Things happen in our daily lives and we can often feel overwhelmed by our experiences. Taking the time to realize that something good can come from even the most difficult circumstances will help us realize how all of these situations are wonderful opportunities for us to grow into the authentic person we were created to be. With every tragedy a triumph is waiting to be revealed. How we respond to what life seems to present will make all the difference. Looking at things from a different perspective will help you see the beauty that is all around you. Every day is a new opportunity for you to take chances. Be brave, give yourself and others grace and most importantly remember to step out of your own way.

**The One Year Be-Tween You and God** Tyndale House Publishers, Inc.

*What a Great World!* is a new kind of devotional. With Scripture and fresh insights from author Karen Moore, readers are able to focus on one word each day to strengthen their faith and see God's hand at work. These are simple words, words we use every day that we often gloss over when reading God's Word. If, for example, the word for the day is "protect," the reading from Psalm 121:6-8 declares: "The Lord will protect you from all dangers; He will guard your life." Readers will then see how the Lord protects our lives. He is the One who defends us, guards us, and keeps us safe. With one simple word, readers will move from hoping the Lord will protect us, to believing He will act on our behalf. Now that's a Great Word! "What a Great Word! is a beautiful way to spend a few minutes each day focusing on what is really important and growing into the person God created us to become." -- Jean Ziglar, wife of Zig Ziglar
