A bestselling modern classic—both poignant and funny—about a boy with autism who sets out

to solve the murder of a neighbor's dog and discovers unexpected truths about himself and the world. Nominated as one of America's best-loved novels by PBS's The

Great American Read  
 Christopher John Francis  
 Boone knows all the  
 countries of the world and  
 their capitals and every  
 prime number up to  
 7,057. He relates well to  
 animals but has no  
 understanding of human  
 emotions. He cannot  
 stand to be touched. And  
 he detests the color  
 yellow. This improbable  
 story of Christopher's  
 quest to investigate the  
 suspicious death of a  
 neighborhood dog makes  
 for one of the most  
 captivating, unusual, and  
 widely heralded novels in

recent years.

 A monster assembled by a  
 scientist from parts of  
 dead bodies develops a  
 mind of his own as he  
 learns to loathe himself  
 and hate his creator.  
 Shelley's suspenseful and  
 intellectually rich gothic  
 tale confronts some of the  
 most important and  
 enduring themes in all of  
 literature-the power of  
 human imagination, the  
 potential hubris of  
 science, the gulf between  
 appearance and essence,  
 the effects of human

cruelty, the desire for  
 revenge and the need for  
 forgiveness, and much

example sentences- Added International Phonetic Alphabet entries to help you pronounce Dutch words the right way. According to scientific research\*, the 1000 most common words account for 95% of all daily conversational Dutch. The 2.500 most used words account for 85% of all daily written text in NL. The essential Dutch- English Word Frequency Dictionary 2.500 words and verbs give you list of the most useful words to build your Dutch vocabulary fast.

These high frequency Dutch words are a great tool for beginners and intermediate students. Learn only the most important and most used words & verbs to quickly gain a practical knowledge of spoken and written Dutch. This Dutch-English dictionary is perfect for beginners and intermediate students of teenage or adult age. It is less suitable for kids and children. The IPA helps you with Dutch pronunciation, by writing a word phonetically. The example sentences,

consisting of over 90.000 words, contain practical and useful information. They are designed to get you fluent fast, by using the most common and important words the most. Example sentences also help you discover Dutch idioms and expressions naturally through reading. More fun facts on language learning and vocabulary: \* The first 25 words are used in 33% of all daily writing \* The top 100 words make up around 50% of all student and adult writings \* Top 500 words make up

around 70% of all daily written texts. It has been advised to first learn the first 1000 most common words before you start speaking a new language. The facts aforementioned seem to confirm this. That is why we created a list of the most used 2500 Dutch words, and 531 most common verbs. With these words, you are able to cover 85% of the official language in the Netherlands in text, and 95% of all you need in the spoken language. It is therefore a rational move to prioritize learning the

words and verbs that you are likely to use and hear the most often. Frequency dictionaries and word lists are a good starting point, and can produce the quickest results. The most common Dutch words & verbs list will give you a good grasp on the official language of the Netherlands in a short amount of time. The word frequency is based on analysis of Dutch subtitles. Scientific research has shown that subtitles are the best source of a practical, spoken frequency

dictionary in any language\*. Subtitles correlate to both spoken and written Dutch, respectively 73% and 83%\*. The product is unique and the best way to understand and speak Dutch quick, because other frequency dictionaries base themselves on written text. The dictionary is not divided by topics (yet), but it has been divided by part of speech, frequency order and alphabetical order. By studying this dictionary with the 2500 most common words and

531 most common verbs, you will quickly gain a broad understanding and practical knowledge of spoken and written Dutch. \*Studies quoted: Nation 1990; Liu Na & Nation, 1985; New, Boris; Brysbaert, Marc; Veronis, Jean; Pallier, Christophe, 2007

#1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire

Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living

proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story

of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic,

and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed

only with a keen sense of humor and a mother's unconventional, unconditional love.
