Dare she reveal her secret to him, and can she keep her career if she does? Among run-ins with cowboys, natural disasters, and traveling shows, Wesley's most fascinating adventure is meeting Calvin.

Though Wesley's betrothed, the cute, clever naturalist threatens to make him fall into temptation... *If Only I Could...* Createspace Independent Publishing Platform Dustin is a seventeen-year-old young man who finds out that his girlfriend, Sandy

Its overall purpose and most of the readings

remain unchanged, but some readings have been updated to reflect recent developments in the law, including critical race theory and jury reforms. This new edition also addresses current issues regarding international and constitutional law, considering the moral and legal arguments regarding preemptive war and whether transgendered individuals

have a fundamental human right to change their sexual identity on their birth certificate. This broader focus recognizes that many clashes over legal worldview are taking place outside the realm of the common law."-- Publisher's website.

worth the risk of a deeper look. Lorenzo knows his looks are a commodity, an asset to charm and manipulate gorgeous women into marrying off-worlders. To him, it's just a job that repays a debt. Complications arise when he is assigned to lure Kat into being a starbride. He didn't expect her to be quite so challenging, nor did he anticipate the lure of her beauty.
