MOODY CAYDEN

[A Kick Lannigan Novel](#) Minotaur Books

"If you are reading this, then I am gone and this manuscript, per my instruction, has been delivered to the writer Chelsea Cain for publication as she sees fit . . ." America's favorite girl detective is back to set the record straight. According to our titian-haired heroine, she was not a fictional character, but an intrepid real-life sleuth who investigated some of the twentieth century's biggest mysteries. And the famous series she starred in was not cooked up by a team of writers, but plagiarized from her exploits by a nosy college roommate-who, not surprisingly, got a whole lot wrong. Here are the daring escapes, brilliant hunches, and dependable stock characters, including interlopers from numerous other beloved series, that have delighted generations of fans. And here, also, are the details of teen-sleuth life that you never saw: the secret romances, reckless driving, minor drinking problems, political action, and domestic drama that have, up till now, remained hidden from these brave detectives' adoring public.

[A Born Bad Novel \(#4\)](#) Pygmalion Publishing

2011 Edgar Award Winner for Best First Novel Liam Mulligan is as old school as a newspaper man gets. His beat is Providence, Rhode Island, and he knows every street and alley. He knows the priests and prostitutes, the cops and street thugs. He knows the mobsters and politicians—who are pretty much one and the same. Someone is systematically burning down the neighborhood Mulligan grew up in, people he knows and loves are perishing in the flames, and the public is on the verge of panic. With the whole city of Providence on his back, Mulligan must weed through a wildly colorful array of characters to find the truth. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Heartsick, Sweetheart, Evil at Heart, The Night Season, Kill You Twice, Let Me Go Minotaur Books

Adolescent girls can be real monsters. Maude is twelve which is just about that age when some girls turn into flesh-eating wildcats. As her detective dad investigates a series of strange mauling attacks, Maude begins to worry that she might be the killer. From the creative team that brought you the groundbreaking Eisner-nominated series *Mockingbird*, this trade paperback collects the first story arc of the unconventional coming-of-age tale including the informative survival handbook, "CAT FIGHT! A BOYS" GUIDE TO DANGEROUS CATS" and all-new never-before-published extras! Collects MAN-EATERS #1-4
[Man-Eaters: The Cursed #1 \(of 5\)](#) Bantam

A haunting crime novel set in Glacier National Park about a man

who finds himself at odds with the dark heart of the wild—and the even darker heart of human nature. It was a clear night in Glacier National Park. Fourteen-year-old Ted Systeard and his father were camping beneath the rugged peaks and starlit skies when something unimaginable happened: a grizzly bear attacked Ted's father and dragged him to his death. Now, twenty years later, as Special Agent for the Department of the Interior, Ted gets called back to investigate a crime that mirrors the horror of that night. Except this time, the victim was tied to a tree before the mauling. Ted teams up with one of the park officers—a man named Monty, whose pleasant exterior masks an all-too-vivid knowledge of the hazardous terrain surrounding them. Residents of the area turn out to be suspicious of outsiders and less than forthcoming. Their intimate connection to the wild forces them to confront nature, and their fellow man, with equal measures of reverence and ruthlessness. As the case progresses with no clear answers, more than human life is at stake—including that of the majestic creature responsible for the attack. Ted's search for the truth ends up leading him deeper into the wilderness than he ever imagined, on the trail of a killer, until he reaches a shocking and unexpected personal conclusion. As intriguing and alluring as bestselling crime novels by C.J. Box, Louise Penny, and William Kent Krueger, as atmospheric and evocative as the nature writing of John Krakauer and Cheryl Strayed, *The Wild Inside* is a gripping debut novel about the perilous, unforgiving intersection between man and nature.

A Novel Houghton Mifflin Harcourt

From the New York Times bestselling author of *A Legacy of Spies*. In this exquisitely told novel, John le Carré shows us once again his acute understanding of the world we live in and where power really lies. In the wake of the collapse of Lehman Brothers and with Britain on the brink of economic ruin, a young English couple takes a vacation in Antigua. There they meet Dima, a Russian who styles himself the world's Number One money-launderer and who wants, among other things, a game of tennis. Back in London, the couple is subjected to an interrogation by the British Secret service who also need their help. Their acquiescence will lead them on a precarious journey through Paris to a safe house in Switzerland, helpless pawns in a game of nations that reveals the unholy alliances between the Russian mafia, the City of London, the government and the competing factions of the British Secret Service.

The Archie Sheridan and Gretchen Lowell Series, Books 1-3 CreateSpace

Even as a reporter, Sheila Hamilton missed the signs as her husband Michael's mental illness unfolded before her. By the time she had pieced together the puzzle, it was too late. Her once brilliant, intense, and hilarious partner was dead within six weeks of a formal diagnosis of bipolar disorder, leaving his nine-year-old

daughter and wife without so much as a note to explain his actions, a plan to help them recover from their profound grief, or a solution for the hundreds of thousands of dollars in debt that they would inherit from him. All the Things We Never Knew takes readers from Michael and Sheila's romance through the last three months of their life together and into the year after his death. It details their unsettling descent from ordinary life into the world of mental illness, and examines the fragile line between reality and madness. Now, a decade after Michael's death, Sheila and her daughter, Sophie, have learned the power of choosing life over retreat; let themselves love and trust again; and understand the importance of forgiveness. Their story will resonate with all those who have loved someone who suffers from bipolar disease and mental illness.

Let Me Go Simon & Schuster

With the Beauty Killer Gretchen Lowell locked away behind bars once again, Archie Sheridan—a Portland police detective and nearly one of her victims—can finally rest a little easier. Meanwhile, the rest of the city of Portland is in crisis. Heavy rains have flooded the Willamette River, and several people have drowned in the quickly rising waters. Or at least that's what they thought until the medical examiner discovers that the latest victim didn't drown: She was poisoned before she went into the water. Soon after, three of those drownings are also proven to be murders. Portland has a new serial killer on its hands, and Archie and his task force have a new case. Reporter Susan Ward is chasing this story of a new serial killer with gusto, but she's also got another lead to follow for an entirely separate mystery: The flooding has unearthed a skeleton, a man who might have died more than sixty years ago, the last time Portland flooded this badly, when the water washed away an entire neighborhood and killed at least fifteen people. With Archie following the bizarre trail of evidence and evil deeds to catch a killer and possibly regain his life, and Susan Ward close behind, Chelsea Cain—one of today's most talented suspense writers—launches the next installment of her bestselling series with an electric thriller.

[Our Kind of Traitor](#) St. Martin's Press

Meet Gretchen Lowell, the stunningly beautiful psychopath The Huffington Post called "the most diabolical female serial killer in fiction," and Archie Sheridan, the police detective whom she caught and tortured...and then let go. Here together for the first time in a fabulous eBook bundle are six thrillers in Chelsea Cain's New York Times bestselling Archie Sheridan and Gretchen Lowell series. HEARTSICK Archie Sheridan finally put Gretchen Lowell, the Beauty Killer, in prison, but he can't seem to forget her. Now, he realizes that even behind bars, Gretchen might be the only person who can help him find the serial killer he's currently tracking. SWEETHEART When the body of a young woman is discovered in Portland's Forest Park, Archie can't focus on the

new investigation because the Beauty Killer case has exploded again: Gretchen Lowell has escaped from prison. EVIL AT HEART Gretchen Lowell is still on the loose, and is developing her own bizarre kind of fan club. When Archie and Gretchen last spoke, he agreed not to kill himself if she agreed not to kill anyone else. But when a new body is found accompanied by Gretchen's trademark heart, all bets are off. THE NIGHT SEASON Heavy rains have flooded Portland's Willamette River, and several people have drowned in the rising waters. And then the medical examiner discovers that four of the drownings were actually murders. Portland has a new serial killer on its hands, and Archie and his task force have a new case. KILL YOU TWICE A corpse has been discovered in Mount Tabor Park in Portland, and Gretchen claims to have inside knowledge about the grisly murder. What game is she playing this time? And more frightening, what secrets from Gretchen's past would someone kill to protect? LET ME GO Undercover in an investigation, Archie attends a party thrown by a notorious local drug kingpin. By morning, Archie is back on pain killers, a guest is dead and Archie quickly realizes that only one thing is clear: Gretchen is back in his life.

The Birthing House Dark Horse Comics

Detective Archie Sheridan just has to get through the next few days, then his birthday and Halloween will be over. But with escaped serial killer Gretchen Lowell on the loose, the investigation into the murder of a DEA agent demanding his attention, and journalist Susan Ward showing up at his apartment needing a favor, it's going to be a long weekend. Soon Archie finds himself crashing a masked ball on a private island owned by Jack Reynolds, a notorious local drug kingpin. By morning, Archie is back on pain killers, a guest is dead and Archie quickly realizes that little is what it seems. One thing is clear: Gretchen is back, and Archie's nemesis and sometimes lover has something special in mind for the birthday boy, something she's been planning for a long, long time. On Halloween Eve, with time running out, and the life of someone close to Archie on the line, Archie knows his only chance is to give Gretchen exactly what she wants. But Gretchen will prove more horrifying, and unpredictable, than Archie could ever imagine. Back with her most thrilling novel yet, Chelsea Cain delivers the pinnacle of what fans of this series have come to expect: sex, murder, twists, dark wit, and some of the best characters in the genre.

The Doll's House Minotaur Books

The new graphic novel from the team behind bestseller Man-Eaters is a terrifying, sexy, and thought-provoking espionage thriller-that also happens to be laugh-out-loud funny! The world's best spies keep watch over the Bermuda Triangle from a mysterious island outpost teeming with supernatural intrigue, monsters, and evil villains set on global domination. The best of these spies is named Nora Freud (no relation). She knows eighty-seven ways to kill someone with a cocktail toothpick, and she's used thirty-two of them. Lately though, Nora has started to feel like she's going through the motions. Close the temporal portal. Assassinate the genocidal maniac. Have sex with the MI-6 agent. Plus, the island has gotten kind of touristy. She agrees to one last mission. But when Nora's troubled marine cryptozoologist sister shows up unexpectedly, warning of mermaid attacks, Nora realizes that boredom is not her biggest problem. Laugh-out-loud funny, terrifying, sexy, and philosophical, Spy Island is the perfect comic book for anyone who enjoys travel, chardonnay, krakens, Atlantis, volcanos, scuba diving, mermaids, ghost pirates, tropical espionage, secret agents, and/or island-casual Sean Connery.*
*Sponsored by the Bermuda Triangle Chamber of Commerce. Spy Island was created by NYT best-selling author, Chelsea Cain, writer of the Archie Sheridan/Gretchen Lowell thrillers, as well as One Kick, which was adapted for television starring Chris Noth. Her previous comics include Man-Eaters (Image) and Mockingbird (Marvel), both nominated for Eisner Awards. Spy Island is co-created by Lia Mitermiquie--cocreator of Man-Eaters and illustrator of The Hippie Handbook (Chronicle), Does This Cape Make Me Look Fat (Chronicle), and Confessions of a Teen Sleuth (Bloomsbury). Spy Island also reunites the entire Man-Eaters creative team, including Elise McCall, Rachele Rosenberg, Joe Caramagna, Eliza Fantastic Mohan, Stella Greenvoss, Emily Powell, and Liv Osborn.

Evil at Heart Bloomsbury Publishing USA

Damaged detective Archie Sheridan is back home in Portland, Or., trying to resume a normal life. Archie's ties to serial killer Gretchen Lowell still run deep, even if he's stopped their weekly visits in prison. Meanwhile, reporter Susan Ward is finishing an article accusing a beloved U.S. senator of seducing his children's 14-year-old babysitter a decade earlier. When three bodies are discovered in a local park where Archie's team found Gretchen's first victim 12 years earlier, Archie worries another serial killer is at large. After the senator's unexpected death, Susan discovers links between the sex scandal and the bodies in the park. When Gretchen escapes from prison, Archie knows he's the only one who can stop her from killing.

Minotaur Books

Don't believe the radical pro-feline media. PANTHERISM IS REAL. Does your daughter exhibit cat-like behaviors? Does she engage in self-grooming? Does she try to go out at night? Is she impertinent? Ruminations is here to help! Page through our promotional catalog to find the ideal treatment solution.

The Calling Forge Books

Now in paperback, Carver's internationally bestselling debut thriller featuring a very different kind of serial killer. A shocking double-murder scene greets Detective Inspector Philip Brennan when he is called to a flat in Colchester. Two women are viciously cut open and lying spread-eagled, one tied to the bed, one on the floor. The woman on the bed has had her stomach cut into and her unborn child is missing. But this is the third time Phil and his team have seen such an atrocity. Two other pregnant women have been killed in this way and their babies taken from them. No one can imagine what sort of person would want to commit such horrible crimes. When psychologist Marina Esposito is brought in, Phil has to put aside his feelings about their shared past and get on with the job. But can they find the killer before another woman is targeted?

The Night Season Simon and Schuster

Cass Neary, a photographer who made a name for herself in the seventies as a chronicler of the punk movement, now finds herself adrift when someone sends her on a mercy gig to interview a famed, reclusive photographer on an island in Maine, where she stumbles across an old mystery that is still claiming victims. Reprint.

Kick Back Houghton Mifflin Harcourt

It was expecting them. Conrad and Joanna Harrison, a young couple from Los Angeles, attempt to save their marriage by leaving the pressures of the city to start anew in a quiet, rural setting. They buy a Victorian mansion that once served as a haven for unwed mothers, called a birthing house. One day when Joanna is away, the previous owner visits Conrad to bequeath a vital piece of the house's historic heritage, a photo album that he claims "belongs to the house." Thumbing through the old, sepia-colored photographs of midwives and fearful, unhappily pregnant girls in their starched, nineteenth-century dresses, Conrad is suddenly chilled to the bone: staring back at him with a countenance of hatred and rage is the image of his own wife.... Thus begins a story of possession, sexual obsession, and, ultimately, murder, as a centuries-old crime is reenacted in the present, turning Conrad and Joanna's American dream into a relentless nightmare. An extraordinary marriage of supernatural thrills and exquisite psychological suspense, *The Birthing House* marks the debut of a writer whose first novel is a terrifying tour de force.

The Archie Sheridan and Gretchen Lowell Series, Books 4-6 Image Comics

From the author of the critically acclaimed Archie Sheridan and Gretchen Lowell thrillers, here is a heart-stopping ride that Cheryl Strayed (author of #1 New York Times bestseller *Wild*) called "deeply intelligent and grippingly suspenseful...a wickedly brilliant masterpiece." Kick Lannigan has taught herself to be dangerous. She can pick any lock, fire any weapon, throw any knife, and aim a punch at her opponent's trachea. She has also taught herself to be safe. So when enigmatic John Bishop shows up asking her to help him rescue missing kids, Kick has every reason to be wary. He appears to have access to limitless money, high-level contacts, and details of Kick's background long kept

sealed by the court. Yet everything he tells her about himself seems to be a lie. Headstrong by nature, suspicious by circumstance, and a smart-ass by self-determination, Kick can't help but see the writing on the wall: together, she and Bishop could make an unstoppable team, willing to do whatever it takes—legal or not—to see justice served...if they don't kill each other first. For Kick, whose interest in child abduction is deeply personal, it's a gamble worth taking. Critically acclaimed as "excruciating...compelling" (Booklist, starred review) and "a propulsive new thriller" (People), *One Kick* is an engrossing, entertaining new novel you won't want to miss.

Man-Eaters: Tomorrow Belongs To You! (One-Shot) Penguin

Suzanne Perry is having a vivid nightmare. Someone is in her bedroom, touching her, and she can't move a muscle. She wakes, relieved to put the nightmare behind her, but when she opens the curtains, she sees a polaroid stuck to the window. A photo of her, sleeping, taken during the night. And underneath, the words: "I'm watching over you." Her nightmare isn't over. In fact, it's just beginning. Detective Inspector Phil Brennan of the Major Incident Squad has a killer to hunt. A killer who stalks young women, insinuates himself into their lives, and ultimately tortures and murders them in the most shocking way possible. But the more Phil investigates, the more he delves into the twisted psychology of his query, Phil realizes that it isn't just a serial killer he's hunting but something - or someone - infinitely more calculating and horrific. And much closer to home than he realized.

Evan After St. Martin's Press

Gretchen Lowell is still on the loose. These days, she's more of a cause célèbre than a feared killer, thanks to sensationalist news coverage that has made her a star. Her face graces magazine covers and there have been sightings of her around the world. Most shocking of all, Portland Herald reporter Susan Ward has uncovered a bizarre fan club which celebrates the number of days she's been free... Archie Sheridan hunted Gretchen for a decade, and after his last ploy to catch her went spectacularly wrong, he remains hospitalized months later. When they last spoke, they entered a détente of sorts—Archie agreed not to kill himself if she agreed not to kill anyone else. But when a new body is found accompanied by Gretchen's trademark heart, all bets are off and Archie is forced back into action. Is the Beauty Killer back—or has the cult surrounding her created a whole new evil?

The Complete Archie Sheridan and Gretchen Lowell Series, Books 1 - 6 Marvel Entertainment

It began with an accident. It will end in a sacrifice. Two weeks after his eighteenth birthday, Evan Nash's life changes forever. When strange problems from an accident drive him to seek help from a skeptical psychiatrist, the full extent of his metamorphosis begins to reveal itself. But Dr. Shannon Mayer has troubles of her own. Trying hopelessly to cope with a devastating past, one that is slowly destroying her, Mayer now finds herself with nowhere left to turn. Even worse, she soon realizes that Evan is caught in a very real struggle of life and death. Two battles. Both are losing. Together, they must discover that even in the darkest days, when all seems lost, there always remains a glimmer of hope.
