**The Pillars of Society, and Other Plays** Penguin UK

What is a stalker? And what kind of life can a woman lead when she knows she is being followed, obsessively and perhaps dangerously, by one? This is the dilemma facing Theresa Bedell, a reporter in New York, in Rebecca Gilman's tensely fascinating new play. When Theresa goes on an awkward blind date with a friend of a friend, she sees no reason to continue the relationship--but the man, an attractive fellow named Tony, thinks otherwise. While

Theresa is at first annoyed yet flattered by his continuing attention, her attitude gradually changes to one of fear and fury when he starts violently to menace her and those around her. In brilliantly delineating the kind of terror a woman in full control of her life feels when everything around her suddenly seems to be a threat, Gilman probes the dark side of relationships in the 1990s with the rich insight and compelling characterizations that have distinguished her earlier plays and made her one of the most exciting young playwrights working today.

*Why Some Things Matter* Routledge

A study guide for Katherine Mansfield's "The Doll's House", excerpted from Gale's acclaimed *Short Stories for Students* series.

This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust *Short Stories for Students* for all of your research needs.

*Boy Gets Girl* Penguin UK

Provides teaching strategies, background, and suggested resources; reproducible student pages to use before, during, and after reading--Cover.

**Trifles** Henrick Ibsen's *A Doll's House*A Study-guide

The primal beating heart at the center of much of the Western literary canon can be found in the folk stories, myths, and fairy tales collected by the amateur folklorists Wilhelm and Jacob Grimm. Surprisingly graphic in comparison to their sanitized twentieth-century retellings, these intense tales are not for the faint at heart. A must-read for any fan of folklore.

A Memoir Flatiron Books

*Trans Dilemmas* presents the findings of a three-year research project which examined the lived experiences of trans people in Australia's Northern Territory. The book argues that whilst trans people, who live in remote areas, experience issues which may not be distinct from those living in urban areas and the inner-city, these issues can be aggravated by geographic and demographic factors. By conducting online surveys and in-depth interviews, Stephen Kerry brings to light the issues for transgender people which are compounded by living in sparsely populated, remote communities. Namely social isolation, maintaining relationships

with friends, family and partners, and the difficulties accessing health care. The book also includes significant findings on the experiences and treatment of Australia's trans Aboriginal people, also known as sistergirls and brotherboys. An analysis of first-person narratives by sistergirls and brotherboys reveals the racism within predominantly white trans communities and transphobia within traditional Aboriginal communities, which they are uniquely faced with. *Trans Dilemmas* represents an important contribution to contemporary research into the lives of transgender Australians. It gives a voice to those transgender people living in the more isolated communities in Australia, which up until now, have been largely unheard. For students and researchers in Queer Studies and Gender Studies, this is valuable reading.

*Henrick Ibsen's A Doll's House* Routledge

Amy and her sister solve the mystery of why the dolls in the attic dollhouse mysteriously move from where they were left and why their Aunt Clare gets angry with questions about the dollhouse.

A Doll's House, Part 2 (TCG Edition) GENERAL PRESS

Tottie is a loving little wooden doll who lives with her family in a shoebox. The doll family is owned by two sisters, Emily and Charlotte, and they are very happy, except for one thing: they long for a proper home. To their delight, their wish comes true when Emily and Charlotte fix up a Victorian dolls' house - just for them. It's perfect. But then a new arrival starts to wreak havoc in the dolls' house. For Marchpane might be a wonderfully beautiful doll, but she is also terribly cruel. And she always gets her own way . . . First published in 1947, Rumer Godden's classic *The Dolls' House* has been delighting children for years, and this beautiful edition, illustrated by Jane Ray, will delight future generations for years to come.

*A Doll's House* Northland Pub

Roald Dahl's *Charlie and the Chocolate Factory* in glorious full colour. Mr Willy Wonka is the most extraordinary chocolate maker in the world. And do you know who Charlie is? Charlie Bucket is the hero. The other children in this book are nasty little beasts, called: Augustus Gloop - a great big greedy nincompoop; Veruca Salt - a spoiled brat; Violet Beauregarde - a repulsive little gum-chewer; Mike Teavee - a boy who only watches television.

Clutching their Golden Tickets, they arrive at Wonka's chocolate factory. But what mysterious secrets will they discover? Our tour is about to begin. Please don't wander off. Mr Wonka wouldn't like to lose any of you at this stage of the proceedings . . . Look out for new Roald Dahl apps in the App store and Google Play- including the disgusting TWIT OR MISS! inspired by the revolting Twits.

The Tempest Study Guide Oxford University Press, USA

From the duo behind the massively successful and award-winning podcast Stuff You Should Know comes an unexpected look at things you thought you knew. Josh Clark and Chuck Bryant started the podcast Stuff You Should Know back in 2008 because they were curious—curious about the world around them, curious about what they might have missed in their formal educations, and curious to dig deeper on stuff they thought they understood. As it turns out, they aren't the only curious ones. They've since amassed a rabid fan base, making Stuff You Should Know one of the most popular podcasts in the world. Armed with their inquisitive natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics. The pair have now taken their near-boundless "whys" and "hows" from your earbuds to the pages of a book for the first time—featuring a completely new array of subjects that they've long wondered about and wanted to explore. Each chapter is further embellished with snappy visual material to allow for rabbit-hole tangents and digressions—including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of being lost. Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get curious with Stuff You Should Know. With Josh and Chuck as your guide, there's something interesting about everything (...except maybe jackhammers).

A Beginners' Guide to the Dolls' House Hobby Methuen Drama

A woman and her husband rent a summer house, but what should be a restful getaway turns into a suffocating psychological battle.

This chilling account of postpartum depression and a husband's controlling behavior in the guise of treatment will leave you breathless. 2018 Reprint of 1892 Edition. This short story is regarded as an important early work of American feminist literature, illustrating attitudes in the 19th century toward women's health, both physical and mental. Presented in the first person, the story is a collection of journal entries written by a woman whose physician husband (John) has rented an old mansion for the summer. Forgoing other rooms in the house, the couple moves into the upstairs nursery. As a form of treatment, the unnamed woman is forbidden from working, and is encouraged to eat well and get plenty of exercise and air, so she can recuperate from what he calls a "temporary nervous depression - a slight hysterical tendency", a diagnosis common to women in that period. Gilman used her writing to explore the role of women in America at the time. She explored issues such as the lack of a life outside the home and the oppressive forces of the patriarchal society. Through her work Gilman paved the way for writers such as Alice Walker and Sylvia Plath. Written with barely controlled fury after she was confined to her room for 'nerves' and forbidden to write, Gilman's pioneering feminist horror story scandalized nineteenth-century readers with its portrayal of a woman who loses her mind because she has literally nothing to do. Introducing Little Black Classics: 80 books for Penguin's 80th birthday. Little Black Classics celebrate the huge range and diversity of Penguin Classics, with books from around the world and across many centuries. They take us from a balloon ride over Victorian London to a garden of blossom in Japan, from Tierra del Fuego to 16th-century California and the Russian steppe. Here are stories lyrical and savage; poems epic and intimate; essays satirical and inspirational; and ideas that have shaped the lives of millions.

*Essays on Theatre and Gender* Farrar, Straus and Giroux  
William Setzekorn weaves the folklore, facts, history, culture, economics and geography of Belize into an exciting mini-encyclopedia. His portrait of this proud new nation is painted with

humor, gentleness, fact and empathy presenting a credible picture of modern day Belize. Reading with the ease and excitement of a novel it is more than a history book, a travelog or an encyclopedia giving the reader a feeling of kinship with the struggles and joy of this tiny new nation. A mixture of Africans, Mestizos, East Indians, Europeans, Syrians, Lebanese, Mayans, and Chinese; Belize has grown into a heterogenous mosaic of a strong and brave country which is no bigger than Cambridge, Massachusetts. Studying the influences of British domination and Spanish intimidation up to the recent movements for self-government and independence, Setzekorn presents to the reader an accounting of Belizean social and political vicissitudes -- a long and tortuous, yet coherent, struggle for national and cultural identity. Book jacket.

**THE YELLOW WALLPAPER** Scholastic Paperbacks

Reproduction of the original: *A Doll's House* by Henrik Ibsen

**The Complete Guide to Collecting Kachina Dolls** York Notes

"Smart, funny and utterly engrossing...This unexpectedly rich sequel reminds us that houses tremble and sometimes fall when doors slam, and that there are living people within, who may be wounded or lost...Mr. Hnath has a deft hand for combining incongruous elements to illuminating ends." —Ben Brantley, *New York Times* It has been fifteen years since Nora Helmer slammed the door on her stifling domestic life, when a knock comes at that same door. It is Nora, and she has returned with an urgent request. What will her sudden return mean to those she left behind? Lucas Hnath's funny, probing, and bold play is both a continuation of Ibsen's complex exploration of traditional gender roles, as well as a sharp contemporary take on the struggles inherent in all human relationships across time.

Living in Australia's Remote Areas and in Aboriginal Communities  
Gale, Cengage Learning

Writing with grace, wit, and remarkable candor, actress Claire Bloom looks back at her crowded life: her accomplishments on stage and screen; her romantic liaisons with some of the great leading men of our era; and at "the most important relationship" of her life--her marriage to author Philip Roth. of photos.
