**Ein wenig Leben** Lonely Planet  
Omar Cabezas,  
Nicaragua, and the  
Narrative of Liberation  
considers themes of

liberation, utopia, orality,  
and humor in the works of  
Omar Cabezas as they  
relate to national and  
cultural identity in Latin  
America. It assesses the  
symbiotic relationship  
between the works of  
Cabezas and the post-  
revolutionary  
reformulation of  
Nicaraguan identity.

Springer

Frommer's Central

America is the premier guide to the region, with complete coverage of Belize, Guatemala, Honduras, El Salvador, Nicaragua, Costa Rica, and Panama. Whether you're an archaeology buff, an outdoor adventurer, or a partier in search of a good time, Central America presents so many diverse travel options that it'll make your head spin. Frommer's Central

America will help you plan a memorable trip, starting with our highly opinionated lists of the best experiences the region has to offer. Our authors have lived in and written about Central America for years, so they're able to provide valuable insights and advice. They'll steer you away from the touristy and the inauthentic, and show you the real heart of this region. Let them take you to exciting cities, charming colonial towns, lovely beach resorts, ancient ruins, traditional

Maya villages, and natural wonders, with advice on everything from hiking Costa Rica's cloudforests, to touring Nicaragua's volcanoes, to snorkeling Belize's Barrier Reef. You'll travel Central America like a pro with our candid advice and handy Spanish-language glossary. Also included are accurate regional and town maps (including site plans of the major ruins), up-to-date advice on finding the best package deals, and extensive info on sustainable travel. [I've Got You Under My](#)

Skin Goldmann Verlag  
Containing roughly 850 entries about Spanish-language literature throughout the world, this expansive work provides coverage of the varied countries, ethnicities, time periods, literary movements, and genres of these writings. Providing a thorough introduction to Spanish-language literature worldwide and across time is a tall order. However, *World Literature in Spanish: An Encyclopedia* contains roughly 850 entries on

both major and minor authors, themes, genres, and topics of Spanish literature from the Middle Ages to the present day, affording an amazingly comprehensive reference collection in a single work. This encyclopedia describes the growing diversity within national borders, the increasing interdependence among nations, and the myriad impacts of Spanish literature across the globe. All countries that produce literature in Spanish in Europe, Africa, the Americas, and Asia

are represented, covering both canonical authors and emerging contemporary writers and trends. Underrepresented writings—such as texts by women writers, queer and Afro-Hispanic texts, children's literature, and works on relevant but less studied topics such as sports and nationalism—also appear. While writings throughout the centuries are covered, those of the 20th and 21st centuries receive special consideration.

The United Nations

Convention on the Rights

of Persons with

Disabilities (CRPD) is

increasingly used to

civilize grassroots

disabled persons'

organizations (DPOs)

around the world. The

international disability

rights movement actively

promotes the CRPD's key

norm that disabled

persons mobilize in

support of their rights

under the Convention.

The unintended

consequence of these

activities, however, is that local groups focused on social support and service provision, rather than disability-rights advocacy, are targeted for change.

While the resources provided by international actors to grassroots organizations provide new opportunities, they also create barriers to local groups' ability to promote full civic participation of their members in the local community. Through a detailed account of grassroots DPOs in Nicaragua, *Civilizing Disability Society*

demonstrates how local organizations navigate pressures from abroad as they attempt to concretely address the health, education and economic needs of their members at home.

*Die Republik der Frauen*  
Lonely Planet  
More and more travelers are discovering the delights of Nicaragua—a land of lakes and volcanoes. The image has persisted of a country racked by revolution and war, but the reality awaiting travelers couldn't be more different. The largest country in Central America, Nicaragua is also one of the most diverse and least explored, with a chain of puffing volcanoes along the Pacific coast, two huge freshwater lakes, important rainforest

reserves on the tropical Mosquito Coast, and tiny, picture-postcard Caribbean islands where English Creole is the lingua franca. Travelers' budgets will stretch further here than in other Latin American destinations, and around every corner, there are cobblestone streets, high-altitude coffee plantations, world-class bird-watching, perfect surf, and Flor de Caña, the smoothest rum that ever came out of an oak barrel. Culture Smart! Nicaragua offers readers an insider's

view of the country and its people. It explores Nicaragua's national traditions, turbulent history, tasty local dishes, fun fiestas, and unique cultural expressions. It arms readers with key phrases in Nica-speak, or Nicañol, so you can break the ice, and provides insights into what the people of Nicaragua are like at home, at play, and in business.

John Wiley & Sons  
Los Angeles magazine is a regional magazine of national stature. Our

combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle

that is uniquely Southern Californian.  
*Bewohnte Frau*  
 HarperCollins UK  
 "Ein wenig Leben" handelt von der lebenslangen Freundschaft zwischen vier Männern in New York, die sich am College kennengelernt haben. Jude St. Francis, brillant und enigmatisch, ist die charismatische Figur im Zentrum der Gruppe – ein aufopfernd liebender und zugleich innerlich zerbrochener Mensch. Immer tiefer werden die Freunde in Judes dunkle, schmerzhaft Welt

hineingesogen, deren Ungeheuer nach und nach hervortreten. "Ein wenig Leben" ist ein rauschhaftes, mit kaum fasslicher Dringlichkeit erzähltes Epos über Trauma, menschliche Güte und Freundschaft als wahre Liebe. Es begibt sich an die dunkelsten Orte, an die Literatur sich wagen kann, und bricht dabei immer wieder zum hellen Licht durch.  
*Zentralamerika für wenig Geld* Kuperard  
 Through specific and rigorous analysis of contemporary literary

texts, this book shows how writers from inside affected communities portray indigeneity, displacement, and trauma. In a world of increasing global inequality, this study aims to demonstrate how literature, and the study of it, can effect positive social change, notably in the face of global environmental, economic, and social injustice. This collection brings together a diverse and compelling array of voices from academics leading their fields around the world, to

pioneer a new approach to literary analysis anchored in engagement with our changing world. The Country Under My Skin University of Oklahoma Press Human rights activist and historian Roxanne Dunbar-Ortiz has been described as “a force of nature on the page and off.” That force is fully present in *Blood on the Border*, the third in her acclaimed series of memoirs. Seamlessly blending the personal and the political, *Blood on the Border* is Dunbar-Ortiz’s

firsthand account of the decade-long dirty war pursued by the Contras and the United States against the people of Nicaragua. With the 1981 bombing of a Nicaraguan plane in Mexico City—a plane Dunbar-Ortiz herself would have been on if not for a delay—the US-backed Contras (short for los contrarrevolucionarios) launched a major offensive against Nicaragua’s Sandinista regime, which the Reagan administration labeled as communist. While her rich

political analysis of the US-Nicaraguan relationship bears the mark of a trained historian, Dunbar-Ortiz also writes from her perspective as an intrepid activist who spent months at a time throughout the 1980s in the war-torn country, especially in the remote northeastern region, where the Indigenous Miskitu people were relentlessly assailed and nearly wiped out by CIA-trained Contra mercenaries. She makes painfully clear the connections between

what many US Americans today remember only vaguely as the Iran-Contra “affair” and ongoing US aggression in the Americas, the Middle East, and around the world—connections made even more explicit in a new afterword written for this edition. A compelling, important, and sobering story on its own, *Blood on the Border* offers a deeply informed, closely observed, and heartfelt view of history in the making.

She would be involved with them over the next twenty years at the highest, and often most dangerous, levels." Simon and Schuster  
In this suspenseful novel from the #1 New York Times bestselling author Mary Higgins Clark, a Manhattan ER doctor is brazenly murdered in front of his young son in a city playground. Five years later, his killer is still at large. When Laurie Moran’s husband was brutally murdered, only three-year-old Timmy saw

the face of his father's killer. Five years later his piercing blue eyes still haunt Timmy's dreams. Laurie is haunted by more—the killer's threat to her son as he fled the scene: "Tell your mother she's next, then it's your turn . . ." Now Laurie is dealing with murder again, this time as the producer of a true-crime, cold-case television show. The series will launch with the twenty-year-old unsolved murder of Betsy Powell. Betsy, a socialite, was found suffocated in her bed after a gala

celebrating the graduation of her daughter and three friends. The sensational murder was news nationwide. Reopening the case in its lavish setting and with the cooperation of the surviving guests that night, Laurie is sure to have a hit on her hands. But when the estranged friends begin filming, it becomes clear each is hiding secrets . . . small and large. And a pair of blue eyes is watching events unfold, too . . . Zwischen mir und der

 Seit Jahren setzt sich Shirin Ebadi für eine Reform der iranischen Gesellschaft von innen heraus ein. Mit nicht einmal dreissig Jahren wurde Shirin Ebadi 1975 als erste Frau im Iran zur Richterin ernannt und übernahm schon bald den Vorsitz des Teheraner Gerichts. Im Zuge der islamischen Revolution enthob man sie 1979 ihres Amtes und degradierte sie zur Sekretärin. Sie entschloss sich, Anwältin zu werden und widmete ihr

Engagement vor allem den Rechten von Frauen und Kindern. Im Jahr 2000 wurde sie aufgrund ihrer Tätigkeit als Verteidigerin vor Gericht angeklagt und schliesslich verhaftet. Doch weder Einzelhaft noch Berufsverbot konnten Shirin Ebadi von ihrem Kampf für Freiheit und Menschenrechte abhalten, für den sie 2003 den Friedensnobelpreis erhielt. Ihre Autobiographie gewährt Einblick in die gesellschaftlichen Strukturen ihres Landes, das zur tickenden

Zeitbombe im Nahen Osten geworden ist.  
Omar Cabezas, Nicaragua, and the Narrative of Liberation  
 Duke University Press  
 More Than Things is a collection of essays on a variety of political, cultural, and literary issues, all linked by Margaret Randall's attention to power: its use, misuse, and impact on how we live our lives. There are texts on sex, fashion, food, LGBT rights, automobiles, forgiving, women's self-image, writing, books, and more.

Two of the essays provide glimpses into present-day Cuba and Tunisia. She reflects on her family; her romantic partners; and the revolutionaries, writers, artists, and activists she has known personally and admired: Roque Dalton, Meridel LeSueur, and Haydée Santamaría. Randall's writings move in unexpected directions, evoked by the "things" and ideas in her life: objects picked up around the world, her children's names, family heirlooms, artistic practices, dreams,

poems, and memories. Elegantly weaving together the personal and the political, *More Than Things* is a tour de force by one of America's most formidable and elegiac writers and political activists.

*The History of Nicaragua*  
Hachette UK

Lass die Vergangenheit ruhen . . . Vor den Augen ihres kleinen Sohnes wird Lauries Ehemann ermordet. Seitdem lebt sie in ständiger Angst. Immerhin lockt beruflich ein großer neuer Auftrag: Laurie soll eine TV-Serie

über ungelöste Verbrechen produzieren. Sie taucht tief in einen spektakulären Mordfall aus der Vergangenheit ein. Doch auch im Hier und Jetzt droht ihr und ihrem Sohn mörderische Gefahr. Von einem Moment auf den anderen wird Lauries Leben zum Albtraum: Ein Unbekannter ermordet am helllichten Tag ihren Mann – vor den Augen des gemeinsamen Sohnes Timmy. Bevor er flieht, ruft er dem heulenden Kind noch zu: »Du bist als Nächstes dran! Und dann

deine Mutter!« Fünf Jahre später ist Laurie immer noch von ständiger Sorge um ihren Sohn geplagt. Aber sie hat auch erfolgreich Karriere als TV-Journalistin und Produzentin gemacht. In einer neuen großen Serie will sie ungeklärte Mordfälle aus der Vergangenheit mit allen damaligen Beteiligten neu aufbereiten. Ihr erster Fall ist spektakulär: Vor 20 Jahren wurde eine reiche Dame der Gesellschaft umgebracht - in der Nacht, als ihre Tochter gemeinsam mit ihren drei

engsten Freundinnen den Collegeabschluss feierte. Schon bald entdeckt Laurie für jede von ihnen ein Tatmotiv. Was sie nicht weiß: Der Mörder ihres Mannes hat sie ständig im Visier. Er will seine Drohung endlich wahr machen.

### **Unfinished Revolution**

Taylor & Francis  
Das Soziodrama begreift den Menschen in seiner soziokulturellen und politischen Einbindung in die Gesellschaft. Darüber hinaus inszeniert es nicht nur Prozesse, politische Themen und Konflikte

gesellschaftlicher Gruppen, sondern zeigt auch in spielerischer und erfahrungsbezogener Weise Handlungsalternativen auf. In der Kombination von Theoriebausteinen und anschaulichen Beispielen aus der Praxis übermittelt das Handbuch eine erste anwendungsorientierte Grundlegung.
