Additionally, the title provides insight into the historical background and the present of this influential and often volatile region. Part I sets out precise biographical details on some 6,000 eminent individuals who influence every sphere of public life in politics, culture and society. Part II surveys the 19 Arab Countries, providing detailed information

on the geography, history, constitution, economy and culture of the individual countries. Part III provides information on the historical background of the Arab world. Indexes by country and profession supplement the biographical section. A select bibliography of secondary literature on the Middle East is also included.
