fascinating and fast-paced sci-fi adventure

from author Mindee Arnett.Avalon (Avalon,

#1) by Mindee ArnettOf the various star

systems that make up the Confederation,

most lie thousands of light years from First

Earth—and out here, no one is free. The

agencies that govern the Confederation

are as corrupt as the crime bosses who

patrol it, and power is held by anyone with

enough greed and ruthlessness to claim it.

That power is derived from one thing:

metatech, the devices that allow people to
