music.”

I have great pleasure in placing the report of One Day National Seminar on Forgotten Heroes: Stories of Unsung Heroes, Freedom Fighters”. The background of this National Seminar, undertaken with the financial assistance of Indian Council of Social Science Research, New Delhi under the aegis of Azadi Ka Amrit Mahotsav, an initiative of the Government of India to celebrate and commemorate 75 years of independence and the glorious history of its people, culture and achievements. The Seminar attempted to recall and remember forgotten Heroes of our freedom movement, many of whom might be renewed yet unknown to the new generation. The aim of recalling and bringing forth stories, which lay as faded memories of the past, shall serve as a medium of inspiration and encouragement for the coming generations. The spirit of India is incomplete whilst we atke our unsung heroes along this journey of growth and development. Their ethos and principles ought to be recalled and respected. Thanks are primarily due to financial support by Indian Council of Social Science Research, New Delhi and their constant support during the whole process. I am also highly thankful to Convener, Debates and Seminar Committee of Government Degree College Tral who provided all kind of support in organising this national seminar. I am also highly thankful to other colleagues who supported me during this event. Dr. M.Shafi Bhat

Partridge India has released a book of poems, *Drifting Emotions and Flowering Thoughts* authored by Usha Raman. It is a lyrical celebration of experiences. Another book are leaves from the 1960s which springs into *Ripples Roping Memories*, a fiction radiating into experiences. Walking to school with a school bag on her shoulder, Rani gazes at her surroundings and findings and revels in her sweet and resents her bitter experiences. Rani makes a comment about doctors. I considered doctors as healers who could mend peoples bodies. Doctors can drive away disease and pain. I revered them.

True Girlfriend - One True Friendship Story Book Bazooka Publication

Ability is an important tool in life. Ability without commitment and awareness is like a vehicle without the engine. The Shiva Sutra enhances one’s awareness in a way one sees an opportunity in a difficulty and not a difficulty in an opportunity. There is an ‘outside reality’ and an ‘inside reality’ of one’s mind. There is also another dimension called ‘spiritual reality’. To harmonize all of them is a great awakening. Ordinary being loves one’s own ‘psycho dramas’ of justification, proving one’s point of view, blaming, being helpless... and this leads one to a state of inner poverty. To free oneself from these lower states of poverty and see them as ‘errors in one’s thinking’ is part of being effective and experiencing inner prosperity. The profound teaching of Lord Shiva introduces us to A Bigger Container where one learns to be charitable to one’s own self. This practice of making A Bigger Container is essentially spiritual. Dive deep into these mystic teachings. —Swami Sukhabodhananda
