Demons, Deliverance, and Suffering ... what are they all about? Discover in these pages the origin and nature of evil and how to combat forces you cannot see. Learn what devils and demons are and what you can do to ensure you are never a victim. To understand what a person has experienced we must look to Scripture. Scripture says many things about invisible forces. This book is straight-forward, authoritative, with Biblical insights and

help for those who desire to understand or escape demonic oppression. This book discusses the occult, mediums, demon possession, werewolves, vampires, and other related topics. That evil exists in this world none might argue, however if God is all-powerful and also purely good, why does He still allow suffering to exist? We look at these and other questions. Once you see how much of our world is spiritually influenced, your world view will change! You will begin to realize the spiritual war we are fighting. You will understand the forces arrayed against us. You will see the victory in Jesus' name. The world is in a slumber, hoping for a better tomorrow, but the forces of spiritual darkness take no rest and sleep not. Our sufferings are rooted in this great struggle with the powers of darkness! For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places (Ephesians 6:12).

Everything You Need to Know About Demons, What They Are, How They Operate, Demonic Possession, Demonic Oppression, and How to Cast Out

Demons and Obtain Deliverance for Yourself and for Your Loved Ones. When it comes to the subject of demons, Christians fall into two equal and opposite extremes. The first extreme is believing that demons don't exist or that they don't have any power at all. While the second extreme is believing too much in them and attributing every problem in life to them. We need a balance between these two extremes, and this book provides the right balance needed to deal with demons, overcome them, and live a victorious life. In this Bible study, you will learn what demons are, their origins, their names, operations, and how to deal with them. You will learn that while demons are real and can cause serious trouble, we are not to be afraid of them because God has placed us in a more powerful place of authority than them. You will learn what demonic possession and demonic oppression mean, and their difference. You will learn how to discern or know when a problem is a demonic possession or demonic oppression and not just physical health or other issues. More importantly, this book will arm you with the truth, scriptures, and prayers to cast out demons, and obtain personal deliverance. Here's what you will learn... 1. What Are Demons? 2. The name of this book, They Came Back Rejoicing, indicates what actually happens when people became free from demons. Those who had the demons rejoice, as do the deliverers. This book discusses numerous aspects of deliverance. The background of the author's awakening to the reality of demons and his personal deliverance are covered. A discussion, including biblical examples, of whether a Christian can have a demon is then presented. The Old Testament treatment of demons follows. Jesus' mission and ministry provide a background into the New Testament coverage of deliverance. The treatment of healing and deliverance together is provided. The book then goes into action on the mission field, providing numerous examples of healing and deliverance together. These areas are covered: how demons come in, forgiveness, demons in objects, cults and occults, curses, importance in listening, and special circumstances. How to conduct a deliverance and why people do not get delivered are discussed. Finally, there is a listing of groups of demons. Norman Audi has ministered in a number of churches and has given courses on learning to listen to the voice of the Lord and deliverance. He has been on the mission field in 15 countries. He is the pastor of a home church. He has conducted over 6,000 deliverances and has seen numerous healings, including the blind seeing and the deaf hearing. He is married and has six children and ten grandchildren.

Discover all you need to know to defeat demons! Since the creation of the earth, there has been, in existence, a large group of spiritual entities whose ultimate goal is the utter destruction of humanity by any and all means possible. Most people, believers and unbelievers alike, know about the leader of this group, Satan, but are completely ignorant of an entire army of supernatural beings just like him. Collectively, they are known as demons, invincible beings of utter evil. Demons are very powerful and intelligent beings that can rival angels in almost anything, but their main targets are humans whom they constantly attack and ultimately destroy. We cannot see or sense them as they work, but they are right there, fully active around and even inside us. Our suffering is so great, our pain, the misfortunes, illnesses, and diseases. We pray so much for God's help, but get no results. Our prayers seem useless even when we repeat the words of a powerful church leader. We are confused as to where all these problems come from and before long, disaster follows, and then death. People ask... Are demons real? What do they really do to me and my family? How do they do it? Are my loved ones at risk of being possessed or are they already possessed? Are demons the same as evil spirits? How does a demon attack? What signs do I look out for? What can I do to avoid such attacks? Who can save me? In this book, Rev. Ezekiel King, a unique man of God with divine gifts, answers every single question you may have and more! Over 150 broad-reaching questions and answers about demons, evil spirits and all that they do are here for you. Among the subjects touched are demon attack, spiritual warfare, demonic possession, demonic covenants and curses, demonic

deliverance and much, much more! Some questions have multiple answers and each one is well detailed, some illustrated, all backed by facts. Also present are important Bible verses about demons and demonic activities as well as commands and deliverance prayers that rout demons. The Following Are Some of the Things You Will Learn... The origin and nature of all spiritual beings \*(particularly demons) Demon attack patterns and tricks All about demonic possessions and spiritual warfare Ranks and types of demons (what they do and how they work). Identifying false prophets/pastors and churches How to cast out demons and be free forever Deliverance from evil spirits and demons The music/song deliverance method Deliverance from demonic covenants and curses Deliverance prayers that rout demons Much, much more! Wendy and I have not come into this ministry willingly, but kicking and screaming and resisting the will of God as we have not wanted to face the consequences associated with the many who ask for help. Sometimes the Lord, by his own sovereign will, sets people free wondrously, almost miraculously, and all smile and are blessed. At other times, people are not set free. Despite all your efforts and despite all your attempts to release a captive, he or she is not freed and then we have to deal with the inevitable consequences of such a divine decision and live with the outcome, no matter how much it may hurt or no matter how our hearts ache for the release of the one being prayed for. But we have learnt that it is not for us to wonder why. It is only for us to believe and trust what he has promised he will do. He has sometimes done the miracle as people have slept in their own beds after being prayed for. He has done the miracles as we have stood there and watched in awe as people are being set free.
