They are the enemy, a threat to her life and soul. They are also the men she loves and must set free. For most, the Earth-Kalquor War ended years ago. Yet veteran destroyer captain Zemos and clanmates Oret and Miragin have been captured by a renegade Earther battlecruiser. They've been held in a cell for months now, with no idea where their ultimate fate lies. Threatened daily, their lives could end at any moment. The only bright spot during their imprisonment has been the lovely woman who brings them their meals and offers the one friendly face amongst their enemies.

Elisa Mackenzie is among the desperate Earthers trying to survive in the wake of Armageddon. Surrounded by fanatics who won't give up a long-lost war, she can't let herself care for the Kalquorians the ship has taken prisoner. Her lonely heart, empty for so long, has other ideas. Knowing the Kalquorians are dangerous and her fanatical shipmates are even more so, Elisa fights her feelings in vain. Ignoring the harsh lessons of long-lost youth, she falls in love. Zemos, Oret and Miragin must escape before the Earthers deliver them to an unthinkable end. They also know the key to opening their cage means turning on the woman who has infiltrated their fierce hearts. Elisa already has their adoration. She deserves their protection and care as well, but enemies both new and ancient threaten the Kalquorian Empire. To save their people and themselves, the three men may have to destroy the woman who would complete their clan.

They attack the ship taking her to the Kalquorian Empire, leading to unthinkable tragedy-the death of Briel. Discovering Dramok Kels, Imdiko Pana, and Nobek Dergan are not the ruthless enemies she believed them to be, Maryam makes a deal-she'll carry their unborn child to term if they set her free afterward. life exactly the way he wants it - he has his ship, his crew, and his freedom. No mouthy little human is going to interfere with any of that, no matter how much she tempts him or how much his instincts demand that he claim her. If only he weren't as tempted as much by her brilliant mind as by her luscious body. Can Faith and Athtar fight their overwhelming attraction long enough to defeat the evil scientists and stay ahead of the Imperial Fleet? And when the battle is over, can there be a future for the two of them? Each book in the Alien Abduction series features a different couple and can be enjoyed as a standalone romance. DECEPTION [Erotic Menage a Trois Romance, M/F/M] Tessa Miller only wants to help her friend. Having two muscle rippling hunks at her door is a bonus. Mistaken assumptions lead Tessa to the most

thrilling week of her life. Will the pleasure be worth it when she finds out she's been deceived? *** 5 Stars: "Enough heat to melt the ice caps, a healthy dose of humor and fantastic characters are all in the pages of *Deception* by Jenny Penn. This is a delightful tale from beginning to end. The deceptions lead to some of the funniest conversations ever. When Tessa learns who they really are, her revenge is priceless. You can't help but admire her cleverness. Ty, the serious one, and Chase, the lighthearted one, are two very sexy men that anyone would love to have in their bed. The stuff of fantasies, *Deception* is a not to be missed reading for the summer. Jenny Penn has written a tale destined for your keeper shelf." --Elise Lyn, *Ecataromance* *** 5 Angels: "Thoroughly enjoyable and funny, *Deception* is a sexual roller coaster ride that the reader doesn't want to get off of. Great characters with a bit of grit and romance, make it just plain fun to read. Ty and Chase are what white hot dreams are made of. Tessa is not your typical perfect female, she seems real. I look forward to reading more by Jenny Penn." --Dawnie, *Fallen Angel Reviews*. *** 4.5 Stars/Orgasmic: "Deception is a great read! Tessa is a wonderful heroine, funny but firm in her beliefs. Ty and Chase are not what I expected from the corporate businessmen yet they each have depths that make them truly enjoyable characters. This is one story that made me laugh one minute and cry the next. I found I couldn't pull myself away. This was a smooth read from start to finish, with only a few secondary characters to help the story along. The sexual scenes are rip-roaring orgasmic! Ms. Penn doesn't leave anything to the imagination, nor is she skimpy on the sex. They were numerous, and all were wild just the way I like them. I'm already a huge fan of the m/f/m stories but with characters like this, you simply cannot go wrong. I highly recommend *Deception*, and will be looking for more work from Ms. Penn in the future." --Stefani Clayton, *Just Erotic Romance Reviews*
