She's built a life behind walls and gates and security codes; she's cloistered herself away from the world almost entirely. And then, soon after David is released from prison, Eve Elliot is murdered in an attack almost identical to Melody's. With the start of a new police investigation, Melody is suddenly pulled from her ordered, secluded life and back into the messy world around her. But as she learns more about Eve's murder, Melody starts to wonder if perhaps David hadn't betrayed her after all...if perhaps the killer is someone else entirely, someone who's still out there, preparing to strike again. Narrated alternately by Melody and by Eve's lingering ghost, *The Life I Left Behind* is a taut thriller and an intimate look at two young women bound together in ways neither of them could ever have predicted.
