## NICHOLSON BRENDA

*An Ellis Island Christmas* Harper Collins  
 An introduction to life on the coral reef.  
What Was Ellis Island? Marshall Cavendish Corporation/Ccb  
 Retells six Greek myths, including myths about Persephone, Orpheus, and Psyche.  
Journey to Ellis Island Scholastic Inc.  
 A flock of birds was moving toward me along the river, hovering over something floating on the water. It drifted downstream, closer and closer, until finally it bumped up against the dock. Though it was covered with leaves and branches, now I could tell that it was a raft. I reached down and pushed some of the leaves aside. Beneath them was a drawing of a rabbit. It looked like those ancient cave paintings I'd seen in books--

just outlines, but wild and fast and free. Nicky isn't one bit happy about spending the summer with his grandma in the Wisconsin woods, but then the raft appears and changes everything. As Nicky explores, the raft works a subtle magic, opening up the wonders all around him-- the animals of river and woods, his grandmother's humor and wisdom, and his own special talent as an artist. "Best Books 2000 (School Library Journal)" and Children's Books 2000-NY Public Lib.  
The Breadwinner Harry Kitten and Tucker Mouse  
 Despite the current explosion of interest in cognitive linguistics, there has so far been relatively little research by cognitive linguists on narrative comprehension. Catherine Emmott draws on insights from discourse analysis and artificial intelligence to present a detailed model of how readers build, maintain, and use mental representations of fictional

contexts, and how they keep track of characters and contexts within a complex, changing fictional world. The study focuses on anaphoric pronouns in narratives, assessing the accumulated knowledge required for readers to interpret these key grammatical items. The work has implications for linguistic theory since it questions several long-held assumptions about anaphora, arguing for a 'levels of consciousness' model for the processing of referring expressions.  
*A Discourse Perspective* Harper Collins  
 When Ben's best friend Peter moves away, Ben decides that he will move, too—into a "cave" under the kitchen table. Caveman Ben doesn't need any friends except his tame (stuffed) lion. He hunts for his food (thoughtfully left on a plate by Mom and Dad) and communicates in grunts. And in the safety of his cave he can imagine a world where friends control their own destinies and distance is no obstacle.

Award-winning author-illustrator team Sarah Ellis and Kim La Fave have produced yet another book in which they gently guide Ben through an experience that is both familiar and daunting to preschoolers everywhere. Ellis' text deftly taps into the thoughts and feelings of a young child, while La Fave's endearing art captures both the depths of Ben's dismay and the warmth of the family members who support him through his crisis. Young readers and listeners will celebrate with Ben as, having been given the space to work through his difficult feelings, he emerges from his cave ready to rejoin his family and look forward to new friendships.

**Havelock Ellis and the New Politics**

Penguin

Improve Fluency, Vocabulary, and Comprehension. Motivate students and improve fluency with fun repeated reading.

*In From The Cold (Novella)* Farrar, Straus and Giroux (BYR)

Describes strategies teachers can use to promote reading comprehension in students from kindergarten through eighth grade; and includes examples of student work, illustrations, and other reference tools.

*My Brothers' Flying Machine* Univ of North Carolina Press

Blind Hunter is a Marshall Cavendish publication.

**A Guide for Teachers** Routledge

Looks at the early life of Martin Luther King, Jr., as seen through the eyes of his older sister.

*At Home in the Coral Reef* Scholastic Paperbacks

When two rather stout ladies sit on Chester Cricket's home in the Old Meadow, the worm-eaten stump collapses and Chester, aided by his friends, is forced to look for a new home.

**My Brother Martin** Houghton Mifflin Harcourt

The third book in the internationally bestselling series that includes *The Breadwinner*, *Parvana's Journey* and *My Name Is Parvana*. Parvana's best friend, Shauzia, has escaped the misery of her life in Kabul, only to end up in a refugee camp in Pakistan. But she still dreams of seeing the ocean and eventually making a new life in France. This is the dream that has sustained her through the terrible years in Kabul. It is the dream for which she has forsaken family and friends. But it is hard to imagine herself in a field of purple lavender when she is living in the Widows' Compound of a muddy, crowded refugee camp outside Peshawar. Even worse, the compound is run by Mrs. Weera, Shauzia's

bossy phys ed teacher from Kabul, who insists that Shauzia be useful and make the best of a dismal situation. Shauzia finally decides to leave the camp and try her luck on the streets. She is determined to earn money to buy her passage out of the country. Peshawar is dangerous and full of desperately poor and wandering children like herself, but she has Jasper, the dog who followed her down from a shepherds' camp in the mountains. And she knows how to masquerade as a boy and comb the streets for jobs. She figures she knows how to survive. But life as a street kid is dangerous and terrifying, and even with the advantages of a strong will, brave spirit and good luck, Shauzia soon discovers that the old choices are not so easy any more. This is a powerful and very human story of a feisty, driven girl who tries to take control of her own life. The reissue includes a new cover and map, and an updated author's note and glossary to provide young readers with background and context. Royalties from the sale of this book will go to Street Kids International.

*Harry Kitten and Tucker Mouse* Routledge  
This book introduces readers to the history and culture associated with chicken nuggets, and it shows them they can make this favorite food at home. Vivid photographs and easy-to-read text aid comprehension for early readers. Features include a table of contents, an infographic, fun facts, Making Connections questions, a glossary, and an index. QR Codes in the book give readers access to book-specific resources to further their learning.

*The Orphan of Ellis Island* Oxford University Press

In the early 1900s, two cousins leave their Russian shtetl with the rest of their family to come to America, hopeful that they will all pass the dreaded inspection at Ellis Island.

Pajama Press Inc.

Describes the history of Ellis Island, a gateway for many immigrants coming to the United States in the nineteenth and early twentieth centuries, and details the restoration of the landmark and its reopening as a museum.

**Clinical Guide to Assessment and Treatment of Communication**

**Disorders** Simon and Schuster

Because the Taliban rulers of Kabul, Afghanistan impose strict limitations on women's freedom and behavior, eleven-year-old Parvana must disguise herself as a boy so that her family can survive after her father's arrest.

*Ben Says Goodbye* Candlewick Press

This book examines the typical pattern of communication development in children and adolescents to enable primary care

physicians as well as other clinicians, therapists, and practitioners to assist parents in making informed decisions based on current research. It offers an overview of communication disorders in children and adolescents that typically present before adulthood. The book describes current assessment, diagnostic procedures, and evidence-based interventions. Chapters outline the standard course of speech milestones and ages to begin screening for deficits and their risk factors. Subsequent chapters review best practices for every aspect of treatment, including care planning, discussing disorders and interventions with parents, making referrals, and collaborating with other providers. The book also discusses evidence-based interventions for specific disorder types such as language impairment, stuttering, language disabilities, and hearing impairment. In addition, the book offers guidance on how to speak about care planning as well as quality of life issues related to communication disorders with other caregivers and parents. Featured topics include: Screening and identification procedures of communication disorders. Key elements to providing family-centered care. Common causes, assessment, and treatment of specific language impairment (SLI) in children. Hearing loss and its impact on the development of communication in children. Attention deficit/hyperactivity disorder (ADHD) and the role of attention in the development of language in children. Communication development in children with autism spectrum disorder (ASD). The *Clinical Guide to Assessment and Treatment of Communication Disorders* is a must-have resource for clinicians and related professionals, researchers and professors, and graduate students in the fields of child, school, and developmental psychology, pediatrics and social work, child and adolescent psychiatry, primary care medicine, and related disciplines.

*Dreaming of America* Stenhouse Publishers  
Harry Kitten and Tucker Mouse Farrar, Straus and Giroux (BYR)  
Penguin  
During a school trip to Ellis Island, Dominick Avaro, a ten-year-old foster child, travels back in time to 1908 Italy and accompanies two young emigrants to America.

*Chicken Nuggets* Penguin  
A moving story about one family's daring journey from Poland to America and their hope for a better future in their new home. Krysia does not want to leave her home and her friend, Michi, but there are

soldiers with guns on the streets and her mother says that they must go. Krysia, her two brothers, and her mother pack their favorite belongings and begin the long, harrowing journey to America. Krysia is scared but she finds courage when she thinks of her father waiting for her in America with the promise of a better tomorrow. Inspired by Maxinne Rhea Leighton's father's journey from Poland to America, this is a powerful reminder of the beacon of hope and opportunity that Ellis Island symbolized and the importance of

family at Christmastime.

**Teaching Reading Comprehension and Vocabulary** Amsterdam University Press  
From the first brilliant rush of horses to the triumphant sight of beautiful bays, chestnuts, shiny blacks, whites, grays, and paints galloping across the pages, Paul Goble's very special book will delight all who love horses and all who love stories that tell of the spiritual connection between people and animals. His magnificent, detailed paintings evoke an almost forgotten world as he recounts a

stirring legend based on the oral tradition of the Pawnee. Focusing on a poor boy and his grandmother, adventure begins when the boy discovers an old, limping horse. Though ridiculed by his tribe, the boy cares for the horse and brings it back to health. In turn, the animal helps his friend achieve greatness, only to be betrayed. The boy's remorse is sincere, but will he be forgiven? Captivating readers, Caldecott medalist Paul Goble shows how a loving friendship changes the lives of a people.
