As it enters its sixtieth
year of independence,
India stands on the
threshold of superpower
status. Yet India is
strikingly different from all
other global colossi. While
it is the world's most
populous democracy and

enjoys the benefits of its
internationally
competitive high-tech and
software industries, India
also contends with
extremes of poverty,
inequality, and political
and religious violence.
This accessible and vividly
written book presents a
new interpretation of
India's history, focusing
particular attention on the
impact of British
imperialism on
Independent India. Maria

Misra begins with the
rebellion against the
British in 1857 and tracks
the country's advance to
the present day. India's
extremes persist, the
author argues, because
its politics rest upon a
peculiar foundation in
which traditional ideas of
hierarchy, difference, and
privilege coexist to a
remarkable degree with
modern notions of
equality and democracy.
The challenge of India's

leaders today, as in the last sixty years, is to weave together the disparate threads of the nation's ancient culture, colonial legacy, and modern experience.

Investigators, Colonel Cathcart, Closing Time, Catch 22, Catch as Catch Can: The Collected Stories and Other Writings. Excerpt: Catch-22 is a satirical, historical novel by the American author Joseph Heller, first published in 1961. The novel, set during the later stages of World War II from 1944 onwards, is frequently cited as one of the great literary works of

the twentieth century. It has a distinctive non-chronological style where events are described from different characters' points of view and out of sequence so that the time line develops along with the plot. The novel follows Yossarian, a U.S. Army Air Forces B-25 bombardier, and a number of other characters. Most events occur while the Airmen of the fictional 256th squadron are based on the island of Pianosa, in the Mediterranean Sea west of Italy. Among other things, Catch-22 is a

general critique of bureaucratic operation and reasoning. Resulting from its specific use in the book, the phrase "Catch-22" is common idiomatic usage meaning "a no-win situation" or "a double bind" of any type. Within the book, "Catch-22" is a military rule, the self-contradictory circular logic that, for example, prevents anyone from avoiding combat missions. In Heller's own words: There was only one catch and that was Catch-22, which specified that a concern

for one's safety in the face of dangers that were real and immediate was the process of a rational mind. Orr was crazy and could be grounded. All he had to do was ask; and as soon as he did, he would no longer be crazy and would have to fly more missions. Orr would be crazy to fly more...

Catch-22 Catch-22A Novel

Bob Slocum was living the American dream. He had a beautiful wife, three lovely children, a nice house...and all the mistresses he desired. He had it all -- all, that is, but happiness. Slocum was discontent. Inevitably,

inexorably, his discontent deteriorated into desolation until...something happened. Something Happened is Joseph Heller's wonderfully inventive and controversial second novel satirizing business life and American culture. The story is told as if the reader was overhearing the patter of Bob Slocum's brain -- recording what is going on at the office, as well as his fantasies and memories that complete the story of his life. The result is a novel as

original and memorable as his *Catch-22*. *Almost Like Christmas* Spark Publishing Group At a time when faster and easier electronic media threaten to eclipse reading and literature, the author explores reasons for reading and demonstrates the aesthetic pleasure reading can bring. *Portrait of an Artist, as an Old Man* Cliffs Notes Get your "A" in gear! Random House

A darkly comic and ambitious sequel to the American classic *Catch-22*. In *Closing Time*, Joseph Heller returns to the characters of *Catch-22*, now coming to the end of their lives and the century, as is the entire generation that

fought in World War II: Yossarian and Milo Minderbinder, the chaplain, and such newcomers as little Sammy Singer and giant Lew, all linked, in an uneasy peace and old age, fighting not the Germans this time, but The End. *Closing Time* deftly satirizes the realities and the myths of America in the half century since WWII: the absurdity of our politics, the decline of our society and our great cities, the greed and hypocrisy of our business and culture -

- with the same ferocious humor as *Catch-22*. *Closing Time* is outrageously funny and totally serious, and as brilliant and successful as *Catch-22* itself, a fun-house mirror that captures, at once grotesquely and accurately, the truth about ourselves.

Now and Then

Casemate

An uproarious and frank memoir of illness and recovery, *No Laughing Matter* is a story of friendship and recuperation from the

author of the classic *Catch-22*. It all began one typical day in the life of Joe Heller. He was jogging four miles at a clip these days, working on his novel *God Knows*, coping with the complications of an unpleasant divorce, and pigging out once or twice a week on Chinese food with cronies like Mel Brooks, Mario Puzo, and his buddy of more than twenty years, Speed Vogel. He was feeling perfectly fine that day—but within twenty-four hours he would be in intensive care at

Manhattan's Mount Sinai Hospital. He would remain hospitalized for nearly six months and leave in a wheelchair. Joseph Heller had Guillain-Barré syndrome, a debilitating, sometimes fatal condition that can leave its victims paralyzed from head to toe. The clan gathered immediately. Speed—sometime artist, sometime businessman, sometime herring taster, and now a coauthor—moved into Joe's apartment as messenger, servant, and shaman. Mel Brooks, arch-

hypochondriac of the Western world, knew as much about Heller's condition as the doctors. Mario Puzo, author of the preeminent gangster novel of our time, proved to be the most reluctant man ever to be dragged along on a hospital visit. These and lots of others rallied around the sickbed in a show of loyalty and friendship that not only built a wild and spirited camaraderie but helped bring Joe Heller, writer and buddy extraordinaire, through his greatest crisis. This book is an

inspiring, hilarious memoir of a calamitous illness and the rocky road to recuperation—as only the author of *Catch-22* and the friend who helped him back to health could tell it. No Laughing Matter is as wacky, terrifying, and greathearted as any fiction Joseph Heller ever wrote.

A Novel Infobase Publishing

The real-life companion to the literary classic—written and illustrated by the daughter of the 340th Bomb Group's

commander, *Catch-22*'s Col. Cathcart. After the publication of his bestselling novel *Catch-22*, Joseph Heller usually chose to deny that any of his richly drawn characters were based on his actual war mates. However, to those who served with Heller in the 340th Bomb Group, the novel's characters were indeed recognizable—the hard-drinking, vengeful, and disillusioned Chief White Halfcoat; young, sliced-in-half Kid Sampson; shrieking, frenzied Hungry Joe; Col.

Cathcart; Gen. Dreedle; Yossarian; and that capitalist supreme, Milo Minderbinder. In this book, written and colorfully illustrated by the daughter of the 340th Bomb Group's commander, Col. Willis Chapman, we finally encounter the real men and combat missions on which the novel was based. While Heller's fully developed characters stand solely, solidly, and uniquely on their own merits, *The True Story of Catch-22* proves that any resemblance to persons

living or dead is, in fact, actual. This three-part book blends fact, fancy, and history with full-blown original illustrations and rare, previously unpublished photos of these daring USAAF flyers and their Corsica-based B-25 Mitchell. Along with descriptions of the 340th's real wartime experiences, the work includes twelve men of the Bomb Group relating richly told tales of their own. "In these pages it is a great pleasure to finally see the real story behind the fictionalized account,

and to be even more impressed." —Scott Carpenter, NASA astronaut "Heller's satiric caricatures are here shown to have stemmed from patriotic, courageous, highly decorated airmen who daily performed heroic wartime feats against overwhelming obstacles." —Library Journal

Heller's *Catch 22* has
received much feedback
since its publishment in
1961. Critics differ in their
opions about Heller's first
novel. Reviews in
Time,the London

Observer, Newsweek or
Saturday Review
expressed the enthusiasm
which the novel caused
among its readers. Robert
Brustein called *Catch 22*
an "explosive, bitter,
subversive, brilliant
book", The Times said:
"Written with
brilliance...echoes with

laughter...magnificent."
These are only two
examples of many
positive responses
towards the book. But as
usual there also have
been various negative
critics about *Catch 22*.

Some reviewers found
Heller's book "unpatriotic,
its sexual references
offensive, its style
repetitious, its structure
incoherent, its characters
unbelievable."Others
even argued that the
book is not a novel, that it
doesn't show any
structural pattern or
unifying elements. This
work is supposed to show
that *Catch 22* contains
structural patterns as well
as unifying elements, that
Heller's first novel rightly
deserves the positive
reviews on his book. It
starts to discover some of

the most central themes in the book and then deals with a few structural patterns of *Catch 22*.

A Study Guide for Joseph Heller's Catch-22 Simon and Schuster

"The first really good book I have read about television." —Norman Mailer In midcentury America, one man is determined to take over the airwaves with a program as audacious as it is entertaining. Bald, bombastic, and irresistible, Golk is his name and *You're On Camera* is his show. To

"golk" someone is to trick her, on camera, into betraying her true nature. The more combative the personality, the better the joke, and to help trap his victims Golk enlists a team of misfits, including Herbert Hondorp, a scholarly layabout turned photogenic decoy, and Jeanine Hendricks, a twenty-three-old debutante with a bitter worldview. But Golk has bigger plans than just catching average Manhattanites unawares. As popular as *You're On Camera* has become, he

knows the show is capable of making a greater, more transformative impact. The question is, will Herbert and Hendricks go along with his revolutionary agenda? Or will they bow to the power of the network and the seduction of celebrity? Combining high drama with surreal hilarity and presenting a remarkably prescient view of the future of television, Golk ranks with Nathanael West's *The Day of the Locust* as one of the finest novels ever written about

the American entertainment industry.

HELLER'S LIFE, when

people learned that Joseph Heller was her

father, they often

remarked, "How terrific!"

But was there a catch?

Like his most famous

work, her father was a

study in contradictions:

eccentric, brilliant, and

voracious, but also

mercurial, competitive,

and stubborn, with a love

of mischief that

sometimes cut too close to the bone. Being raised by such a larger than- life personality could be claustrophobic, even at the sprawling Upper West Side apartments of the Aptthorp, which the Hellers called home—in one way or another—for forty-five years. Yossarian Slept Here is Erica Heller's wickedly funny but also poignant and incisive memoir about growing up in a family—her iconic father; her wry, beautiful mother, Shirley; her younger brother, Ted; her relentlessly inventive

grandmother Dottie—that could be by turns caring, infuriating, and exasperating, though anything but dull. From the forbidden pleasures of ordering shrimp cocktail when it was beyond the family's budget to spending a summer, as her father's fame grew, at the Beverly Hills Hotel, Erica details the Hellers' charmed—and charmingly turbulent—trajectory. She offers a rare glimpse of meetings with the Gourmet Club, where her father would dine weekly with Mel Brooks, Zero

Mostel, and Mario Puzo, among others (and from which all wives and children were strictly verboten). She introduces us to many extraordinary residents of the Apthorp, some famous—George Balanchine, Sidney Poitier, and Lena Horne, to name a few—and some not famous, but all quite memorable. Yet she also manages to limn the complex bonds of loyalty and guilt, hurt and healing, that define every family. Erica was among those present at her father's bedside as he

struggled to recover from Guillain-Barré syndrome and then cared for her mother when Shirley was diagnosed with terminal cancer after the thirty-eight-year marriage and intensely passionate partnership with Joe had ended. Witty and perceptive, and displaying the descriptive gifts of a born storyteller, this authentic and colorful portrait of life in the Heller household unfolds alongside the saga of the family's moves into four distinctive apartments within the Apthorp, each

representing a different phase of their lives together—and apart. It is a story about achieving a dream; about fame and its aftermath; about lasting love, squandered opportunities, and how to have the best meal in Chinatown.

Not many writers introduce a phrase - let alone a whole idea - into the language. In CATCH-22, Joseph Heller invented a motif for the modern world. For that book alone he is one of

the greatest American writers of the twentieth century. But where did the author who was able to create that novel come from? And what happened to those remarkable characters? CATCH AS CATCH CAN for the first time collects early works, previously unpublished stories and lost chapters of CATCH-22 to chart the development of a genius. It also explores the consequences in the later stories of the unforgettable Yossarian, and Heller's non-fiction pieces, in which the

author reflects upon his childhood in Coney Island and the novel which shaped everything that was written after it.

Now all of the men upon whom Heller based his characters are gone. However, the last survivor, George L. Wells, was an extraordinary combat pilot who tied the record for the number of bombing missions flown in WWII with 102. George, the model for Catch-22's

Capt. Wren, is the common thread who weaves through this book, allowing the reader to truly feel the war and even thumb through George's well-worn mission book describing attacks on Axis ports, ships, bridges, and the notorious Brenner Pass. In this book the reader will discover that truth is indeed as fascinating as fiction! Author Patricia Chapman Meder has been a professional artist in both fine and commercial art for the past 35 years, 13 of them in Europe.

When *Catch-22* was published it was quickly apparent that this book was based on the Bomb Group her father commanded in World War II. This true-life parallel book thus begged to be written. Pat Meder has also written a full-color companion work to "The True Story of *Catch-22*," containing her delightful original artwork and caricatures of the individuals, "The True Story of *Catch-22* Illustrated".

The New York Times bestselling writer Tracy Daugherty illuminates his most vital subject yet in this first biography of the *Catch-22* author Joseph Heller Joseph Heller was a Coney Island kid, the son of Russian immigrants, who went on to great fame and fortune. His most memorable novel took its inspiration from a mission he flew over France in WWII (his plane was filled with so much shrapnel it was a wonder it stayed in the air). Heller wrote seven novels, all of which remain in print.

Something Happened and *Good as Gold*, to name two, are still considered the epitome of satire. His life was filled with women and romantic indiscretions, but he was perhaps more famous for his friendships—he counted Mel Brooks, Zero Mostel, Carl Reiner, Kurt Vonnegut, Norman Mailer, Mario Puzo, Dustin Hoffman, Woody Allen, and many others among his confidantes. In 1981 Heller was diagnosed with Guillain-Barré Syndrome, a debilitating syndrome that could have cost him

his life. Miraculously, he recovered. When he passed away in 1999 from natural causes, he left behind a body of work that continues to sell hundreds of thousands of copies a year. Just One Catch is the first biography of Yossarian's creator.

Catch 22, l'Article 22, est un " attrape-nigaud " qui

permet à un colonel américain d'imposer un nombre de missions sans cesse croissant à son escadrille de bombardiers basée dans une petite île de la Méditerranée pendant la Seconde Guerre mondiale. Yossarian, héros tragicomique de cette épopée burlesque, est décidé à tout tenter pour sauver sa peau : il estime que sa seule mission,

quand il s'envole, consiste à atterrir vivant. Simuler la folie dans cet univers délirant lui paraît le meilleur moyen de tirer au flanc. Hélas, l'Article 22 stipule : " Quiconque veut se dispenser d'aller au feu n'est pas réellement fou.
