When Lucy Scott gave birth to her

adorable daughter Lois, nothing prepared her for the momentous task of caring for this new little person. Compelled to preserve the memories of her first year, Lucy started drawing, and so emerged Doodle Diary of a New Mum. From baby's first trip to the health visitor to her shrine to wet wipes, this funny collection of Lucy's doodles depicts dozens of dramatic, terrifying, and unforgettable new-mum moments. Sadly, and much to Lucy's dismay, she still cannot find any chapters in any parenting book on surviving the first trip to a pub with a baby.
