A Butterfly Without Wings would not exist without my children. It began as their bedtime story and quickly became part of their nighttime routine. It has been years since those nights, but I can still hear their small voices speaking the caterpillar's lines - "Are you talking to me? Are you talking to me?" I am extremely delighted to share this story, and I hope you and your children find years of delight in it. - David M. F. Powers When a caterpillar spots a green leaf waving from the top of a tree, he does not think twice about the dangers lurking about. Instead, he comes up with a plan to trick those who would otherwise eat him. A Butterfly Without Wings is the charming story of a hungry, self-confident, and determined caterpillar that refuses to let obstacles stop him from reaching for his goal. The caterpillar proves that if you believe in yourself and set your mind to it, you can accomplish anything. With snappy dialogue, humor, and perfect pacing, award-winning author David M. F. Powers captures the spirit of determination and self-confidence. Powers' spirited text is perfectly paired with artist Natalia's colorful and very lively artwork. Parents and their children will love reading and re-reading this celebration of self confidence.

A true testimony of a non-believer went for a Beauty Pageant Contest with the theme "From a Caterpillar to a Butterfly" and underwent an amazing metamorphosis, being transformed into a child of God. Out of curiosity, Winnie Toh participated in a nationwide beauty pageant contest. Having shortlisted in the semi-finals, she encountered a Satanic attack and was tormented to the brink of death. Despite trying all sorts of methods to survive, she was inevitably heading towards her own death. At the point of a near-death experience, she received an SMS from a Christian friend, encouraging her to surrender her life to Jesus. Already spiritually dead and with nothing to lose, Winnie mentally surrendered herself to Jesus. God's miracles began to work: She was delivered from a physical death, and now she is a new creation in Christ, burning with passion to share with everybody the story of her life-transforming journey. Sometimes we can feel we have hit rock-bottom in every aspect of our lives. As much as we may try to work our way out of the hole—whether spiritual, financial, or emotional—it seems hopeless. Satan has his grip on us, and he is not inclined to release his grasp. Author Winnie L.B.Toh knows what it is like to suffer at Satan's hands. From a Caterpillar into a Butterfly is her testimony of an amazing personal metamorphosis where she ended up finding God. God's love immediately began to work in her life.
