 Tsuru no Ongaeshi (□□

鶴の恩返し, lit. "Crane's Return of a Favor") is a story from Japanese folklore about a crane who returns a favor to a man. A variant of the story where a man marries the crane that returns the favor is known as Tsuru Nyōbō (鶴の嫁, "Crane Wife"). Tsuru no Ongaeshi - Wikipedia The Crane Wife is an old Japanese folktale. While there are many variations of the tale, a common version is that a poor man finds an injured crane on his doorstep (or outside with an arrow in it), takes it in and nurses it back to health. After he releases the crane, a woman appears at his doorstep with whom he falls in love and marries. The Crane Wife - Wikipedia The Crane Wife is an old Japanese folktale. Its most

common version tells the story of a poor sail maker who one day finds a wounded crane and nurses it back to health. After he releases the crane, a beautiful woman appears on his doorstep. The Crane Wife by Patrick Ness - Goodreads The Story. The Crane Wife is an old Japanese folktale, which inspired a couple of wonderful songs by The Decemberists (The Crane Wife 1 & 2, and The Crane Wife 3). These songs, along with others from the similarly titled album, helped make life worth living in 2006. When it was released, I was just starting school at University (a big step up from the junior colleges I had attended to this point), and was feeling very isolated. The Crane

 Once, in a land
 between the sun and
 the moon, on a cliff
 high above the ocean,
 there lived a lonely
 sailmaker. He was a
 proud man, and
 therefore loathe to give
 in to his sadness; but

in the spring when the cranes began their mating dance the sorrow became too much for his old heart. The Crane Wife | Short Story | WritingRoomThe Crane Wife. Long ago, in ancient Japan, there was a poor man known as a woodcutter. One day, he came across a crane which had got caught in a hunter's trap. Out of pity and respect, he helped it to get out from the trap. The Crane Wife | The Japanese Story CollectionTsuru no Ongaeshi - Japanese Folktale. Tsuru no Ongaeshi (The Grateful Crane/The Crane's Return of Favor) is one of the most popular Japanese folktales. My parents used to tell this folktale many times in my childhood. It is an interesting story in

Japanese folklore and the best unexpected twist ending folktale you would ever read in your life. Tsuru no Ongaeshi - Japanese Folktale | KyuhoshiOne day Youhei opened the door and saw a beautiful crane plucking her feathers to weave the fabric. Now that Youhei knew her secret, her magic was broken, and she flew away. This story of the crane wife is an old Japanese fairy tale, but sometimes truth is stranger than fiction. The Crane Wife - Deep EnglishMedieval Japan provides the backdrop for the classic tale of a sail maker who nurses a wounded crane to health. "Bodkin's finely tuned version abounds with drama and emotion in its rich presentation of morals,

and near-perfect pacing sets the stage for the pathos of the ending," said PW in a starred review. The Crane Wife: Bodkin, Odds, Spirin, Gennadii, Spirin ... The epigraph to Patrick Ness's novel comes from The Decemberists' 2006 album also entitled The Crane Wife. Clearly artists of all sorts have been inspired by the Japanese folktale on which Ness's novel is very broadly based. The legend, known as Tsuru no ongaeshi, tells of a young man who rescues a crane that has been injured by a hunter's arrow. The Crane Wife by Patrick Ness: Summary and reviews Asian story, in which (for some reason I can't remember) a crane transforms herself into a young

girl. There was an elderly couple in that area, and they took her in and loved like a daughter, so she became their adoptive daughter. I can't remember how, but somehow they found out that she was a crane, and she flew away. The Grateful Crane - Storynory The tale of the Grateful Crane falls into a folklore theme that is common in Japanese tales, of supernatural wives that vanish when their secret is discovered; but the tale of the crane seems to be unique in one aspect. Gratitude of the Crane: A Japanese Legend | Anomalies: the ... In the Japanese folktale Tsuru no Ongaeshi, upon which Patrick Ness's wondrous new novel, The Crane Wife, is

loosely based, a young rice farmer rescues a beautiful white crane that has crashed into his rice paddy. The Wondrous Re-Imagining of a Japanese Folktale: Patrick ... From Japanese folklore comes the tale of "The Crane Wife." [Koto music: "Winter Cranes" by Duo En] Long ago, a poor man found an injured crane and nursed it back to health. Not long after the crane took wing again, a beautiful young woman appeared at the man's door, and she became his wife. The Crane Wife | BirdNote

Beautifully illustrated traditional Japanese story of a lonely sail maker who nursed an

injured crane back to health; shortly afterward the companionship he had always longed for literally knocked on his front door. The Crane Wife is a sad yet sweet fable of love, appreciation, and regret.
