[The Edgar Cayce Companion](#) Ballantine Books

An Exploration of the understanding of nature and spirituality that links the scientific with the metaphysic.

Jesus As a Pattern Simon and Schuster

Edgar Cayce's rare mind tuned to the Universal Mind gives us extraordinary insights into the power of our own minds. In this fascinating book, Cayce illustrates how thoughts are things, that may become crimes or miracles in our lives. He explains how by changing our thinking patterns, we can change our life for the better. He also gives a unique view into our mind at sleep describing the influences motivating our dreams and visions, and showing us how to better interpret them. He clarifies why the dreaming mind is so much more important to us than we realize. He also addresses the need to move away from a too self-centered consciousness, opening up to a larger consciousness with powerful intuition and precognition.

Toward a Deeper Meditation Grand Central Pub

Edgar Cayce, America's "sleeping prophet," was one of the most active and trusted psychics of the 20th century. Thousands of people relied on him for insights into their physical and emotional health, spiritual questions, business prospects, and dreams. His writings still inform us today. Cayce's readings were stunningly accurate -- about 85 percent of them hit the mark. But some cases seemed to be beyond his abilities. Why did his powers fail him at times -- if they in fact did? In "The Outer Limits of Edgar Cayce's Power," his sons, Edgar Evans Cayce and Hugh Lynn Cayce, investigate the questions that challenged the prophet's seemingly unlimited psychic abilities.

Edgar Cayce on Reincarnation and Family Karma A.R.E. Press

Imagine being able to ask the sleeping Edgar a question on almost any topic? Thumbing through his "famous black book" is like stepping back into Cayce's time to gain wisdom straight from the source of universal consciousness that he was known to access. For decades, the Cayce "readings" have stood the test of time, research, and extensive study. Most of the readings dealt with physical health, but countless other topics were explored and included in this volume: dreams, intuition, ancient civilizations, meditation, karma and grace, reincarnation, and much more.

Piercing Time & Space ARE Press

Presents the unifying world-concept long sought by scientists, mystics, and sages: an Integral Theory of Everything • Explains how modern science has rediscovered the Akashic Field of perennial philosophy • New edition updates ongoing scientific studies, presents new research inspired by the first edition, and includes new case studies and a section on animal telepathy Mystics and sages have long maintained that there exists an interconnecting cosmic field at the roots of reality that conserves and conveys information, a field known as the Akashic record. Recent discoveries in vacuum physics show that this Akashic Field is real and has its equivalent in science's zero-point field that underlies space itself. This field consists of a subtle sea of fluctuating energies from which all things arise: atoms and galaxies, stars and planets, living beings, and even consciousness. This zero-point Akashic Field is the constant and enduring memory of the universe. It holds the record of all that has happened on Earth and in the cosmos and relates it to all that is yet to happen. In Science and the Akashic Field, philosopher and scientist Ervin Laszlo conveys the essential element of this information field in language that is accessible and clear. From the world of science he confirms our deepest intuitions of the oneness of creation in the Integral Theory of Everything. We discover that, as philosopher William James stated, "We are like islands in the sea, separate on the surface but connected in the deep."

The Lost Memoirs A.R.E. Press

Edgar Cayce, the most documented psychic of all time, recommended exploring three tools for personal symbolism that would assist in personal growth and enlightenment: Creating Life Seals, Creating Aura Charts, and Understanding the Book of Revelation. From Cayce's perspective, a Life Seal is a personal mandala that can be used as a tool for reflection—a reminder of what she or he hopes to accomplish in life. An Aura Chart is a visual depiction of an individual's unique Akashic Record and represents a soul's lessons, attainments, failures and developments over many lifetimes. Cayce's unique approach to the Book of Revelation is that it is a symbolic exploration of archetypal images, patterns, and processes that correspond to the awakening of the Higher Self. It depicts not an external process related to world events but instead an internal one that portrays the struggles that occur within each individual as spiritual development takes place and the basic lower nature of humankind evolves to its higher spiritual nature. You will discover how these tools of symbolism can be used to cultivate your soul talents, to accomplish your mission in life, to overcome weaknesses, to enhance your soul memory, to remember your past lives and even as a means of personal attunement. Edgar Cayce on Soul Symbolism presents timely information on how symbolism can be used to understand yourself and even your connection to the divine. In addition, the volume contains examples of Life Seals and Aura Charts from the Cayce files, as well as two dictionaries of symbols for your easy reference.

Edgar Cayce's Twelve Lessons in Personal Spirituality Balboa Press

Of all of his clairvoyant excursions into the past, some of the most remarkable information that came through Edgar Cayce (1877-1945), explored the activities of a little known Jewish sect called the Essenes. More than eleven years before the Dead Sea Scrolls were found in 1947, Cayce's readings provided detailed descriptions of the Essenes, their activities, their community, the records they kept, and the fact that both men and women were members of the society. In one reading, Cayce was asked to explain the term Essene, "(Q) What is the correct meaning of the term 'Essene'? The answer was given simply as, '(A) Expectancy.'" The readings go on to suggest that it was this group who took upon itself the entrance of the Messiah into the earth!

EDGAR CAYCE ON MASTERING YOUR SPIRITUAL GROWTH What if God were completely loving, the universe completely orderly, and everything that transpired in life a purposeful experience chosen at some level by the soul for spiritual growth and soul development? Such is the premise of *Edgar Cayce on Mastering Your Spiritual Growth*. Drawing upon contemporary examples as well as historical case studies of individuals who received psychic guidance from Edgar Cayce, this insightful volume examines the activities of soul growth and the process of personal transformation that will

ultimately enable all individuals to transform themselves as well as society and the world at large. For countless ages, people have asked Who am I? Why am I here? And does my life have a purpose? The answers to these questions were explored by thousands of individuals who came to famed psychic Edgar Cayce, and they are answers that are just as applicable today. The ultimate truth is that we are spiritual beings having a physical experience living purposeful lives in a process of soul growth. The keys to that process are working with a personal spiritual intent or ideal, discovering our own approach to personal attunement, and repeatedly working with personal application. The Cayce information contends that it is the inevitable destiny of every soul is to become cognizant of its true relationship to the Creator, eventually achieving spiritual enlightenment in the process. This stage of enlightenment was described by Cayce as "the Christ Consciousness" and has been demonstrated by such individuals as Jesus. What if a new understanding of the nature of the soul and the purpose of life on earth could transform humankind? Such is the premise in the Cayce information.

For the late psychic Edgar Cayce, the aura provided a pictorial representation of an individual's health, thoughts, talents, and life potentials as well as karmic lessons and even past lives. In a very real sense, the aura functions as a barometer of the whole self—body, mind, and spirit. Psychic Carol Ann Liaros and Cayce expert Kevin J. Todeschi have joined together to present a unique volume that teaches you to access your intuitive self in order to see these auras and colors and then goes on to explain their meaning as based on the well-documented readings of Edgar Cayce. Their work explores colors and the human aura in a way that provides practical tools for understanding that can be applied in your own life right now.

What is a soul? Does the soul have a personality? The Akashic Records response was – The soul is the personality. There is no determining factor as to how many times the soul re-incarnates. This is left up to the individual as to how many times they re-incarnate. There is no such thing as a failed incarnation. The soul is never discarded or destroyed. Once the soul reaches perfection, it rejoins the spirit of God for all eternity.
