CARTER EATON

[How to Write Realistic Zombies and Post-Apocalyptic Fiction](#) Infinity Publishing

The smell of hope is burning flesh... The howlers are eating each other. What is left of humanity has a chance to breathe at last. Each group that forms has to consider how they will begin anew. They must come together on how to take care of the remaining monsters, grow food, teach kids, and deal with their dead...or fall apart in the pitted wasteland left to them by the zombie apocalypse. Can humanity get it right this time? Or will the last human become The Last Zombie?

[A Duck & Cover Adventure](#) Routledge

A Legend is Reborn in the American Apocalypse. For Rob "Hood" Huntington, a regular twenty-something kid from D.C., the end of civilization happened in an instant. There were no warnings. One day, the power cuts off, and it never comes back on. His home city devolves to chaos after being decimated by a nuclear blast. An unknown war has shattered the American Civilization we all knew. Luckily for Hood, he quickly discovers he's one of the most naturally gifted marksmen alive. Two years have passed since civilization has collapsed. Hidden away in the mid-Atlantic countryside rests the small town of Clearwater, where Hood, his sister Taylor, and an ex-cop by the name of Whiskey lead a group of thieving survivors. In the remnants of America, two wasteland Kings fight a ruthless war for control of the land. A war Hood and his loved ones cannot escape. In between making bad jokes and getting drunk with the unlikely friends he's made in the Clearwater crew, Hood has to face the reality of this new world: you have to fight for your survival, you have to fight for your family, you have to fight for what you believe. Even if you see yourself in the faces of the people on the other end of the trigger. The American Rebirth Series #1 Hood #2 Legends #3 American Rebirth (to be released SUMMER 2017) If you enjoyed I Am Legend, The Road, The Walking Dead, or The Last of Us, you won't want to miss HOOD!

This book offers a new perspective on adaptation of books to the screen; by focusing on endings, new light is shed on this key facet of film and television studies. The authors look at a broad range of case studies from different genres, eras, countries and formats to analyse literary and cinematic traditions, technical considerations and ideological issues involved in film and television adaptations. The investigation covers both the ideological implications of changes made in adapting the final pages to the screen, as well as the aesthetic stance taken in modifying (or on the contrary, maintaining) the ending of the source text. By including writings on both film and television adaptations, this book examines the array of possibilities for the closure of an adapted narrative, focusing both on the specificities of film and different television forms (miniseries and ongoing television narratives) and at the same time suggesting the commonalities of these audiovisual forms in their closing moments. Adapting Endings from Book to Screen will be of interest to all scholars working in media studies, film and television studies, and adaptation studies.

The Professional Writers' Phrase Book Evan Pickering

Hide your children, lock your doors, and load your guns because zombies are real and they are coming. Danny Terrence knows this better than anyone. He spent months preparing for the inevitable moment the disease would reach his small town. What he didn't prepare for is the fact that nobody really believes him. Luckily for him, an old classmate and bully just happens to be the

first one bitten. The bad news is that the family with the biggest arsenal of guns just packed up and left town, leaving them defenseless from an oncoming zombie horde. Being a leader isn't turning out the way Danny imagined. Yet four other survivors easily have it worse than him. Between a thirteen-year-old girl on a road trip from hell, a family of paranoid hunters having to deal with their feelings for the first time ever, a stubborn doctor butting heads with a cold-hearted sergeant and an amoral British professor carrying the fate of humanity in his hands, Danny has it easy. Unless, of course, they all end up in his town, messing with his already messed up life. Follow these five people as their paths cross and their lives and hopes are challenged in this thrilling novel. Those Who Remain: Book One is part of a trilogy.

Life as We Knew it Illori Press Books, LLC

Get tough on writer's block with over 2,000 dramatic ways to describe weapons, wounds, explosions, and more! Fully loaded for modern, historical, and futuristic battles, this is the perfect workout for writing killer action. From the #1 bestselling author of the Post-Apocalypse Writers' Phrase Book and Horror Writers' Phrase Book.

Expanded Edition CreateSpace

This book is an introduction to blacksmithing with an emphasis on how I envision it to be practiced in the event of an apocalyptic event. It contains references to other works, useful information about junkyard steels, description of techniques used in iron working, charcoal-making, other kinds of metalworking and a chapter on the selection of weapons in addition to other information that might prove useful in the event of a wide-spread disaster scenario.

[The Writer Behind the Words \(Revised and Updated\)](#) CreateSpace

Reading selected texts by Michael Ondaatje, including the novels *In the Skin of a Lion* and *The English Patient* and the poem "Birch Bark," Annick Hillger demonstrates how his writing both answers and challenges attempts to delineate the idea of a Canadian national self. She sets Ondaatje's work within the context of theoretical and philosophical ideas, developing the notion of a "literature of silence" concerned with finding a ground for self beyond the realm of language.

Thirty-two authors from all over the world have created a wide range of apocalypses for your reading pleasure. Within the pages of this anthology, you will find exceptional works focusing on hungry zombies, virulent viruses, nuclear missiles, malevolent fey, vindictive aliens, challenging crustaceans, and more - each of these maelstroms creating massive disturbances within human society. While works of holocausts tend toward a uniform darkness, *Enter the Apocalypse* contains a number of catastrophes that are humorous enough to cause hysterics and others that are so black as to cause the devil himself to shrink away. Contributing authors include: Kim Alan, Mike Barretta, Nick Barton, Gustavo Bondoni, Matthew Buscemi, Jessica Conoley, Lana Cooper, Jonathan Cromack, Michael Cummings, Lisha Goldberg, Bruce Golden, Russell Hemmell, Tom Jolly, Madison Keller, Simon Kewin, Morgen Knight, Janice Law, John A. McColley, Donna J.W. Munro, Katrina Nicholson, Naomi Brett Rourke, Jacalyn Schnelle, Jay Seate, Eric James Spannerman, T.M. Starnes, Stephanie Vance, Rachel Verkade, Aaron Vlek, John Walters, Filip Wiltgren, Brigitte Winter, Trevor James Zaple

Post-Apocalypse Writers' Phrase Book Perigee Trade

A riveting and unexpected novel that questions whether a peaceful and non-violent community can survive when civilization falls apart. Again, all are asleep, but I am not. I need sleep, but though I read and I pray, I feel too awake. My mind paces the floor. There are shots now and again, bursts here and there, far away, and I cannot sleep. I think of this man in his hunger, shot like a rabbit

raiding a garden. For what, Lord? For stealing corn intended for pigs and cattle, like the hungry prodigal helpless in a strange land. I can hear his voice. When a catastrophic solar storm brings about the collapse of modern civilization, an Amish community is caught up in the devastating aftermath. With their stocked larders and stores of supplies, the Amish are unaffected at first. But as the English (the Amish name for all non-Amish people) in the cities become increasingly desperate, they begin to invade nearby farms, taking whatever they want and unleashing unthinkable violence on the gentle communities. Written as the diary of an Amish farmer named Jacob who tries to protect his family and his way of life, *When the English Fall* examines the idea of peace in the face of deadly chaos. Should members of a nonviolent society defy their beliefs and take up arms to defend themselves? And if they do, can they survive? David Williams's debut novel is a thoroughly engrossing look into the closed world of the Amish, as well as a thought-provoking examination of how we live today and what remains if the center cannot hold.

Shawn McDaniel's life is not what it may seem to anyone looking at him. He is glued to his wheelchair, unable to voluntarily move a muscle—he can't even move his eyes. For all Shawn's father knows, his son may be suffering. Shawn may want a release. And as long as he is unable to communicate his true feelings to his father, Shawn's life is in danger. To the world, Shawn's senses seem dead. Within these pages, however, we meet a side of him that no one else has seen—a spirit that is rich beyond imagining, breathing life. Supports the Common Core State Standards

The Top Writer's Toolkit for Science Fiction Action and Horror Sudden Insight Publishing Killian knows all about vampires and aliens. They're not real. But when a handsome swimmer climbs into her storm-tossed boat an hour from her summer destination, the worlds of fantasy and reality suddenly collide... Cuttle Island has no mall, no social scene, and no action. But it does have a mysterious stone tower, ageless islanders, and a secret as astonishing as a mermaid's tale... Before the summer is through, Killian will find the truth of her family's past...and the role she is destined to play in a centuries-old curse.

E Evan Pickering

A dense black cloud boiled up in the southeastern sky. It rose high and fast, like a time-lapse movie of the birth of a thunderhead. But it was no rain cloud. Wholly black, it reached up and up until it loomed over her, blocking out the sun. Somehow, she knew, it was Death coming for her. Pre-med student Coral is on vacation in Idaho when something terrible happens. The black cloud is followed by a wildfire and searing heat that lasts for days. She survives deep in a cave but emerges days later to find the world transformed, with blackened trees, an ash-filled sky, and no living creatures stirring—except for her. So begins her desperate journey: to find water, and food, and other survivors...and the answer to the mystery of what happened. *Gray 1* is the first novel in a series.

A Post-Apocalyptic Novel Simon and Schuster

When a group of kids trapped together in a chain superstore build a refuge for themselves inside, outside, a series of disasters from a monster hailstorm to a chemical weapons spill, seems to be tearing the world apart.

[A Zombie Novel](#) Ruthanne Reid

The post-apocalyptic world isn't that bad. Sure, there are mutants. But, for the people of New Hope, daily life isn't so much a struggle of finding food or medicine as it is trying to find a new shortstop for their kickball team. This makes it difficult for a post-apocalyptic warrior to find work. Thankfully, an army full of killers is making its way to the peaceful town and plans to raze it to the ground. Only a fully trained post-apocalyptic nomadic warrior can stop them. Two have offered their services. One is invited to help. The other is sent to roam the wasteland. Did the townspeople make the right decision? Will they be saved? Did they find a shortstop? What's with all the bears? Find out in *Post-Apocalyptic Nomadic Warriors*, the first book in the *Duck and Cover Adventures*. It's the end of the world as you've never known it.

The Scattered and the Dead (Book 0.5) Evan Pickering

FRIGHTENED MONSTERS. STOLEN TIME. AND ONE SERIOUSLY UNDERESTIMATED DAMSEL. Katie ran

from the magical world years ago. She never planned on being dragged back in by a prophesying clamshell. The seers believe she alone can prevent an apocalypse of ruined time and broken worlds. Bran the Crow King believes she can save him from his cannibalistic grandfather. Katie believes they're all nuts. One thing is for certain: she's not waiting around for help. Operation Katie Saves her Own Damn Self is officially on.

Trapped Booktango

There are many words to describe necromancers, but superhero isn't one of them. 18-year-old Damian Banach's only talent is the power that's driving him insane. Yet somehow Damian just became the Academy of Heroes' newest student. Accompanied by his mom's ghost, he'll have to survive the Academy (and his fellow classmates), while battling the insanity that doomed every Crow before him. Superhero school just got scary.

When God Unfolds the Rose Springer Nature

How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. *How John Wrote the Book of Revelation* takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. *How John Wrote the Book of Revelation* is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. *How John Wrote the Book of Revelation* is like no other book that has been written before, and sets a new paradigm for all Biblical works.

The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. *The Silent Earth Series Book 1 - After the Winter*: [amazon.com/dp/B00P02FBPM](https://www.amazon.com/dp/B00P02FBPM)

[Half-Shell Prophecies](#) CreateSpace

Legends Never Die. Sequel to the Post-Apocalyptic Bestseller HOOD! From the remnants of America, a new world is taking shape. But not all is as it seems. As Rangers of the Sons of Liberty, Whiskey and Taylor have a new life ranging out into the overgrown vestiges of civilization, teaching young soldiers how to survive. But peace never lasts long. The tides of war beckon as rebels are found within the borders. A secret organization lies unknown to the warring factions in the new Americas. A mysterious message has been nailed to Whiskey and Taylor's door. Someone from their past is still alive. Twenty years have passed since the fall of the Kaiser and the end of the First War. Survivors across the country have slowly banded into factions, rebuilding semblances of civilization from the vestiges of the old world. The end of the Kaiser's war brought years of relative peace to the country... But as the factions rise up against the Sons of Liberty, conflict rises on the horizon. As war comes again to the vestiges of America, the factions have united behind a deadly sniper called 'the Ghost'. The Sons of Liberty stand alone, and The new civilization stands upon the brink of falling apart once more . . . But the further from home Whiskey and Taylor get, the more muddled the truth seems to be. But one thing is clear. Someone from their past is still alive. Sequel to the bestselling Book 1 of the American Rebirth Series, HOOD!
