 Atls Edition 10
 This Tenth Edition of the Advanced Trauma Life Support Student Course Manual reflects several changes designed to

enhance the educational content and its visual presentation. Content Updates All chapters were rewritten and revised to ensure clear coverage of the most up-to-date scientific content, which is also represented in updated references.
 ATLS - Online Learning
 A systematic, concise approach to the early care of trauma patients is the hallmark of the ATLS Program. This Tenth Edition

was developed for the ACS by members of the ATLS Committee and the ACS COT, other individual Fellows of the College, members of the international ATLS community, and nonsurgical consultants to the Committee who were selected for their special competence in trauma care and their expertise in medical education.
