Willa Cather is considered to be one of the best

chroniclers of pioneer life in the 20th century. She had a long and distinguished career writing essays, poems, short stories, and novels. This

story is a powerful example of a frequent theme: the haunting, sometimes painful, contrast between city and country life.

Daisy Goes Home Little, Brown Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he

abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate

parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he

becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are

illuminated with a rare understanding --and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page. *Fitzgerald/He mingway Annual* Ballantine Books Three boys struggle to come to terms with the death of a friend in a drunk-driving auto accident in which all four were involved, in a

story told through newspaper stories, diary entries, school announcements, telephone conversations, and classroom assignments.

CliffsNotes on

Fitzgerald's The Great Gatsby

Rowman & Littlefield *The Satyricon* is a Latin work of fiction in a mixture of prose and poetry. It is believed to have been written by Gaius Petronius Arbiter, though the manuscript tradition

identifies the author as a certain Titus Petronius. As with the *Metamorphoses* of Apuleius, classical scholars often describe it as a "Roman novel", without necessarily implying continuity with the modern literary form. The surviving portions of the text detail the misadventures of the narrator, Encolpius, and his lover, a handsome sixteen-year-old boy named Giton. Throughout the novel,

Encolpius has a hard time keeping his lover faithful to him as he is constantly being enticed away by others. Encolpius's friend Ascyltus (who seems to have previously been in a relationship with Encolpius) is another major character. Of the many masterpieces which classical antiquity has bequeathed to modern times, few have attained, at intervals, to such popularity; few have so

gripped the interest of scholars and men of letters, as has this scintillating miscellany known as the Satyricon, ascribed by tradition to that Petronius who, at the court of Nero, acted as arbiter of elegance and dictator of fashion. The flashing, wit, the masterly touches which bring out the characters with all the detail of a fine old copper etching; the marvelous use of realism by this, its first prophet; the

sure knowledge of the perspective and background best adapted to each episode; the racy style, so smooth, so elegant, so simple when the educated are speaking, beguile the reader and blind him, at first, to the many discrepancies and incoherences with which the text, as we have it, is marred. The more one concentrates upon this author, the more

apparent these faults become and the more one regrets the lacunae in the text. Notwithstanding numerous articles which deal with this work, some from the pens of the most profound scholars, its author is still shrouded in the mists of uncertainty and conjecture. He is as impersonal as Shakespeare, as aloof as Flaubert, in the opinion of Charles Whibley, and, it may be added, as

genial as Rabelais; an enigmatic genius whose secret will never be laid bare with the resources at our present command. [The Great Gatsby - The Original 1925 Edition](#) Phoemixx Classics Ebooks The "Fresh Air" book critic investigates the enduring power of The Great Gatsby - "The Great American Novel we all think we've read, but really haven't." Conceived nearly a

century ago by a man who died believing himself a failure, it's now a revered classic and a rite of passage in the reading lives of millions. But how well do we really know The Great Gatsby? As Maureen Corrigan, Gatsby lover extraordinaire, points out, while Fitzgerald's masterpiece may be one of the most popular novels in America, many of us first read it when we were too young to fully

comprehend its power. Offering a fresh perspective on what makes Gatsby great- and utterly unusual-So We Read On takes us into archives, high school classrooms, and even out onto the Long Island Sound to explore the novel's hidden depths, a journey whose revelations include Gatsby's surprising debt to hard-boiled crime fiction, its rocky path to recognition as a "classic," and its

profound commentaries on the national themes of race, class, and gender. With rigor, wit, and infectious enthusiasm, Corrigan inspires us to re-experience the greatness of Gatsby and cuts to the heart of why we are, as a culture, "borne back ceaselessly" into its thrall. Along the way, she spins a new and fascinating story of her own. **A Wagner Matinee** Farrar, Straus and Giroux

'A beautiful haunting novel... looking at a familiar London through a frosty, snowy lens. Wonderful' Caryl Phillips The London winter of 1947 is as cold as St Petersburg during the Revolution. Albertine, the wife of a British army officer often abroad on covert government business, finds herself increasingly lonely. Eager to distract herself with work, she takes a job as

companion to the mysterious 'Monsieur Ka', a Russian émigré. As she is drawn into Ka's dramatic past, her own life is shaken to its foundations. For in this family of former princes, there are present temptations which could profoundly affect her future. Trafford Publishing New York Times bestselling author Maureen Johnson delivers the witty and

pulse-pounding conclusion to the Truly Devious series as Stevie Bell solves the mystery that has haunted Ellingham Academy for over 75 years. Ellingham Academy must be cursed. Three people are now dead. One, a victim of either a prank gone wrong or a murder. Another, dead by misadventure. And now, an accident in Burlington has claimed another life. All three in the

wrong place at the wrong time. All at the exact moment of Stevie's greatest triumph . . . She knows who Truly Devious is. She's solved it. The greatest case of the century. At least, she thinks she has. With this latest tragedy, it's hard to concentrate on the past. Not only has someone died in town, but David disappeared of his own free will and is up to something. Stevie is sure that somehow—so

mehow—all these things connect. The three deaths in the present. The deaths in the past. The missing Alice Ellingham and the missing David Eastman. Somewhere in this place of riddles and puzzles there must be answers. Then another accident occurs as a massive storm heads toward Vermont. This is too much for the parents and administrators . Ellingham Academy is evacuated. Obviously, it's

time for Stevie to do something stupid. It's time to stay on the mountain and face the storm—and a murderer. In the tantalizing finale to the Truly Devious trilogy, New York Times bestselling author Maureen Johnson expertly tangles her dual narrative threads and ignites an explosive end for all who've walked through Ellingham Academy. Praise for the Truly Devious

series: "Readers, hang tight: there's one more round to come, and if the signs are right, it'll be to die for." —Publishers Weekly (starred review) "The Agatha Christie-like ecosystem pairs with lacerating contemporary wit, and alternating past and present scenes makes for a multilayered, modern detective story." —New York Times Book Review "Remember

the first time reading Harry Potter and knowing it was special? There's that same sense of magic in the introduction of teen Sherlock-in-training Stevie Bell." —USA Today (four stars) "Be still, my Agatha-Christie-loving beating heart." —Bustle *Murder, Mayhem, and the Invention of The Great Gatsby* Harper Collins Learn about the hopes and dreams that a young child had and the hard struggles in life that he could never overcome. Then his life was lost, never having the chance to live his dreams. *The Hand on the Wall* Little, Brown Kirkus (STARRED review) "Churchwell... has written an excellent book... she's earned the right to play on [Fitzgerald's] court. Prodigious research and fierce affection illumine every remarkable page." The autumn of 1922 found F. Scott Fitzgerald at the height of his fame, days from turning twenty-six years old, and returning to New York for the publication of his fourth book, *Tales of the Jazz Age*. A spokesman for America's carefree younger generation, Fitzgerald found a home in the glamorous and reckless streets of New York. Here, in the final incredible months of 1922, Scott and Zelda

Fitzgerald drank and quarreled and partied amid financial scandals, literary milestones, car crashes, and celebrity disgraces. Yet the Fitzgeralds' triumphant return to New York coincided with another event: the discovery of a brutal double murder in nearby New Jersey, a crime made all the more horrible by the farce of a police investigation—which failed to accomplish anything beyond

generating enormous publicity for the newfound celebrity participants. Proclaimed the “crime of the decade” even as its proceedings dragged on for years, the Mills-Hall murder has been wholly forgotten today. But the enormous impact of this bizarre crime can still be felt in *The Great Gatsby*, a novel Fitzgerald began planning that autumn of 1922 and whose plot he ultimately set

within that fateful year. *Careless People* is a unique literary investigation: a gripping double narrative that combines a forensic search for clues to an unsolved crime and a quest for the roots of America's best loved novel. Overturning much of the received wisdom of the period, *Careless People* blends biography and history with lost newspaper accounts, letters, and

newly discovered archival materials. With great wit and insight, acclaimed scholar of American literature Sarah Churchwell reconstructs the events of that pivotal autumn, revealing in the process new ways of thinking about Fitzgerald's masterpiece. Interweaving the biographical story of the Fitzgeralds with the unfolding investigation into the murder of Hall

and Mills, *Careless People* is a thrilling combination of literary history and murder mystery, a mesmerizing journey into the dark heart of Jazz Age America. His Life Was Lost Penguin NATIONAL BOOK CRITICS CIRCLE NOMINEE • A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • NEW YORK TIMES BEST SELLER • From the two-time Pulitzer Prize-winning author of *The*

Underground Railroad and *The Nickel Boys*, a gloriously entertaining novel of heists, shakedowns, and rip-offs set in Harlem in the 1960s. "Ray Carney was only slightly bent when it came to being crooked..." To his customers and neighbors on 125th street, Carney is an upstanding salesman of reasonably priced furniture, making a decent life for himself and his family. He

and his wife Elizabeth are expecting their second child, and if her parents on Striver's Row don't approve of him or their cramped apartment across from the subway tracks, it's still home. Few people know he descends from a line of uptown hoods and crooks, and that his façade of normalcy has more than a few cracks in it. Cracks that are getting bigger all the time. Cash is tight, especially with all those

installment-plan sofas, so if his cousin Freddie occasionally drops off the odd ring or necklace, Ray doesn't ask where it comes from. He knows a discreet jeweler downtown who doesn't ask questions, either. Then Freddie falls in with a crew who plan to rob the Hotel Theresa—the "Waldorf of Harlem"—and volunteers Ray's services as the fence. The heist doesn't go as planned; they rarely do. Now

Ray has a new clientele, one made up of shady cops, vicious local gangsters, two-bit pornographers, and other assorted Harlem lowlifes. Thus begins the internal tussle between Ray the striver and Ray the crook. As Ray navigates this double life, he begins to see who actually pulls the strings in Harlem. Can Ray avoid getting killed, save his cousin, and grab his share of the big score, all

while maintaining his reputation as the go-to source for all your quality home furniture needs? Harlem Shuffle's ingenious story plays out in a beautifully recreated New York City of the early 1960s. It's a family saga masquerading as a crime novel, a hilarious morality play, a social novel about race and power, and ultimately a love letter to Harlem. But mostly, it's a joy to read, another dazzling novel from the Pulitzer Prize and National Book Award-winning Colson Whitehead. *A Novel* e- artnow A P.G. Wodehouse novel Seize this wonderful chance to embark on a Wodehousian voyage on the luxurious liner S.S. Atlantic - in the company of Monty Bodkin, whose passion for Gertrude Butterwick knows no bounds (except those set by the wild-at-heart Hollywood starlet Lotus Blossom and her pet alligator). Also aboard are a movie mogul, the centre-forward for the All-England ladies hockey team and the two Tennyson brothers (one of whom has been mistaken for the late poet laureate and given a fat movie contract...). Also a chatty steward, and a mouse doll in which all manner of things can be hidden. This hilarious comic novel is

Wodehouse at full sail - a voyage of pure delight. <i>The Jungle</i> Penguin UK A collection of "commercial short stories F. Scott Fitzgerald published before he began to work on what would become his great American novel, <i>The Great Gatsby</i> ."-- Back cover. <i>Frindle</i> Tender Is The Night & The Great Gatsby This Edition is a Collection of F. Scott Fitzgerald's two best selling novels-	Tender is the Night & The Great Gatsby in one book. Tender Is the Night is the tragic romance of the young actress Rosemary Hoyt and the stylish American couple Dick and Nicole Diver. A brilliant young psychiatrist at the time of his marriage, Dick is both husband and doctor to Nicole, whose wealth goads him into a lifestyle not his own, and whose growing strength	highlights Dick's harrowing demise. A profound study of the romantic concept of character, Tender Is the Night is lyrical, expansive, and hauntingly evocative. <i>The Great Gatsby</i> is a 1925 novel by American writer F. Scott Fitzgerald. Set in the Jazz Age on Long Island, the novel depicts narrator Nick Carraway's interactions with mysterious millionaire Jay Gatsby and
--	--	--

Gatsby's obsession to reunite with his former lover, Daisy Buchanan. The Satyricon Nick Allen has plenty of ideas. Who can forget the time he turned the classroom into a tropical island? But now Nick is in Mrs Granger's class, it looks like his days as a troublemaker are over.

Study Guide to The Great Gatsby by F. Scott

Fitzgerald
HarperCollins
This book is ideal for the thousands of

teachers who entered the profession in the last ten years and taught prescribed curriculum geared toward end of year bubble testing. Its intent is to empower districts and their teachers to create their own (free!) curriculum that will exceed the expectations of Common Core assessments, as well as create life-long learners that are college and career ready. By employing

inquiry based units of study that insist on the use of iconic literature at the center, students will be more prepared for what awaits them with Common Core exams.
How The Great Gatsby Came to Be and Why It Endures Copp Clark
NATIONAL BESTSELLER
"Ms. Haigh is an expertly nuanced storyteller long overdue for major attention. Her work is gripping, real, and totally

immersive, akin to that of writers as different as Richard Price, Richard Ford, and Richard Russo.”—Janet Maslin, *New York Times* The highly praised, “extraordinary” (*New York Times Book Review*) novel about the disparate lives that intersect at a women’s clinic in Boston, by *New York Times* bestselling author Jennifer Haigh For almost a decade, Claudia has counseled patients at

Mercy Street, a clinic in the heart of the city. The work is consuming, the unending dramas of women in crisis. For its patients, Mercy Street offers more than health care; for many, it is a second chance. But outside the clinic, the reality is different. Anonymous threats are frequent. A small, determined group of anti-abortion demonstrators appears each morning at its door. As the

protests intensify, fear creeps into Claudia’s days, a humming anxiety she manages with frequent visits to Timmy, an affable pot dealer in the midst of his own existential crisis. At Timmy’s, she encounters a random assortment of customers, including Anthony, a lost soul who spends most of his life online, chatting with the mysterious Excelsior11—he

screenname of Victor Prine, an anti-abortion crusader who has set his sights on Mercy Street and is ready to risk it all for his beliefs. Mercy Street is a novel for right now, a story of the polarized American present. Jennifer Haigh, “an expert natural storyteller with a keen sense of her characters’ humanity” (New York Times), has written a groundbreaking novel, a fearless

examination of one of the most divisive issues of our time. *So We Read On* Anchor Daisy Goes Home By: Jolean Mcgowan Daisy Goes Home is about a bunny that doesn’t quite fit in with everyone else around her. She wonders why she is different and is sad, but she ends up with a family in a new home and realizes it’s okay to be different and is happy to have a place she belongs. Readers will

learn that there’s a place for everyone, and we are all special in our own way.

The First Twenty-six Stories

HarperCollins Attention Seeking is a short, fascinating introduction to the concept of attention from Britain’s leading psychoanalyst , author of *Missing Out* and *On Kindness*. Everything depends on what, if anything, we find interesting: on what we are encouraged

and educated to find interesting, and what we find ourselves being interested in despite ourselves. There is our official curiosity and our unofficial curiosity (and psychoanalysis is a story about the relationship between the two). Based on three connected lectures by Adam Phillips, this compact book is a lucid and memorable introduction to the concept of our attention, spanning from

interest to obsession, private desire to corporate commodity. What is attention, and why do we seek it? How does our culture moralize attention as a force in need of control? Phillips is one of our brightest and most unusual thinkers, uniquely capable of bringing our deepest impulses and instincts to light. *White Noise* Random House 'A book so full of steel and

compassion that it stands glitteringly apart' Rachel Cusk Milena is a Red Princess living in a Soviet Satellite state in the 1980s. She enjoys limitless luxury and limited freedom; the end of the Cold War seems unimaginable. When she meets Jason, a confident British poet, Milena is appalled by his political naivety and his poor choice of footwear. Still, they fall into bed together,

and before long Milena is secretly planning to escape to Britain. 1980s London defies her privileged expectations. The rented flat is grim and the food is disgusting but she is with the man she loves and there are no hidden cameras to record her every move. But then Milena discovers that Jason's idea of freedom hurts even more... With sharp wit and tender precision, Vesna Goldsworthy unpicks the

failures of family and state. Iron Curtain is a sly, elegant human drama that challenges the myths we tell ourselves. 'A wonderful, perfectly-pitched novel: full of delightful intrigue and wry insight about the human predicament and its unique tensions' William Boyd Before Gatsby Simon and Schuster "Lucy Barton is recovering slowly from what should have been a simple

operation. Her mother, to whom she hasn't spoken for many years, comes to see her and a simple hospital visit becomes a portal to the most tender relationship of all--the one between mother and daughter"--
Tender Is The Night & The Great Gatsby
 Dorrance Publishing
 The Rich Boy - Francis Scott Fitzgerald - Fitzgerald's short story "The Rich Boy" (like his novel The Great Gatsby)

utilizes an outside narrator to tell the story of a wealthy protagonist in a sympathetic but still somewhat distanced way. Here the protagonist is Anson Hunter, a well-to-do young New Yorker, who would seem to have the whole world ahead of him and the streets paved in gold. By his early twenties, he has found his ideal woman as well: the exquisite -- and very rich -- Paula Legendre. On

the surface, Paula would not seem to be the type of girl that would exert such a pull on Anson. Anson seems to have a lot of oats to sow, and Fitzgerald describes Paula as being "conservative and rather proper." But he is, nonetheless, obsessed by her, not because she represents the money he wants -- after all, he already has enough of his own -- but because she represents the social system that justifies his existence.

In his world, responsible older men (like his uncle Robert) hold the reins of government and business; chaste and proper women (like Paula and her mother) maintain the rules of propriety and etiquette; and, until they get old enough to assume the mantle of responsible older manhood, playboys like Anson play. That is all Anson thinks he is doing right now. Just as he sees in himself the undeveloped

kernel of a future leader, he sees in Paula the kernel of a future society matron. He thinks they would make a good pair. What he doesn't realize, however, is that his virtually unlimited wealth has within it the power to corrupt him,	and it's already doing a good job. His first problem is that he sees himself as superior. He carries himself that way; Fitzgerald says that ". . . He had a confident charm and a certain brusque style, and the upper-class men who	passed him on the street knew without being told that he was a rich boy and had gone to one of the best schools. . . . Anson accepted without reservation the world of high finance and high extravagance, of divorce and dissipation, of snobbery and of privilege."
