Are you sitting the new 9 to 1 GCSE examinations and wish to achieve good grades? Are you overwhelmed by the new syllabus and the workload? Do you need some useful and reliable guidance from a student who has nailed the exams? This book has been written by a teenager, like you. Having achieved seven 9s, three A\*s and one A in his GCSEs, the author has shared his revision style to help many other teenagers to realise their potential. In his book, Rohan has outlined his tried and tested methods to achieve the best grades. There is step by step guide on planning, making a timetable, and revision techniques leading up to the GCSE exams. There are separate chapters for subject-specific advice as the same technique cannot work for subjects like English and Chemistry. There are tips on how to stay motivated and also relax and enjoy at the same time. Smart working rather than a lot of working helps. Read this book and arm yourself with studying techniques which will help you not only in your GCSEs but all future exams.
