(PDF) *Damage Mechanisms Affecting Fixed Equipment in the ...* Damage Mechanisms Affecting Fixed Equipment API RP 571, Damage Mechanisms Affecting Fixed Equipment in the Refining Industry, Second Edition, is a recommended practice developed and published by the American Petroleum Institute (API) that provides

an in-depth look at over 60 different damage mechanisms that can occur to process equipment in refineries. The first edition was published in December of 2003, and an updated second edition was released in April of 2011. API RP 571 - Damage Mechanisms Affecting Fixed Equipment ... Corrosion Short Courses: API 571 Damage Mechanisms Affecting Fixed Equipment in the Refining and Petrochemical Industries, presented by NACE certified Corrosion Specialist (#5047). WebCorr has over 40 corrosion courses for you to choose from for In-House Training, Online and Distance
