*Conversations with Kazuo Ishiguro* She  
Writes Press  
Geishas and the Floating World returns  
readers to a lost world of sensuality and  
seduction, rich with hedonism, abandon,  
and sexual and personal politics. "Floating  
World" refers to Japan's traditional Geisha  
pleasure districts, but also to the artistic

and literary worlds associated with them.  
At the heart of the "Floating World" and  
the system it supported was an extensive  
network of talented courtesans and  
entertainers, typified by the still  
fascinating, enigmatic Geisha. Stephen  
and Ethel Longstreet bring the reader on  
an in-depth tour of the original and most  
infamous red-light district in Japan—the  
Yoshiwara district of old Tokyo that  
underwent tremendous changes during  
the more than three centuries of its  
existence. Beyond the erotic allure the

district held, the Yoshiwara also fostered a  
rich culture and a much studied and  
revered artistic and literary tradition. This  
account is adorned with examples of fine  
woodblock prints and quotations from  
often bawdy, and always colorful, original  
sources that offer a gripping portrait of life  
within the pleasure zone. Geishas and the  
Floating World balances scholarly insights  
with a master storyteller's flair for the  
exploits and intrigues of people operating  
outside the confines of polite society.  
Stephen Mansfield's new introduction

bridges time, examining gender realities and the Yoshiwara through contemporary eyes, highlighting often overlooked subtleties and the harsh realities associated with this glittering world.

“Set in New Orleans, this important and powerful novel follows the Boisdoré family . . . in the months after Katrina. A profound, moving and authentically detailed picture of the storm’s emotional impact on those who lived through it.”

—People In this dazzling debut about family, home, and grief, C. Morgan Babst takes readers into the heart of Hurricane Katrina and the life of a great city. As the storm is fast approaching the Louisiana coast, Cora Boisdoré refuses to leave the city. Her parents, Joe Boisdoré, an artist descended from freed slaves who became the city’s preeminent furniture makers, and his white “Uptown” wife, Dr. Tess Eshleman, are forced to evacuate without her, setting off a chain of events that leaves their marriage in shambles and

Cora catatonic—the victim or perpetrator of some violence mysterious even to herself. This mystery is at the center of Babst’s haunting and profound novel. Cora’s sister, Del, returns to New Orleans from the successful life she built in New York City to find her hometown in ruins and her family deeply alienated from one another. As Del attempts to figure out what happened to her sister, she must also reckon with the racial history of the city and the trauma of a disaster that was not, in fact, some random act of God but an avoidable tragedy visited on New Orleans’s most vulnerable citizens. Separately and together, each member of the Boisdoré clan must find the strength to remake home in a city forever changed. The Floating World is the Katrina story that needed to be told—one with a piercing, unforgettable loveliness and a vivid, intimate understanding of this particular place and its tangled past.

From her place in the store, Klara, an Artificial Friend with outstanding observational qualities, watches carefully the behaviour of those who come in to

browse, and of those who pass in the street outside. She remains hopeful a customer will soon choose her, but when the possibility emerges that her circumstances may change for ever, Klara is warned not to invest too much in the promises of humans. In 'Klara and the Sun', Kazuo Ishiguro looks at our rapidly-changing modern world through the eyes of an unforgettable narrator to explore a fundamental question: what does it mean to love?

*Artist Management for the Music Business*  
Tuttle Publishing

This ambitious and groundbreaking publication accompanies an exhibition of highlights from the early ukiyo-e holdings of the Museum of Fine Arts, Boston. Much of Boston's renowned collection of 'pictures of the floating world' (ukiyo-e), an incomparable record of Japanese life, was acquired from the Boston physician William Sturgis Bigelow in the early twentieth century. Subject to a loan restriction since 1928, most of this collection has never before been seen outside Boston. Many of the works have been newly photographed for this catalogue and are hitherto unpublished in

this format. Illustrated throughout in colour, this book also features essays, artist biographies and exhaustive catalogue entries by leading scholars examining the stylistic nuances of early masters such as Hishikawa Moronobu and Okumura Masanobu; the techniques used by early ukiyo-e artists; and the history of the Boston collection, 'the finest collection of oriental art under one roof in the world'. [Early Ukiyo-e Treasures from the Museum of Fine Arts, Boston](#) Kodansha America Incorporated  
 NATIONAL BESTSELLER • From the winner of the Nobel Prize in Literature and author of *Never Let Me Go* and the Booker Prize-winning novel *The Remains of the Day* comes a luminous meditation on the act of forgetting and the power of memory. In post-Arthurian Britain, the wars that once raged between the Saxons and the Britons have finally ceased. Axl and Beatrice, an elderly British couple, set off to visit their son, whom they haven't seen in years. And, because a strange mist has caused mass amnesia throughout the land, they can scarcely remember anything about him. As they are joined on their journey by a Saxon warrior, his

orphan charge, and an illustrious knight, Axl and Beatrice slowly begin to remember the dark and troubled past they all share. By turns savage, suspenseful, and intensely moving, *The Buried Giant* is a luminous meditation on the act of forgetting and the power of memory. *The Buried Giant* Vintage  
 Nineteen interviews conducted over the past two decades on both sides of the Atlantic and beyond with the author of the Booker Prize-winning *The Remains of the Day* *Inside Tokyo's Yoshiwara Pleasure District* Vintage  
 Venice, 1468. Sosia Simeon, a free-spirited sensualist, is the lover of many men in the fabled city, though married to one she despises. On the edge of the Grand Canal, Wendelin von Speyer sets up the first printing press in Venice and looks for the book that will make his fortune. When he tempts fate by publishing Catullus, the poet whose desperate and unrequited love inspired the most tender and erotic poems of antiquity, a scandal is set in motion that will change all their lives forever. *Falling From the Floating World* University Press of America

Allen prepares you for the realities of successfully directing the careers of talented performers in the high-risk, high-reward music business. You will learn to prepare yourself for a career in artist management - and then learn the tools to coach, lead, organize time, manage finances, market an artist, and carve out a successful career path for both yourself and your clients. The book features profiles of artist managers, an exclusive and detailed template for an artist career plan, and samples of major contract sections for artist management and record deals. Updated information including a directory of artist management companies is available at the book's companion website. A peer reviewer for *Artist Management for the Music Business* proclaimed ".this is going to be an excellent text. It contains many unique insights and lots of valuable information. This is essential reading for managers, students, and artists in the music business."  
 (Second Edition) Brill Academic Publishers  
 This volume presents the work of Utamaro, the master ukiyo-e portraitist of women. It includes colour reproductions

from "Ten Studies of Female Physiognomy" and "Great Love Themes of Classical Poetry".

Anticipating a successful interview with a hot new comic book artist, columnist Rei Shimura turns sleuth when the artist goes missing and the artist's best friend turns up dead, in a mystery that takes Shimura from the world of Tokyo strip bars to frenzied animation conventions. Reprint.

**Floating World Japanese Prints Coloring Book** Kit Press

Today we think of ukiyo-e--"the pictures of the floating world"--as masterpieces of

Japanese art, highly prized throughout the world. Yet it is often said that ukiyo-e were little appreciated in their own time and were even used as packing material for ceramics. In *Picturing the Floating World* Julie Nelson Davis debunks this myth and demonstrates that ukiyo-e was thoroughly appreciated as a field of artistic production, worthy of connoisseurship and canonization by its contemporaries. Putting these images back into their dynamic context, she shows how consumers, critics, and makers produced and sold, appraised and collected, described and recorded ukiyo-e. She recovers this multilayered world of pictures in which some were made for a commercial market, backed by savvy entrepreneurs looking for new ways to make a profit, while others were produced for private coteries and high-ranking connoisseurs seeking to enrich their cultural capital. The book opens with an analysis of period documents to establish the terms of appraisal brought to ukiyo-e in late eighteenth-century Japan, mapping the evolution of the genre from a century earlier and the development of its typologies and the creation of a canon of

makers--both of which have defined the field ever since. Organized around divisions of major technological and aesthetic developments, the book reveals how artistic practice and commercial enterprise were intertwined throughout ukiyo-e's history, from its earliest imagery through the twentieth century. The depiction of particular subjects in and for the floating world of urban Edo and the process of negotiating this within the larger field of publishing are examined to further ground ukiyo-e as material culture, as commodities in a mercantile economy. *Picturing the Floating World* offers a new approach: a critical yet accessible analysis of the genre as it was developed in its social, cultural, and political milieu. The book introduces students, collectors, and enthusiasts to ukiyo-e as a genre under construction in its own time while contributing to our understanding of early modern visual production.

**Shadows, Dreams and Substance** Lulu Press, Inc

When Ray is sacked from his job in London, he goes to Japan hoping to start his life afresh. Things begin well: he lands work as an English teacher and strikes up

a relationship with the beautiful, intriguing Tomoe. But his world is turned upside down when Tomoe's father is found dead. Convinced that his death was a murder, Tomoe sets out after the killers, and when she goes missing Ray is forced to act. In his quest to find her he's dragged into the 'floating world' – a place of corrupt politicians, yakuza, sumo wrestlers and call-girls – living out an adventure that echoes his dreams of Tokyo's feudal past. It's a search guaranteed to bring further loss of life, and Ray is pulled into a desperate chase to ensure it won't be his.

BRILL

From the Booker Prize-winning author of *The Remains of the Day* and *When We Were Orphans*, comes an unforgettable

edge-of-your-seat mystery that is at once heartbreakingly tender and morally courageous about what it means to be human. Hailsham seems like a pleasant English boarding school, far from the influences of the city. Its students are well tended and supported, trained in art and literature, and become just the sort of people the world wants them to be. But, curiously, they are taught nothing of the outside world and are allowed little contact with it. Within the grounds of Hailsham, Kathy grows from schoolgirl to young woman, but it's only when she and her friends Ruth and Tommy leave the safe grounds of the school (as they always knew they would) that they realize the full truth of what Hailsham is. *Never Let Me Go* breaks through the boundaries of the literary novel. It is a gripping mystery, a beautiful love story, and also a scathing critique of human arrogance and a moral examination of how we treat the vulnerable and different in our society. In exploring the themes of memory and the impact of the past, Ishiguro takes on the idea of a possible future to create his most moving and powerful book to date.

From the winner of the Nobel Prize in Literature, here is the universally acclaimed novel—winner of the Booker Prize and the basis for an award-winning

film. This is Kazuo Ishiguro's profoundly compelling portrait of Stevens, the perfect butler, and of his fading, insular world in post-World War II England. Stevens, at the end of three decades of service at

Darlington Hall, spending a day on a country drive, embarks as well on a journey through the past in an effort to reassure himself that he has served humanity by serving the "great

gentleman," Lord Darlington. But lurking in his memory are doubts about the true nature of Lord Darlington's "greatness," and much graver doubts about the nature of his own life.
