years before A Fire Upon the Deep, humans stand on the verge of first contact with an alien race. Two human groups: the Qeng Ho, a culture of free traders, and the Emergents, a ruthless society based on the technological enslavement of minds. The group that opens trade with the aliens will reap unimaginable riches. But first, both groups must wait at the aliens' very doorstep for their strange star to relight and for their planet to reawaken, as it does every two hundred and fifty years.

BOOK ONE IN THE NEW YORK TIMES  
 BESTSELLING SERIES Instant New York  
 Times bestseller From #1 New York  
 Times bestselling author Sabaa Tahir  
 Amazon's Best Young Adult Book of 2015  
 People's Choice Award winner - Favorite  
 Fantasy Bustle's Best Young Adult Book  
 of 2015 "This novel is a harrowing,  
 haunting reminder of what it means to  
 be human -- and how hope might be  
 kindled in the midst of oppression and  
 fear." -- The Washington Post "An Ember  
 in the Ashes could launch Sabaa Tahir  
 into JK Rowling territory...It has the  
 addictive quality of The Hunger Games  
 combined with the fantasy of Harry  
 Potter and the brutality of Game of  
 Thrones."--Public Radio International "An

Ember in the Ashes glows, burns, and smolders--as beautiful and radiant as it is searing."--Huffington Post "A worthy novel - and one as brave as its characters." --The New York Times Book Review Laia is a slave. Elias is a soldier. Neither is free. Under the Martial Empire, defiance is met with death. Those who do not vow their blood and bodies to the Emperor risk the execution of their loved ones and the destruction of all they hold dear. It is in this brutal world, inspired by ancient Rome, that Laia lives with her grandparents and older brother. The family ekes out an existence in the Empire's impoverished backstreets. They do not challenge the Empire. They've seen what happens to those who do. But when Laia's brother is arrested for treason, Laia is forced to make a

decision. In exchange for help from rebels who promise to rescue her brother, she will risk her life to spy for them from within the Empire's greatest military academy. There, Laia meets Elias, the school's finest soldier--and secretly, its most unwilling. Elias wants only to be free of the tyranny he's being trained to enforce. He and Laia will soon realize that their destinies are intertwined--and that their choices will change the fate of the Empire itself.

Living Beyond the Waves is a poetry collection unlike any other It contains poems that are part memoir and part journey towards acceptance. They are

Wolf's attempt to find a life beyond disease or disability. The poems contained within deal with Wolf accepting all part of himself, even those he has no control over. They are a testament to the strength of the human spirit. The poems show us that whatever life throws at us, with courage anything is possible. With unflinching honesty, Wolf talks about disease, sexuality, physical disability and the healing power of love.

*Beyond the Sky* Trafford Publishing  
Modern man Mike de Wolf gets stranded in a pirate adventure being written by his friend Horace Hackett and finds himself fighting for his life as the villainous Miguel de Lobo, while trying to figure out how to extricate himself from Horace's fatal plot.

When the Sky Is Falling Dr. O Pub  
1942: Her mother's death left Grace Turner detached from the world until she became pregnant. Now, she's fallen in love with her baby boy but is locked in combat with her sister-in-law over his care. Wanting an independent life for herself and her son, Grace leaves Sault Ste. Marie to find work, and a place of her own, in southern Ontario. But she worries: when she returns for her baby, will her brother and sister-in-law give him up?  
1957: Teenaged Dean Turner breaks open a locked box and finds adoption papers with a birth certificate for Daniel Turner, son of Grace Turner and an unknown father. His parents deny that he is adopted, but four years later, Dean leaves home to find the mysterious Grace.  
1961: Laura falls in love with

Dean Turner soon after he sits down at her table in the Queen Street Eaton's cafeteria, but he disappears as suddenly and as devastatingly as he appeared. When she encounters him in Sault Ste. Marie three years later, she is determined not to let him slip away again. 1973: Eight-year-old Dawn Turner waits for her father one morning at the front door of her grandparents' house. Dawn and her little brother are finally starting a life with their father, Dean, and his new wife. But when the new beginning doesn't work out, she and Jimmy end up back with their grandparents. As Dawn grows up, she must work to understand her family's mysteries and disappearing acts before she loses track of herself completely. Jamie Zeppa paints a tender and

perceptive portrait of the unconventional, though not entirely dysfunctional, Turner family. Rich with mystery, broken promises and in the end, some mending of hearts, Every Time We Say Goodbye explores what it means to leave, to be left, to be absent; what connects parents and children, brothers and sisters, husbands and wives - and what drives them apart. **Finding Faith and Hope in Life's Crises** HarperCollins 'Sky beyond the Clouds', is a story of a teenage boy, who aspires to become an Indian military officer to make his grandfather proud. His grandfather is his sole companion. After conquering the Service Selection Board challenges, where the military world tests him and his newly formed friends, rigorously. A

storm that will change his life, awaits him. The jolts come one after the other, until he is lost, on the verge of death, in a mystic valley, with only hope to see the girl he adores. Destiny has tested him repeatedly, but will it favour him this time? The story has been inspired from a series of real life incidents, where the author pieced together bits and pieces through his interactions with hundreds of people across various towns and cities. The book provides an enthralling picture of the toils of a deserted young boy, who discovers his destiny after an enormous struggle.

Gabriella (known as Gaby to her friends) is a good and clever little angel with one minor fault. She has a wing obsession and spends far too much time admiring

other angels' wings and wishing hers were better. She also wishes for a better job. She is very good at her job of delivering messages but longs for something greater. To sum it up, Gaby spends far too much of her time sitting on a cloud and wishing. One day her supervisor Angela arrives with great news! Gaby's wishes have been heard and God has promoted Gaby from a cherub to guardian angel. Angela hands her the instructions of Gaby's first assignment. If she is successful, she will be given new wings...but there is more, much more. God arrives to tell Gaby that great things lie ahead for her and shows her a vision, but only she can prove herself worthy. This is something that only Gaby can find out for herself. Is Gaby prepared to do what it takes and

will she be able to discover her worthiness? This endearing little book is broken up into easy-to-read chapters that can be read all at once or one chapter at a time as a bedtime story. The book is directed at children of all ages and provides an important message about patience and selflessness that resonates in all religions, and even in no religion at all, as a basic tenet of humanity.

 all.Insomniac Piper Laurel focuses on the simple things, the feel-good things. She

likes her coffee black, her wine cheap, and her men gone by morning. But when her last living relative dies, she must confront the feel-bad things. She's the last Laurel, she's almost thirty, and she's completely alone. When she returns to her sleepy seaside hometown, her ex is still as yummy as ever, and a familiar-seeming stranger is also there to tug at her heartstrings. But a love triangle isn't the only thing waiting for her. The immortal Anik has spent centuries plotting to claim the last Laurel--and a lot of innocent souls in the bargain. To survive Anik and the Realm Wars, Piper must forget her version of reality and awaken to her destiny as a Seekin, Guardian of Souls. With two men vying for her heart and hellhounds on her heels, Piper must decide who she trusts

and who she loves while embracing her destiny with her eyes wide open.

The Boy Who Fell Out of the Sky  
 Macmillan  
 Suicide claims over one million lives world-wide each year. In the United

States alone, suicide has become the second leading cause of death amongst people ages ten to thirty-five and has literally become a national epidemic resulting in 47,000 deaths per year, or more than twice the number of homicides. Beyond the Grey Sky is the first major publication of its kind to truly help explain the impacts of suicide on both our physical and spiritual beings by telling the incredible true story of a tragic death and a survivor's unique journey that will forever change what we believe and know about suicide. PRAISE FOR BEYOND THE GREY SKY "Dustin Ruge, departing from his previous best-selling books, pours his heart out in "Beyond the Grey Sky." Approaching the 17th anniversary of his brother David's death by suicide, with unvarnished prose

and rich anecdotes, he captures the essence of their relationship and his personal journey of healing. Like so many who die by suicide, "David didn't always feel like he 'fit in' to the world we live in." Ruge is a gifted writer – I was transported from laughing out loud (ala David Sedaris) into being moved to tears. This book is a must-read for everyone, not just survivors of suicide loss."-Michael F Myers, MD Professor of Clinical Psychiatry, SUNY Downstate Medical Center, Brooklyn, NY and author of "Touched by Suicide: Hope and Healing After Loss" (with Carla Fine) and "Why Physicians Die by Suicide: Lessons Learned from Their Families and Others Who Cared." "This is one of the most powerful books on suicide we have ever read. We believe that if everybody could

read this incredible story they would not consider suicide." -Dale and Dar (Darlene) Emme, Founders of Yellow Ribbon Suicide Prevention Program. "Beyond the Gray Sky" by Dustin Ruge is his own soul-searching journey in the aftermath of his step brother's suicide. He shares the experience of his shattered world and the Spirit World's subsequent intervention with candor and awe. Ruge's search for meaning in his own life and in his brother's life is compelling. Other suicide loss survivors will relate to his story and will read with curiosity and wonder."-Iris Bolton, Author, Grief Counselor, Director Emeritus of the Link Counseling Center in Atlanta, Georgia. Bolton wrote, "My Son, My Son, A Guide to Healing after Death, Loss or Suicide and recently

Bolton Press Atlanta published "Voices of Healing and Hope, Conversations on Grief after Suicide."

www.boltonpress.com "Dustin's story is a heartfelt account about love, grief and our life-long connection we have to our loved ones who have left this world."- Friends for Survival, Inc. "Beyond the Grey Sky brings to light the "human factor" and a real look at how suicide impacts not only loved ones, but even acquaintances will be impacted to some degree over such a loss. As a Suicidology Researcher and I know firsthand the tragedy that follows a death by suicide. The "ripple effect" never ceases, the ripples just become less pronounced. However, I know lives can be saved by reading this book."-Olivia Johnson, DM, Blue Wall Institute "Dustin Ruge has

written a book about surviving the loss of his brother to suicide that is personal, engaging and poignant. He gives us a clear picture of the devastation of the death, as well as the strong bond they shared and the growth Dustin experiences after grieving. It is a lovely example of how we can and often do engage with life in a richer way after we work through the heart wrenching aspects of our losses to suicide."- Vanessa L. McGann, Ph.D, Survivors Division Chair, American Association of Suicidology

**Outside, the Sky is Blue** Andrew M. Crusoe

Acclaimed sci-fi author Alan E. Nourse offers up an exciting tale of treachery, adventure, and vast wealth in the novel Gold in the Sky. The story unfolds among the rarefied and rough-and-tumble crews who mine the surface of asteroids for valuable metals and minerals. Much like the lawless mining towns of the Old West, these groups are made up of rapacious types who will stop at nothing to strike it rich.

Tunnel in the Sky Ember

When the Sky is Falling is a gritty true story of pastor and professor Eric Sandras, who gets vulnerable in sharing his own personal job story and how he kept his faith in the midst of it all. Eric lost his dream job, watched his home get foreclosed, moved away from his family to support them, contracted cancer, and experienced a lifetime of emotional and physical pain in less than three years.
