## ANDREWS BAILEE

### Mastering Mathematics for Edexcel GCSE Hachette UK

Exam Board: Edexcel Level: IGCSE Subject: Biology First Teaching: September 2017 First Exam: Summer 2019 Develop your students' scientific thinking and practical skills with this second edition, fully updated to match the new 2017 specifications. - Build students' knowledge with in-depth yet accessible scientific content - Test understanding with study questions throughout the book - Prepare students for the exam with sample answers and expert comments plus exam-style questions for every section - Build practical skills with coverage of all required practicals plus further suggested experiments - Develop mathematical skills with maths explanations and questions throughout - Answers to all activities freely available online

*Igcse Mathematics for Edexcel* Hodder Education

A new series of bespoke, full-coverage resources developed for the 2016 GCSE Computer Science qualifications. Written for the OCR GCSE Computer Science specification for first teaching from 2016, this print Student Book uses an exciting and engaging approach to help students build their knowledge and master underlying computing principles and concepts. Designed to develop computational thinking, programming and problem-solving skills, this resource includes challenges that build on learning objectives, and real-life examples that demonstrate how computer science relates to everyday life. Remember features act as revision references for students and key mathematical skills relevant to computer science are highlighted throughout. A digital Cambridge Elevate-enhanced Edition and a free digital Teacher's Resource are also available.

### Edexcel International GCSE Physics Student Book Second Edition Hodder Education

A new series of bespoke, full-coverage resources developed for the 2015 GCSE Mathematics qualifications. Endorsed for the OCR J560 GCSE Mathematics Foundation tier specification for first teaching from 2015, this Problem-solving Book contains a variety of questions for students to develop their problem-solving and reasoning skills within the context of the new GCSE curriculum. Suitable for all Foundation tier students, this resource will stretch the more able and provide support to those who need it. Questions with worked solutions will help students develop the reasoning, interpreting, estimating and communication skills required to help them effectively solve problems. Encouraging progression by promoting higher-level thinking, our Problem-solving Books will help prepare students for further study.

*GCSE Mathematics for Edexcel Higher Homework Book* Oxford University Press

This Student Book has been developed specifically for the Edexcel GCSE (9-1) Design and Technology.

*ICT for GCSE* Pearson UK

IGCSE Mathematics for Edexcel, 2nd edition has been updated to ensure that this second edition fully supports Edexcel's International GCSE Specification A and the Edexcel Certificate in Mathematics. Written by an experienced examiner, teacher and author, this is the perfect resource for Higher Tier students. Each chapter starts with key objectives and a starter activity to introduce students to the content, and the straightforward explanations, worked examples and practice questions which follow cover every type of problem students are likely to face in their final exam. 'Internet challenges' also ensure regular and integrated use of ICT. The book is accompanied by an interactive CD-ROM, which includes a digital version of the book, answers to all the questions and Personal Tutors to accompany every topic. Personal Tutors are interactive audio-visual presentations of worked examples which help students consolidate their learning. This Student's Book is accompanied by IGCSE Mathematics Practice for Edexcel, 2nd edition, which contains a wealth of exam-style questions, and IGCSE Mathematics Teacher's Resource for Edexcel, which provides teaching and learning support.

*GCSE ICT* Heinemann

All you need to teach and assess capability with confidence at Key Stage 3

**Pearson Edexcel International GCSE (9-1) ICT Student Book** Cambridge University Press  
 The most student-friendly and engaging resource for the 2016 Edexcel GCSE Geography B specification, this brand new course is written to match the demands of the specification. As well as providing thorough and rigorous coverage of the spec, this book is designed to engage students in their learning and to motivate them to progress.

### GCSE Mathematics for OCR Higher Student Book Cambridge University Press

A new series of bespoke, full-coverage resources developed for the 2015 GCSE Mathematics qualifications. Endorsed for the OCR J560 GCSE Mathematics Higher tier specification for first teaching from 2015, this Student Book provides full coverage of the new GCSE Mathematics qualification. With a strong focus on developing problem-solving skills, reasoning and fluency, it helps students understand concepts, apply techniques, solve problems, reason, interpret and communicate mathematically. Written by experienced teachers, it also includes a solid breadth and depth of quality questions set in a variety of contexts. GCSE Mathematics Online - an enhanced digital resource incorporating progression tracking - is also available, as well as Problem-solving Books, Homework Books and a free Teacher's Resource.

*Edexcel International Gcse and Certificate Biology* Hodder Education

Series Editor: Mark Levesley Pearson's resources are designed to be simple, inclusive and inspiring and to support students in studying for Edexcel GCSE (9-1) Physics.

*Applied ICT GCSE* Pearson Longman

Edexcel International GCSE (9-1) ICT Student Book
