The Great Spirit Says: A Rainbow Warriors Journey is a spiritual and detailed account of a personal shamanic journey to the universal mind. Drawing upon her life-changing out-of-body experience, author Jeanette Sacco-Belli shares how, through connecting to the eternal spiritual realm, we become free from the fear of death and the unknown, and can experience an elevated state of pure ecstasy and joy. She conveys how the power of the mind, when unconfined by time or space, has the ability to connect to the voice of unity. This oneness contains the ancient knowledge of our existence. When we allow the silence of nature and its wisdom to heal us, we become connected to our highest self, elevating personal growth and human evolution. Separateness is only an illusion. When we hear from our inner ears and see with our inner eyes we are then awake, and know that there is only one universal voice, one God, one mind, one spirit.

God's Word is the strongest weapon in a believer's spiritual artillery. Quin Sherrer and Ruthanne Garlock, bestselling authors of *A Woman's Guide to Spiritual Warfare*, believe that when Christians use the Bible in intercession and warfare, they bind the power of the evil one and declare God's

promises and victory for their lives and for those they love. In *The Spiritual Warrior's Prayer Guide*, they show the reader how to apply biblical promises to every area of life, whether in illness, financial trouble, depression, concern for wayward loved ones, unemployment, or spiritual confusion.

Leading Prophetic Voice Reveals New Insight on Defeating an Ancient Evil According to leading prophetic voice Jennifer LeClaire, the subversive Jezebel spirit continues to deceive many. She shows, with keen biblical insight, that Jezebel does much more than most believers thought--and that it's time to expose the deceit and defeat the spirit's insidious work. By pulling back the curtain on this seducing principality, LeClaire picks up where other books on Jezebel leave off. She demonstrates biblically not only that the Jezebel spirit uses control as a weapon but that it is a mastermind of immorality and outright idolatry. She also gives spiritual warriors the real-world strategies needed for defeating this dark spirit in the lives of God's people.

Demons wage war against families because families are vital to God's plan of salvation. This stark reality requires that your family members become well-trained spiritual warriors who actively secure your home and fight to keep it off-limits to demonic activity. In *A Family Guide to Spiritual Warfare*, Kathleen Beckman offers you potent advice from her 12 years of active participation on an exorcist's team. She shows you how to "clean up" your household by cultivating in your family a civilization of love — and how to withstand the spiritual attacks that inevitably come to destroy the harmonious family life you create. Beckman reveals how you can recognize diabolical disguises in your home and offers proven means of protection found only in the Church's arsenal of spiritual weapons. You'll also learn the devil's strategies — how he does not necessarily seek to possess but simply to seed your family with the venom of hatred, desolation, envy, and vice. This, she explains, is why it's so important for spouses and children to become schooled in the art of spiritual combat. It's the only way you can destroy the works of the devil and unmask the hidden evil that weaves in and out of your daily family life. Along with more than two dozen effective prayers for family healing and deliverance, you'll also learn: How to understand the spirits working for — and against — your family, and what to do in response to them What specific actions to take if you believe your family has come under the influence of demonic activity How to use your baptismal, spousal, and parental authority in spiritual warfare How curses can become effective — and what can be done to counteract them The difference between diabolical temptation, oppression, obsession, and possession The seven ways your family can wear the full armor of God The diabolical counterparts to each of the Ten Commandments and the Beatitudes The 13 weapons you can use to defend yourself and your family against evil spirits

INCLUDED ARE PRAYERS BY: Dr. Mark I. Bubeck, Dr. Neil T. Anderson, Brother Andrew, Nancy Leigh Demoss, Dr. Fred C. Dickason, Rev. Paul Estabrooks, Dr. Erwin W. Lutzer, Stormie Omartian, Dr. Ray Pritchard, Dr. Marcus Warner, and others. Newly updated to include an "Introduction to Spiritual Warfare" by Dr. Marcus Warner. The Bible is clear — from the moment we draw our first breath, WE ARE AT WAR. Satan hates us and wants to destroy us — because the Lord loves us. A supernatural battle is waging all around us and if you are not a warrior, you will be a casualty. Christians must face this battle head-on by learning to put on the full armor of God every day. If we are not equipped properly, we will wonder why we live such defeated lives. Satan is alive and well and "prowling around like a lion seeking whom he can devour." We must use the weapons that God has provided for us to do battle for ourselves and for those that we love. A Warrior's Prayerbook is a clear and concise resource designed to help you put on the full armor of God. This book is filled with doctrinally sound prayers, written by great men and women of faith, past and present, that will help you be a fearsome prayer warrior in your spiritual battle. ENDORSEMENTS A Warrior's Prayerbook will be a great help to many and a service to the Body of Christ. Many will have never seen anything like these prayers. They should not only be a help to those who use them but also a wake-up call and challenge to many who never thought of warfare and practical praying against evil. Kathryn has done a great work in compiling, organizing, presenting, and publishing this book. Good art work. Great need. Great taste. DR. C. FRED DICKASON Author and Fmr. Systematic Theology Chair – Moody Bible Institute, Chicago "The Christian life is not a playground; it is a battleground." Warren Wiersbe We're in a battle every day. If we take seriously Paul's call to "Put on the whole armor of God" (Ephesians 6:11), then we know that we need to pray. But how should we pray when we go into battle? My friend Kathryn McBride has helped us hugely by compiling A Warrior's Prayerbook for Spiritual Warfare. The first part of the book contains prayers from esteemed Christian leaders like Erwin Lutzer, Mark Bubeck, Fred Dickason, and Brother Andrew, arranged in categories such as "Affirm," "Resist," "Renounce," and "Prayers for Others." The book also includes the full text of many Scriptures on spiritual warfare along with very helpful quotes from noted Christian leaders. This is the most comprehensive guide to spiritual warfare praying that I have seen. We need a book like this so that when the enemy surrounds us, we will know how to get in contact with the Captain of our Salvation. Read it and you will be better prepared to stand strong when the devil attacks you and your family. DR. RAY PRITCHARD Speaker, Pastor, Author www.keepbelieving.com

Has your day-to-day struggle become minute-by-minute? How do we cope with life in these trying times? And what can we do to ease the pain of a suffering society? These genuine issues, and many more, are addressed in Spiritual Warrior III: Solace for the Heart in Difficult Times. Bhakti Tirtha Swami, a devout spiritual warrior himself, provides critical insight into the powerful position of spiritual warriors in this new millennium. This imperative survival guide gives techniques and an in-depth philosophical understanding necessary to purposely help yourself and others throughout times of crisis. "Fear and love do not go together. Fear is constricting, self-centered and self-conscious, whereas love is expansive, selfless and directed towards service. To become effective spiritual warriors, we must learn to cultivate genuine love, courage, and compassion and come to depend on our inner faculties rather than externals. This allows us to understand our own true nature more deeply, and to behave more like the children and servants of God that we are. Then, firmly established in a higher state of consciousness, we can serve others-and the world-from the deepest, most aware and loving aspect of ourselves during these challenging times." -Excerpt from Spiritual Warrior III

The Way of the Spiritual Warrior is the Original Path for humanity, but it has been forgotten. So this noble path has degenerated so that the modern-day warrior is a fighter, a soldier, a person skilled in killing. But this is a long way from being a Spiritual Warrior, an infinitely long way. The Way of the Spiritual Warrior starts with self-knowledge, learning to harmonize your personality, bringing the several parts of you together so that your body, emotions and thoughts are coordinated and function as a unit. Here you practise physical techniques, emotional control techniques and mind control techniques so that you are integrated in yourself and in your environment. This is the stage where most modern martial arts schools stop. The next stage of the Spiritual Warrior Path is Self-knowledge, also called the stage of withdrawal. Here you use meditation and other spiritual techniques to withdraw your awareness slowly inside you, deeper and deeper, until you make a connection with your

As we make our way in the world, we often find ourselves unconsciously traversing our day to day lives. We tend to go on automatic pilot, living life in a way that is almost unconscious; the way we think, interact with people, our jobs, family life, and what we spend our free time doing. There are times when we stop and contemplate on life and what can we do to get more out of it. It's in these moments when we realize - this moment, this is all I truly have. What can I do to make the most out of life? During this moment of awakening one thinks about what and how can they change in order to reconnect with themselves and the things that are truly important to them. We learn to look at the good, the bad, the painful, and the beautiful - what we need to accept and what we need to manage. A Warrior in the World is filled with timeless tales and real life stories that help you look at life on a multi-dimensional level. In this book, I point out things and ask you important questions that help you rediscover, and uncover your inner being, what is most important to you in life, and how you can live a life that is more in harmony with your true self. I will guide you through this process without sugarcoating anything. I will keep it very real with you along this inner journey. I will help you become more mindful of how you are unconsciously impacted by the world around you and how that affects you on many levels.
